Partners and its members were selected to be awarded.

HCDE/Choice Partners recommends awarding a one (1) year contract from 7/16/2025 through 7/15/2026 to the vendors stated above in the Posted Agenda Item. Subject:

Choice Partners Cooperative: Contract Award; for Job Order Contracting IDIQ Minor Construction, Maintenance, Repair, Alteration, Renovation, and Remediation services; Revenue Generating.

Rationale:

The process enacted was Competitive Sealed Proposal (CSP) to acquire proposals from vendors to provide Job Order Contracting IDIQ Minor Construction, Maintenance, Repair, Alteration, Renovation, and Remediation services to HCDE/Choice Partners members.

1,623 invitations were extended for proposals. 60 responses were received from vendors. Each response was reviewed for compliance with the CSP no. 25/033MR. General Terms and Conditions

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. Term. The term of this Agreement shall commence on the date of the first signature of this Agreement ("Effective Date") and shall automatically renew annually, unless either Party gives thirty (30) days prior written notice of non-renewal.

   LGE agrees to adhere to the specific terms and conditions set forth for the HCDE programs and/or services as contracted by LGE. In the case of a conflict between this Agreement and any addendum, purchase order, or individual contract for a specific HCDE program or service, the provisions of the addendum, purchase order, or individual contract will govern.

6. Payments. The Parties further agree that each Party paying for the performance of governmental functions or services pursuant to this Agreement must make those payments from current revenues available to the paying Party.

7. Invoices. HCDE will invoice LGE for the HCDE programs and services that LGE purchases from HCDE. Docusign Envelope ID: A9ED086A-7EFE-4F08-973D-F4996F5DDA34

    - By either Party, with or without cause, upon thirty (30) days' prior written notice;
    - By mutual written agreement of the Parties; or
    - By either Party immediately if the other Party commits a material breach of any of the terms of this Agreement and no remedial action can be agreed upon by the Parties.

    Termination of this Agreement by a Party shall not terminate an existing purchase order or individual contract between HCDE and LGE or between LGE and an HCDE cooperative purchasing program vendor. In the event of termination of this Agreement or any purchase order or individual contract, LGE shall be responsible for compensating HCDE for programs and services provided by HCDE up to the effective date of termination.

Interlocal Agreement
between Harris County Department of Education
& VIA METROPOLITAN TRANSIT

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, and Chapter 271, Subchapter F of the Texas Local Government Code, and other similar, applicable laws of other states, this Interlocal Agreement ("Agreement") is made and entered into by and between Harris County Department of Education ("HCDE"), located in Houston, Texas, and VIA Metropolitan Transit, a local governmental entity and/or political subdivision ("LGE"), located in San Antonio (*city*), Texas (*state*), for the purpose of contracting for the performance of governmental functions and services. The undersigned may be referred to in this Agreement individually as a "Party" and collectively as the "Parties."

Preamble

HCDE is a local governmental entity established to promote education in Harris County, Texas and is duly authorized to provide programs and services in the State of Texas. Both HCDE and LGE desire to set forth, in writing, the terms and conditions of their agreement.

General Terms and Conditions

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. Term. The term of this Agreement shall commence on the date of the first signature of this Agreement ("Effective Date") and shall automatically renew annually, unless either Party gives thirty (30) days prior written notice of non-renewal.

2. Agreement. The terms of this Agreement shall apply and will be considered a part of any addendum, purchase order, or contract for programs and services delivered by HCDE. This Agreement and the attached and incorporated addenda, purchase orders, or exhibits, if any, contain the entire agreement of the parties, and there are no representations, agreements, arrangements, or undertakings, oral or written, between the Parties to this Agreement other than those set forth in this Agreement and duly executed in writing.

3. Purpose and Scope of Work.

A. HCDE agrees to:

- Provide LGE with descriptive offerings of each of the programs and services that HCDE provides.
- Provide programs and services upon LGE's submission of independent contracts or purchase orders to HCDE and HCDE's acceptance thereof. HCDE's obligations to provide programs and services is contingent on HCDE acquiring and maintaining sufficient staffing through reasonable efforts to satisfy HCDE's obligations under this Agreement and all similar obligations under its contracts with other local governmental entities.
- Conduct, at a minimum, an annual audit or survey, as appropriate, for each of the programs and services that HCDE delivers.

B. LGE agrees to:

- Participate in any or all of the programs and services that HCDE offers, in LGE's sole discretion.

- Submit purchase order(s) or independent contract(s) for each of the HCDE programs and/or services that LGE desires to purchase and/or collaborate.
- Agree to follow the terms and conditions of each independent contract or purchase order.
- Designate a person to act as LGE's representative to each respective HCDE program and/or service delivered.

4. As is. HCDE makes this Agreement available to HCDE participating entities "as is" and is under no obligation to revise the terms, conditions, scope, prices, and/or any requirements of the Agreement for the benefit of LGE.

5. Master Contract. This Agreement can be utilized as a Master Contract. The general terms and conditions in this Agreement will serve to outline the working relationship between HCDE and LGE.

   LGE agrees to adhere to the specific terms and conditions set forth for the HCDE programs and/or services as contracted by LGE. In the case of a conflict between this Agreement and any addendum, purchase order, or individual contract for a specific HCDE program or service, the provisions of the addendum, purchase order, or individual contract will govern.

6. Payments. The Parties agree that all payments made under this Agreement will be in an amount that fairly compensates the performing Party for the services or functions performed under this Agreement. The Parties further agree that each Party paying for the performance of governmental functions or services pursuant to this Agreement must make those payments from current revenues available to the paying Party.

7. Invoices. HCDE will invoice LGE for the HCDE programs and services that LGE purchases from HCDE. LGE agrees to remit payment to HCDE within thirty (30) days after the later of the following: (1) the date LGE receives the goods; (2) the date the performance of the service is completed; or (3) the date LGE receives an invoice for the goods or service. If LGE makes a payment to HCDE with a credit card, LGE agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and/or costs incurred by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).

8. Participation in HCDE's Cooperative Purchasing Program. If LGE elects to participate in HCDE's cooperative purchasing program, Choice Partners, LGE shall be permitted to purchase goods and services using the contracts competitively procured by HCDE. HCDE does not assess a fee to LGE for participation in Choice Partners. LGE shall make payments directly to vendors. LGE shall be responsible for ordering, inspecting, and accepting the goods and services purchased through Choice Partners. LGE shall further be responsible for the vendors' compliance with provisions relating to the specific quality of goods and services delivered and terms of delivered, as set forth between LGE and the vendor. HCDE is not responsible or liable for the performance of any vendor used by LGE as a result of this Agreement or LGE's participation in Choice Partners.

9. Compliance with Laws. Each Party is responsible for complying with applicable laws and regulations relating to this Agreement and any purchase made under this Agreement.

10. Termination. This Agreement may be terminated prior to the expiration of the Term hereof as follows:
    - By either Party, with or without cause, upon thirty (30) days' prior written notice;
    - By mutual written agreement of the Parties; or
    - By either Party immediately if the other Party commits a material breach of any of the terms of this Agreement and no remedial action can be agreed upon by the Parties.

    Termination of this Agreement by a Party shall not terminate an existing purchase order or individual contract between HCDE and LGE or between LGE and an HCDE cooperative purchasing program vendor. In the event of termination of this Agreement or any purchase order or individual contract, LGE shall be responsible for compensating HCDE for programs and services provided by HCDE up to the effective date of termination.

11. Assignment. Neither this Agreement nor any duties or obligations entered in subsequent contracts because of this agreement shall be assignable by either party without the prior written acknowledgment and authorization of both parties.

12. Conflict of Interest. During the Term of HCDE's service to LGE, LGE, its personnel and agents, shall not, directly or indirectly, whether for LGE's own account or with any other person or entity whatsoever, employ, solicit or endeavor to entice away any person who is employed by HCDE.

13. Contract Amendment. This Agreement may be amended only by the mutual agreement of all Parties, in writing, to be attached to and incorporated into this Agreement.

Provider must also obtain similar certifications of compliance with Texas Education Code Chapter 22's requirements from any subcontractors. Covered employees with disqualifying criminal history are prohibited from serving at HCDE; Provider and any subcontracting entity may not permit a covered employee to provide services at a child care facility if the employee has been convicted of a felony or misdemeanor offense that would prevent a person from being employed under Tex. Educ. Code § 22.085(a) (i.e., Title 5 felony or an offense requiring registration as a sex offender and victim was under 18 years of age or was enrolled in a public school at the time the offense occurred).

6. **Eligibility, Recruitment, Selection, Enrollment and Attendance.** Provider will provide HCDE with attendance reports by each Tuesday. Provider must promote regular attendance and partner with HCDE EHS to implement strategies to support a monthly average daily attendance rate of a minimum of 85% per student. Provider will work closely with enrolled families and HCDE to successfully complete subsidy applications and subsidy re-determinations. Provider shall comply with the plan developed by HCDE to deliver ongoing supplemental services to EHS children and families. Provider shall also comply with the disabilities service plan developed by HCDE for each EHS enrolled child with a disability.

7. **Facility and Equipment Requirements.** Provider shall provide a child care facility that serves children ages 0–3 years old. Classroom(s) at Provider's child care facility may have a maximum of eight children with a ratio of one teacher per four children, and classroom(s) must accommodate a minimum of 35 square feet per child, not including crib space. Provider's facility shall include secure space for confidential files to be kept locked on Provider's premises, and Provider shall ensure that all confidential files are kept locked in said secure space on Provider's premises. Provider shall maintain a working computer and email capability for the entire Term of this Agreement. Provider shall maintain and secure any property, including all equipment and materials, provided by HCDE, and all such property shall remain the sole property of HCDE. Provider agrees that upon termination or expiration of the Agreement, Provider shall return all HCDE property, including all equipment and materials provided by HCDE, to HCDE within thirty of days after the effective date of termination or expiration of this Agreement.

8. **Full Day/Full Year Early Head Start Child Care**. Provider shall operate a full-day/full-year EHS program as defined by HCDE and EHS and shall provide comprehensive child development services to all EHS children in its care pursuant to this Agreement and in accordance with the specifications identified in

Provider agrees to pay any subcontractors, if any, the appropriate share of the payment received from HCDE not later than the tenth (10th) day after the date Provider receives the payment from HCDE. The exceptions to payments made by HCDE and/or Provider listed in Texas Government Code § 2251.002 shall apply to this Agreement.

7. **Reimbursements.** HCDE may reimburse Provider for the costs of expenses incurred by Provider in the course of gaining and/or maintaining compliance with EHS-CC program requirements and/or increasing the quality of Provider's EHS Child Care program. HCDE, in its sole discretion, may approve or disapprove Provider's request(s) for reimbursements under this Section.

8. **Training.** HCDE shall provide training to Provider prior to participation in the EHS Child Care program. HCDE shall provide Provider's EHS teachers with ongoing training, professional development plans, coaching, and mentoring, including providing technical assistance and training to Provider's teachers throughout the CDA credentialing process. The Parties may renew this Agreement by written agreement for up to four (4) additional terms of no more than one (1) year increments. All services must be completed during the effective dates of the Agreement.

2. **Termination of Contract.** This Agreement shall remain in effect until (1) the Agreement expires by its terms or (2) the Agreement is terminated by mutual agreement of HCDE and Provider. In the event of a

breach or default of the Agreement and/or the procurement solicitation by Provider, HCDE reserves the right to enforce the performance of the Agreement and/or the procurement solicitation in any manner prescribed by law or deemed to be in the best interest of HCDE. HCDE further reserves the right to terminate the Agreement immediately in the event Provider fails to: (1) meet schedules, deadlines, and/or delivery dates within the time specified in this Agreement, the procurement solicitation, and/or set by HCDE; (2) comply with EHS program requirements, HSPPS, HHS Standards, or DFPS Minimum Standards; (3) maintain all required licenses, certifications, permits, or other required documentation; or (4) otherwise perform in accordance with this Agreement and/or the procurement solicitation. HCDE also reserves the right to terminate the Agreement immediately, with written notice to Provider, if HCDE believes, in its sole discretion, that it is in the best interest of HCDE to do so. Provider agrees that HCDE shall not be liable for damages in the event that HCDE declares Provider to be in default or breach of this Agreement and/or the procurement solicitation. Provider further agrees that upon termination of the Agreement for any reason, Provider shall, in good faith and with reasonable cooperation, aid in the transition to any new arrangement and/or Provider.

ARTICLE V: GENERAL PROVISIONS

1. **Amendment.** No amendment of this Agreement shall be permitted unless first approved in writing by HCDE, and no such amendments shall have any effect unless and until a written amendment to this Agreement is executed by HCDE's Superintendent or its Assistant Superintendent for Business Services (or their designees) after any necessary approvals have been obtained from the HCDE Board of Trustees.

2. **Assignment of Agreement.** Provider may not assign this Agreement or any of its rights, duties, or obligations hereunder without the prior written approval of HCDE. Any attempted assignment of this Agreement by Provider shall be null and void. Any obligation, responsibility, or requirement imposed on Provider or HCDE property provided to Provider under this Agreement may not be transferred, assigned, subcontracted, mortgaged, pledged, or otherwise disposed of or encumbered in any way by Provider without the prior written approval of HCDE. Provider is required to notify HCDE when any material change in operations occurs, including but not limited to, changes to or revocation of required licenses, certifications, permits, or other documentation necessary to perform this Agreement; bankruptcy; material changes in financial condition; change of ownership; and the like, within three (3) business days of such change.

3. **Captions.** The captions herein are for convenience and identification purposes only, are not an integral part hereof, and are not to be considered in the interpretation of any part hereof.

4. **Entire Agreement.** This Agreement, the procurement solicitation issued by HCDE, and Provider's proposal submitted in response to HCDE's procurement solicitation (RFP #20/039YR), and the attached and incorporated addendum or exhibits, including, but not limited to Exhibit A, contain the entire agreement of the parties relative to the purpose(s) of the Agreement and supersede any other representations, agreements, arrangements, negotiations, or understanding, oral or written, between the parties to this Agreement. In the event of a conflict between this Agreement and the procurement solicitation issued by HCDE or Provider's proposal submitted in response to HCDE's procurement solicitation, this Agreement shall control. In the event of a conflict between the procurement solicitation issued by HCDE and Provider's proposal submitted in response to HCDE's procurement solicitation, HCDE's procurement solicitation shall control. This Agreement supersedes any conflicting terms and conditions on any purchase or work orders, invoices, checks, order acknowledgements, forms, or similar documents relating hereto and which may be issued by Provider after the Effective Date of this Agreement.

5. **Equal Opportunity.** It is the policy of HCDE not to discriminate on the basis of race, color, National origin, gender, limited English proficiency or handicapping conditions in its programs. Provider agrees not to discriminate against any employee or applicant for employment to be employed in the performance of

this Agreement, with respect to hire, tenure, terms, conditions and privileges of employment, or a matter directly or indirectly related to employment, because of age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification) or race, color, religion, national origin, or ancestry. Provider further agrees that every subcontract entered into for the performance of this Agreement shall contain a provision requiring non-discrimination in employment herein specified, binding upon each subcontractor. Breach of this covenant may be regarded as a material breach of the Agreement.

6. **Force Majeure.** Neither HCDE or Provider shall be deemed to have breached any provision of this Agreement as a result of any delay, failure in performance, or interruption of service resulting directly or indirectly from acts of God, network failures, acts of civil or military authorities, civil disturbances, wars, energy crises, fires, transportation contingencies, interruptions in third-party telecommunications or Internet equipment or service, other catastrophes, or any other occurrences which are reasonably beyond such party's control. The parties to this Agreement are required to use due caution and preventive measures to protect against the effects of force majeure, and the burden of proving that a force majeure event has occurred shall rest on the party seeking relief under this provision. The party seeking relief due to force majeure is required to promptly notify the other party in writing, citing the details of the force majeure event and relief sought, and shall resume performance immediately after the obstacles to performance caused by a force majeure event have been removed, provided the Agreement has not been terminated. Delay or failure of performance, by either party to this Agreement, caused solely by a force majeure event, shall be excused for the period of delay caused solely by the force majeure event. Neither party shall have any claim for damages against the other resulting from delays caused solely by force majeure. Notwithstanding any other provision of this Agreement, in the event the Provider's performance of its obligations under this Agreement is delayed or stopped by a force majeure event, HCDE shall have the option to terminate this Agreement. This section shall not be interpreted as to limit or otherwise modify any of HCDE's contractual, legal, or equitable rights.

7. **Non-Appropriation.** Notwithstanding any other provision of this Agreement or obligation imposed on HCDE by this Agreement, HCDE shall have the right to terminate this Agreement without default or liability to Provider resulting from such termination, effective as of the end of any fiscal year of HCDE or of HCDE's Early Head Start program, if it is determined by HCDE, in HCDE's sole discretion, that there are insufficient funds to extend this Agreement, in accordance with Texas Local Government Code 271.903 concerning non-appropriation of funds for multi-year contracts. HCDE anticipates it will receive Early Head Start grant funds from the United States Department of Health and Human Services in an amount equal to the cost of services to be provided under this Agreement. Provider further acknowledges that federal funds will be used to make all payments and pay for all of HCDE's obligations under this Agreement and that this Agreement is subject to appropriation and approval of an Early Head Start Grant by the United States federal government for the specific purpose of providing Early Head Start services in east and northeast Harris County. Notwithstanding anything to the contrary in this Agreement, this Agreement is contingent on HCDE receiving such funds. If HCDE does not receive sufficient funding to operate the Early Head Start program, HCDE may terminate this Agreement or reduce the scope of services provided under this Agreement, in HCDE's sole discretion, without penalty or further obligation to Provider, at any time upon written notice to Provider.

8. **Governing Law and Venue.** The laws of the State of Texas, without regard to its provisions on conflicts of laws, govern this Agreement. Any dispute under this Agreement must be brought in the state and federal courts located in Houston, Harris County, Texas, and the parties hereby submit to the exclusive jurisdiction of said courts.

9. **HCDE Property.** In the event of loss, damage, or destruction of any property owned by or loaned by HCDE that is caused by Provider or Provider's representative, agent, employee, contractor, or anyone under Provider's care, supervision, custody, and/or control, Provider shall indemnify HCDE and pay to HCDE

the full value of or the full cost of repair or replacement of such property, whichever is greater, within thirty (30) days of Provider's receipt of written notice of HCDE's determination of the amount due. If Provider fails to make timely payment, HCDE may obtain such money from Provider by any means permitted by law, including, without limitation, offset or counterclaim against any money otherwise due to Provider by HCDE.

10. **Indemnification.** PROVIDER SHALL INDEMNIFY AND HOLD HCDE HARMLESS FROM ALL CLAIMS, LIABILITIES, COSTS, SUITS OF LAW OR IN EQUITY, EXPENSES, ATTORNEYS' FEES, FINES, PENALTIES OR DAMAGES ARISING FROM THE ACTS OR OMISSIONS OF PROVIDER, PROVIDER'S EMPLOYEES, AGENTS, CONTRACTORS, OR ANYONE UNDER PROVIDER'S CARE, SUPERVISION, CUSTODY, OR CONTROL, IN CONNECTION WITH THIS AGREEMENT. Provider's obligations under this clause shall survive expiration or termination of this Agreement.

11. **Interpretation**. Provider agrees that the normal rules of construction that require that any ambiguities in this Agreement are to be construed against the drafter shall not be employed in the interpretation of this Agreement.

12. **IRS W-9.** In order to receive payment under this Agreement, Provider shall have a current I.R.S. W-9 Form on file with HCDE.

13. **No Agency or Endorsements.** HCDE and Provider are independent contractors and have no power or authority to assume or create any obligation or responsibility on behalf of the other party. This Agreement shall not be construed or deemed an endorsement of a specific company or product. It is the intention of the parties that Provider is independent of HCDE and is not an employee, agent, joint venturer, or partner of HCDE, and nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee, agent, joint venturer or partner, between HCDE and Provider or HCDE and any of Provider's agents. Provider agrees that HCDE has no responsibility for any conduct of any of Provider's employees, agents, representatives, contractors, subcontractors, or anyone under Provider's care, supervision, custody, or control.

14. **Notice.** Any notice provided under the terms of this Agreement by either party to the other shall be in writing and shall be given by hand-delivery or by certified or registered mail, return receipt requested. Notice shall be sufficient if made or addressed as follows:

    HCDE

    Pasadena, Texas 77502

    Notice shall be deemed effective upon receipt. Each party may change the address at which notice may be sent to that party by giving notice of such change to the other party by certified or registered mail, return receipt requested.

15. **Records Retention.** Provider shall maintain its records and accounts in a manner that shall assure a full accounting for all services provided by Provider under this Agreement. These records and accounts shall

be retained by Provider and made available for audit by HCDE for a period of not less than two (2) years from the date of completion of the services, receipt of the goods, or the date of the receipt by HCDE of Provider's final invoice or claim for payment in connection with this Agreement, whichever is later. If an audit has been announced, Provider shall retain its records and accounts until such audit has been completed.

16. **Right to Audit.** HCDE, upon written notice, shall have the right to audit all of Provider's records and accounts relating to this Agreement. Records subject to audit shall include, but are not limited to, records which may have a bearing on matters of interest to HCDE in connection with the Agreement and shall be open to inspection and subject to audit and/or reproduction by HCDE or its authorized representative(s) to the extent necessary to adequately permit evaluation and verification of: (a) Provider's compliance with this Agreement and the requirements of the solicitation, (b) compliance with provisions for computing billings, attendance records, and other documents submitted to HCDE, and/or (c) any other matters related to this Agreement.

17. **Safety.** Provider, its subcontractors, and their respective employees shall comply fully with all applicable federal, state, and local safety and health laws, ordinances, rules, and regulations in the performance of services under this Agreement, including, without limitation, those promulgated by HCDE, EHS, or HHS. In case of conflict, the most stringent safety requirements shall govern. Provider shall comply with all other safety guidelines and standards as required by HCDE. Provider shall indemnify and hold HCDE harmless from and against all claims, demands, suits, actions, judgments, fines, penalties, and liability of every kind arising from the breach of Provider's obligations under this provision.

18. **Severability.** In the event that any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Agreement shall be construed as if such invalid, illegal, or unenforceable provision had never been contained in it.
19. **Subcontractors.** If Provider uses subcontractors in the performance of any part of this Agreement, Provider shall be fully responsible to HCDE for all acts and omissions of the subcontractors just as Provider is responsible for Provider's own acts and omissions. Nothing in this Agreement shall create for the benefit of any such subcontractor any contractual relationship between HCDE and any such subcontractor, nor shall it create any obligation on the part of HCDE to pay or to see to the payment of any moneys due any such subcontractor except as may otherwise be required by law.

20. **Taxes.** HCDE is tax-exempt, and HCDE shall not pay taxes for goods and/or services provided under this Agreement. Provider represents and warrants that it shall pay all taxes or similar amounts resulting from this Agreement, including, without limitation, any federal, state, or local income, sales or excise taxes of Provider or its employees. HCDE shall not be liable for any taxes resulting from this Agreement.

21. **Tax Responsibilities of Provider and Indemnification for Taxes.** Provider and all subcontractor(s) of Provider shall pay all federal, state, and local taxes applicable to their operation and any persons employed by Provider and all subcontractors of Provider. Provider shall require all subcontractors to hold HCDE harmless from any responsibility for taxes, damages, and interest. If applicable, contributions required under federal, state, and/or local laws and regulations and any other costs including, but not limited to, transaction privilege taxes, unemployment compensation insurance, Social Security, and Worker's Compensation, shall be the sole responsibility of Provider.

22. **Third Parties.** Neither this Agreement, nor any provision or term hereof, nor any inclusion by reference shall be construed as being for the benefit of any party not in signatory hereto.

23. **Waiver.** No failure on the part of either party at any time to require the performance by the other party of any term hereof shall be taken or held to be a waiver of such term or in any way affect such party's right to

enforce such term, and no waiver on the part of either party of any term hereof shall be taken or held to be a waiver of any other term hereof or the breach thereof. No waiver, alteration, or modification of any of the provisions of this Contract shall be binding unless in writing and signed by duly authorized representatives of the parties hereto.

IN WITNESS HEREOF, HCDE and Provider have executed this Agreement to be effective on the date specified in Article IV, 1. Term, above.

The exceptions to payments made by HCDE and/or Provider listed in Texas Government Code § 2251.002 shall apply to this Agreement.

7. **Reimbursements.** HCDE may reimburse Provider for the costs of expenses incurred by Provider in the course of gaining and/or maintaining compliance with EHS-CC program requirements and/or increasing the quality of Provider's EHS Child Care program. HCDE, in its sole discretion, may approve or disapprove Provider's request(s) for reimbursements under this Section.

8. **Training.** HCDE shall provide training to Provider prior to participation in the EHS Child Care program. HCDE shall provide Provider's EHS teachers with ongoing training, professional development plans, coaching, and mentoring, including providing technical assistance and training to Provider's teachers throughout the CDA credentialing process. The Parties may renew this Agreement by written agreement for up to four (4) additional terms of no more than one (1) year increments. All services must be completed during the effective dates of the Agreement.

2. **Termination of Contract.** This Agreement shall remain in effect until (1) the Agreement expires by its terms or (2) the Agreement is terminated by mutual agreement of HCDE and Provider. In the event of a

breach or default of the Agreement and/or the procurement solicitation by Provider, HCDE reserves the right to enforce the performance of the Agreement and/or the procurement solicitation in any manner prescribed by law or deemed to be in the best interest of HCDE. HCDE further reserves the right to terminate the Agreement immediately in the event Provider fails to: (1) meet schedules, deadlines, and/or delivery dates within the time specified in this Agreement, the procurement solicitation, and/or set by HCDE; (2) comply with EHS program requirements, HSPPS, HHS Standards, or DFPS Minimum Standards; (3) maintain all required licenses, certifications, permits, or other required documentation; or (4) otherwise perform in accordance with this Agreement and/or the procurement solicitation. HCDE also reserves the right to terminate the Agreement immediately, with written notice to Provider, if HCDE believes, in its sole discretion, that it is in the best interest of HCDE to do so. Provider agrees that HCDE shall not be liable for damages in the event that HCDE declares Provider to be in default or breach of this Agreement and/or the procurement solicitation. Provider further agrees that upon termination of the Agreement for any reason, Provider shall, in good faith and with reasonable cooperation, aid in the transition to any new arrangement and/or Provider.

ARTICLE V: GENERAL PROVISIONS

1. **Amendment.** No amendment of this Agreement shall be permitted unless first approved in writing by HCDE, and no such amendments shall have any effect unless and until a written amendment to this Agreement is executed by HCDE's Superintendent or its Assistant Superintendent for Business Services (or their designees) after any necessary approvals have been obtained from the HCDE Board of Trustees.

2. **Assignment of Agreement.** Provider may not assign this Agreement or any of its rights, duties, or obligations hereunder without the prior written approval of HCDE. Any attempted assignment of this Agreement by Provider shall be null and void. Any obligation, responsibility, or requirement imposed on Provider or HCDE property provided to Provider under this Agreement may not be transferred, assigned, subcontracted, mortgaged, pledged, or otherwise disposed of or encumbered in any way by Provider without the prior written approval of HCDE. Provider is required to notify HCDE when any material change in operations occurs, including but not limited to, changes to or revocation of required licenses, certifications, permits, or other documentation necessary to perform this Agreement; bankruptcy; material changes in financial condition; change of ownership; and the like, within three (3) business days of such change.

3. **Captions.** The captions herein are for convenience and identification purposes only, are not an integral part hereof, and are not to be considered in the interpretation of any part hereof.

4. **Entire Agreement.** This Agreement, the procurement solicitation issued by HCDE, and Provider's proposal submitted in response to HCDE's procurement solicitation (RFP #20/039YR), and the attached and incorporated addendum or exhibits, including, but not limited to Exhibit A, contain the entire agreement of the parties relative to the purpose(s) of the Agreement and supersede any other representations, agreements, arrangements, negotiations, or understanding, oral or written, between the parties to this Agreement. In the event of a conflict between this Agreement and the procurement solicitation issued by HCDE or Provider's proposal submitted in response to HCDE's procurement solicitation, this Agreement shall control. In the event of a conflict between the procurement solicitation issued by HCDE and Provider's proposal submitted in response to HCDE's procurement solicitation, HCDE's procurement solicitation shall control. This Agreement supersedes any conflicting terms and conditions on any purchase or work orders, invoices, checks, order acknowledgements, forms, or similar documents relating hereto and which may be issued by Provider after the Effective Date of this Agreement.

5. **Equal Opportunity.** It is the policy of HCDE not to discriminate on the basis of race, color, National origin, gender, limited English proficiency or handicapping conditions in its programs. Provider agrees not to discriminate against any employee or applicant for employment to be employed in the performance of

this Agreement, with respect to hire, tenure, terms, conditions and privileges of employment, or a matter directly or indirectly related to employment, because of age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification) or race, color, religion, national origin, or ancestry. Provider further agrees that every subcontract entered into for the performance of this Agreement shall contain a provision requiring non-discrimination in employment herein specified, binding upon each subcontractor. Breach of this covenant may be regarded as a material breach of the Agreement.

6. **Force Majeure.** Neither HCDE or Provider shall be deemed to have breached any provision of this Agreement as a result of any delay, failure in performance, or interruption of service resulting directly or indirectly from acts of God, network failures, acts of civil or military authorities, civil disturbances, wars, energy crises, fires, transportation contingencies, interruptions in third-party telecommunications or Internet equipment or service, other catastrophes, or any other occurrences which are reasonably beyond such party's control. The parties to this Agreement are required to use due caution and preventive measures to protect against the effects of force majeure, and the burden of proving that a force majeure event has occurred shall rest on the party seeking relief under this provision. The party seeking relief due to force majeure is required to promptly notify the other party in writing, citing the details of the force majeure event and relief sought, and shall resume performance immediately after the obstacles to performance caused by a force majeure event have been removed, provided the Agreement has not been terminated. Delay or failure of performance, by either party to this Agreement, caused solely by a force majeure event, shall be excused for the period of delay caused solely by the force majeure event. Neither party shall have any claim for damages against the other resulting from delays caused solely by force majeure. Notwithstanding any other provision of this Agreement, in the event the Provider's performance of its obligations under this Agreement is delayed or stopped by a force majeure event, HCDE shall have the option to terminate this Agreement. This section shall not be interpreted as to limit or otherwise modify any of HCDE's contractual, legal, or equitable rights.

7. **Non-Appropriation.** Notwithstanding any other provision of this Agreement or obligation imposed on HCDE by this Agreement, HCDE shall have the right to terminate this Agreement without default or liability to Provider resulting from such termination, effective as of the end of any fiscal year of HCDE or of HCDE's Early Head Start program, if it is determined by HCDE, in HCDE's sole discretion, that there are insufficient funds to extend this Agreement, in accordance with Texas Local Government Code 271.903 concerning non-appropriation of funds for multi-year contracts. HCDE anticipates it will receive Early Head Start grant funds from the United States Department of Health and Human Services in an amount equal to the cost of services to be provided under this Agreement. Provider further acknowledges that federal funds will be used to make all payments and pay for all of HCDE's obligations under this Agreement and that this Agreement is subject to appropriation and approval of an Early Head Start Grant by the United States federal government for the specific purpose of providing Early Head Start services in east and northeast Harris County. Notwithstanding anything to the contrary in this Agreement, this Agreement is contingent on HCDE receiving such funds. If HCDE does not receive sufficient funding to operate the Early Head Start program, HCDE may terminate this Agreement or reduce the scope of services provided under this Agreement, in HCDE's sole discretion, without penalty or further obligation to Provider, at any time upon written notice to Provider.

8. **Governing Law and Venue.** The laws of the State of Texas, without regard to its provisions on conflicts of laws, govern this Agreement. Any dispute under this Agreement must be brought in the state and federal courts located in Houston, Harris County, Texas, and the parties hereby submit to the exclusive jurisdiction of said courts.

9. **HCDE Property.** In the event of loss, damage, or destruction of any property owned by or loaned by HCDE that is caused by Provider or Provider's representative, agent, employee, contractor, or anyone under Provider's care, supervision, custody, and/or control, Provider shall indemnify HCDE and pay to HCDE

the full value of or the full cost of repair or replacement of such property, whichever is greater, within thirty (30) days of Provider's receipt of written notice of HCDE's determination of the amount due. If Provider fails to make timely payment, HCDE may obtain such money from Provider by any means permitted by law, including, without limitation, offset or counterclaim against any money otherwise due to Provider by HCDE.

10. **Indemnification.** PROVIDER SHALL INDEMNIFY AND HOLD HCDE HARMLESS FROM ALL CLAIMS, LIABILITIES, COSTS, SUITS OF LAW OR IN EQUITY, EXPENSES, ATTORNEYS' FEES, FINES, PENALTIES OR DAMAGES ARISING FROM THE ACTS OR OMISSIONS OF PROVIDER, PROVIDER'S EMPLOYEES, AGENTS, CONTRACTORS, OR ANYONE UNDER PROVIDER'S CARE, SUPERVISION, CUSTODY, OR CONTROL, IN CONNECTION WITH THIS AGREEMENT. Provider's obligations under this clause shall survive expiration or termination of this Agreement.

11. **Interpretation**. Provider agrees that the normal rules of construction that require that any ambiguities in this Agreement are to be construed against the drafter shall not be employed in the interpretation of this Agreement.

12. **IRS W-9.** In order to receive payment under this Agreement, Provider shall have a current I.R.S. W-9 Form on file with HCDE.

13. **No Agency or Endorsements.** HCDE and Provider are independent contractors and have no power or authority to assume or create any obligation or responsibility on behalf of the other party. This Agreement shall not be construed or deemed an endorsement of a specific company or product. It is the intention of the parties that Provider is independent of HCDE and is not an employee, agent, joint venturer, or partner of HCDE, and nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee, agent, joint venturer or partner, between HCDE and Provider or HCDE and any of Provider's agents. Provider agrees that HCDE has no responsibility for any conduct of any of Provider's employees, agents, representatives, contractors, subcontractors, or anyone under Provider's care, supervision, custody, or control.

14. **Notice.** Any notice provided under the terms of this Agreement by either party to the other shall be in writing and shall be given by hand-delivery or by certified or registered mail, return receipt requested. Notice shall be sufficient if made or addressed as follows:

    HCDE
    Attention: James Colbert, Jr., County School Superintendent
    6300 Irvington Blvd.

    Crosby, Texas 77532

    Notice shall be deemed effective upon receipt. Each party may change the address at which notice may be sent to that party by giving notice of such change to the other party by certified or registered mail, return receipt requested.

15. **Records Retention.** Provider shall maintain its records and accounts in a manner that shall assure a full accounting for all services provided by Provider under this Agreement. These records and accounts shall

be retained by Provider and made available for audit by HCDE for a period of not less than two (2) years from the date of completion of the services, receipt of the goods, or the date of the receipt by HCDE of Provider's final invoice or claim for payment in connection with this Agreement, whichever is later. If an audit has been announced, Provider shall retain its records and accounts until such audit has been completed.

16. **Right to Audit.** HCDE, upon written notice, shall have the right to audit all of Provider's records and accounts relating to this Agreement. Records subject to audit shall include, but are not limited to, records which may have a bearing on matters of interest to HCDE in connection with the Agreement and shall be open to inspection and subject to audit and/or reproduction by HCDE or its authorized representative(s) to the extent necessary to adequately permit evaluation and verification of: (a) Provider's compliance with this Agreement and the requirements of the solicitation, (b) compliance with provisions for computing billings, attendance records, and other documents submitted to HCDE, and/or (c) any other matters related to this Agreement.

17. **Safety.** Provider, its subcontractors, and their respective employees shall comply fully with all applicable federal, state, and local safety and health laws, ordinances, rules, and regulations in the performance of services under this Agreement, including, without limitation, those promulgated by HCDE, EHS, or HHS. In case of conflict, the most stringent safety requirements shall govern. Provider shall comply with all other safety guidelines and standards as required by HCDE. Provider shall indemnify and hold HCDE harmless from and against all claims, demands, suits, actions, judgments, fines, penalties, and liability of every kind arising from the breach of Provider's obligations under this provision.

18. **Severability.** In the event that any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Agreement shall be construed as if such invalid, illegal, or unenforceable provision had never been contained in it.
19. **Subcontractors.** If Provider uses subcontractors in the performance of any part of this Agreement, Provider shall be fully responsible to HCDE for all acts and omissions of the subcontractors just as Provider is responsible for Provider's own acts and omissions. Nothing in this Agreement shall create for the benefit of any such subcontractor any contractual relationship between HCDE and any such subcontractor, nor shall it create any obligation on the part of HCDE to pay or to see to the payment of any moneys due any such subcontractor except as may otherwise be required by law.

20. **Taxes.** HCDE is tax-exempt, and HCDE shall not pay taxes for goods and/or services provided under this Agreement. Provider represents and warrants that it shall pay all taxes or similar amounts resulting from this Agreement, including, without limitation, any federal, state, or local income, sales or excise taxes of Provider or its employees. HCDE shall not be liable for any taxes resulting from this Agreement.

21. **Tax Responsibilities of Provider and Indemnification for Taxes.** Provider and all subcontractor(s) of Provider shall pay all federal, state, and local taxes applicable to their operation and any persons employed by Provider and all subcontractors of Provider. Provider shall require all subcontractors to hold HCDE harmless from any responsibility for taxes, damages, and interest. If applicable, contributions required under federal, state, and/or local laws and regulations and any other costs including, but not limited to, transaction privilege taxes, unemployment compensation insurance, Social Security, and Worker's Compensation, shall be the sole responsibility of Provider.

22. **Third Parties.** Neither this Agreement, nor any provision or term hereof, nor any inclusion by reference shall be construed as being for the benefit of any party not in signatory hereto.

23. **Waiver.** No failure on the part of either party at any time to require the performance by the other party of any term hereof shall be taken or held to be a waiver of such term or in any way affect such party's right to

enforce such term, and no waiver on the part of either party of any term hereof shall be taken or held to be a waiver of any other term hereof or the breach thereof. No waiver, alteration, or modification of any of the provisions of this Contract shall be binding unless in writing and signed by duly authorized representatives of the parties hereto.

IN WITNESS HEREOF, HCDE and Provider have executed this Agreement to be effective on the date specified in Article IV, 1. Term, above.

2. **Termination of Contract.** This Agreement shall remain in effect until (1) the Agreement expires by its terms or (2) the Agreement is terminated by mutual agreement of HCDE and Provider. In the event of a breach or default of the Agreement and/or the procurement solicitation by Provider, HCDE reserves the right to enforce the performance of the Agreement and/or the procurement solicitation in any manner prescribed by law or deemed to be in the best interest of HCDE. HCDE also reserves the right to terminate the Agreement immediately, with written notice to Provider, if HCDE believes, in its sole discretion, that it is in the best interest of HCDE to do so. Provider agrees that HCDE shall not be liable for damages in the event that HCDE declares Provider to be in default or breach of this Agreement and/or the procurement solicitation. Provider further agrees that upon termination of the Agreement for any reason, Provider shall, in good faith and with reasonable cooperation, aid in the transition to any new arrangement and/or Provider.

ARTICLE V: GENERAL PROVISIONS

1. **Amendment.** No amendment of this Agreement shall be permitted unless first approved in writing by HCDE, and no such amendments shall have any effect unless and until a written amendment to this Agreement is executed by HCDE's Superintendent or its Assistant Superintendent for Business Services (or their designees) after any necessary approvals have been obtained from the HCDE Board of Trustees.

2. **Assignment of Agreement.** Provider may not assign this Agreement or any of its rights, duties, or obligations hereunder without the prior written approval of HCDE. Any attempted assignment of this Agreement by Provider shall be null and void. Any obligation, responsibility, or requirement imposed on Provider or HCDE property provided to Provider under this Agreement may not be transferred, assigned, subcontracted, mortgaged, pledged, or otherwise disposed of or encumbered in any way by Provider without the prior written approval of HCDE. Provider is required to notify HCDE when any material change in operations occurs, including but not limited to, changes to or revocation of required licenses, certifications, permits, or other documentation necessary to perform this Agreement; bankruptcy; material changes in financial condition; change of ownership; and the like, within three (3) business days of such change.

3. **Captions.** The captions herein are for convenience and identification purposes only, are not an integral part hereof, and are not to be considered in the interpretation of any part hereof.

4. **Entire Agreement.** This Agreement, the procurement solicitation issued by HCDE, and Provider's proposal submitted in response to HCDE's procurement solicitation (RFP #21/029IA), and the attached and incorporated addendum or exhibits, including, but not limited to Exhibit A, contain the entire agreement of the parties relative to the purpose(s) of the Agreement and supersede any other representations, agreements, arrangements, negotiations, or understanding, oral or written, between the parties to this Agreement. In the event of a conflict between this Agreement and the procurement solicitation issued by HCDE or Provider's proposal submitted in response to HCDE's procurement solicitation, this Agreement shall control. In the event of a conflict between the procurement solicitation issued by HCDE and Provider's proposal submitted in response to HCDE's procurement solicitation, HCDE's procurement solicitation shall control. This Agreement supersedes any conflicting terms and conditions on any purchase or work orders, invoices, checks, order acknowledgements, forms, or similar documents relating hereto and which may be issued by Provider after the Effective Date of this Agreement.

5. **Equal Opportunity.** It is the policy of HCDE not to discriminate on the basis of race, color, National origin, gender, limited English proficiency or handicapping conditions in its programs. Provider agrees not to discriminate against any employee or applicant for employment to be employed in the performance of this Agreement, with respect to hire, tenure, terms, conditions and privileges of employment, or a matter directly or indirectly related to employment, because of age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification) or race, color, religion, national origin, or ancestry. Provider further agrees that every subcontract entered into for the performance of this Agreement shall contain a provision requiring non-discrimination in employment herein specified, binding upon each subcontractor. Breach of this covenant may be regarded as a material breach of the Agreement.

6. **Force Majeure.** Neither HCDE or Provider shall be deemed to have breached any provision of this Agreement as a result of any delay, failure in performance, or interruption of service resulting directly or indirectly from acts of God, network failures, acts of civil or military authorities, civil disturbances, wars, energy crises, fires, transportation contingencies, interruptions in third-party telecommunications or Internet equipment or service, other catastrophes, or any other occurrences which are reasonably beyond such party's control. The parties to this Agreement are required to use due caution and preventive measures to protect against the effects of force majeure, and the burden of proving that a force majeure event has occurred shall rest on the party seeking relief under this provision. The party seeking relief due to force majeure is required to promptly notify the other party in writing, citing the details of the force majeure event and relief sought, and shall resume performance immediately after the obstacles to performance caused by a force majeure event have been removed, provided the Agreement has not been terminated. Delay or failure of performance, by either party to this Agreement, caused solely by a force majeure event, shall be excused for the period of delay caused solely by the force majeure event. Neither party shall have any claim for damages against the other resulting from delays caused solely by force majeure. Notwithstanding any other provision of this Agreement, in the event the Provider's performance of its obligations under this Agreement is delayed or stopped by a force majeure event, HCDE shall have the option to terminate this Agreement. This section shall not be interpreted as to limit or otherwise modify any of HCDE's contractual, legal, or equitable rights.

7. **Non-Appropriation.** Notwithstanding any other provision of this Agreement or obligation imposed on HCDE by this Agreement, HCDE shall have the right to terminate this Agreement without default or liability to Provider resulting from such termination, effective as of the end of any fiscal year of HCDE or of HCDE's Early Head Start program, if it is determined by HCDE, in HCDE's sole discretion, that there are insufficient funds to extend this Agreement, in accordance with Texas Local Government Code 271.903 concerning non-appropriation of funds for multi-year contracts. HCDE anticipates it will receive Early Head Start grant funds from the United States Department of Health and Human Services in an amount equal to the cost of services to be provided under this Agreement. Provider further acknowledges that federal funds will be used to make all payments and pay for all of HCDE's obligations under this Agreement and that this Agreement is subject to appropriation and approval of an Early Head Start Grant by the United States federal government for the specific purpose of providing Early Head Start services in east and northeast Harris County. Notwithstanding anything to the contrary in this Agreement, this Agreement is contingent on HCDE receiving such funds. If HCDE does not receive sufficient funding to operate the Early Head Start program, HCDE may terminate this Agreement or reduce the scope of services provided under this Agreement, in HCDE's sole discretion, without penalty or further obligation to Provider, at any time upon written notice to Provider.

8. **Governing Law and Venue.** The laws of the State of Texas, without regard to its provisions on conflicts of laws, govern this Agreement. Any dispute under this Agreement must be brought in the state and federal courts located in Houston, Harris County, Texas, and the parties hereby submit to the exclusive jurisdiction of said courts.

9. **HCDE Property.** In the event of loss, damage, or destruction of any property owned by or loaned by HCDE that is caused by Provider or Provider's representative, agent, employee, contractor, or anyone under Provider's care, supervision, custody, and/or control, Provider shall indemnify HCDE and pay to HCDE the full value of or the full cost of repair or replacement of such property, whichever is greater, within thirty (30) days of Provider's receipt of written notice of HCDE's determination of the amount due. If Provider fails to make timely payment, HCDE may obtain such money from Provider by any means permitted by law, including, without limitation, offset or counterclaim against any money otherwise due to Provider by HCDE.

10. **Indemnification.** PROVIDER SHALL INDEMNIFY AND HOLD HCDE HARMLESS FROM ALL CLAIMS, LIABILITIES, COSTS, SUITS OF LAW OR IN EQUITY, EXPENSES, ATTORNEYS' FEES, FINES, PENALTIES OR DAMAGES ARISING FROM THE ACTS OR OMISSIONS OF PROVIDER, PROVIDER'S EMPLOYEES, AGENTS, CONTRACTORS, OR ANYONE UNDER PROVIDER'S CARE, SUPERVISION, CUSTODY, OR CONTROL, IN CONNECTION WITH THIS AGREEMENT. Provider's obligations under this clause shall survive expiration or termination of this Agreement.

11. **Interpretation**. Provider agrees that the normal rules of construction that require that any ambiguities in this Agreement are to be construed against the drafter shall not be employed in the interpretation of this Agreement.

12. **IRS W-9.** In order to receive payment under this Agreement, Provider shall have a current I.R.S. W-9 Form on file with HCDE.

13. **No Agency or Endorsements.** HCDE and Provider are independent contractors and have no power or authority to assume or create any obligation or responsibility on behalf of the other party. This Agreement shall not be construed or deemed an endorsement of a specific company or product. It is the intention of the parties that Provider is independent of HCDE and is not an employee, agent, joint venturer, or partner of HCDE, and nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee, agent, joint venturer or partner, between HCDE and Provider or HCDE and any of Provider's agents. Provider agrees that HCDE has no responsibility for any conduct of any of Provider's employees, agents, representatives, contractors, subcontractors, or anyone under Provider's care, supervision, custody, or control.

14. **Notice.** Any notice provided under the terms of this Agreement by either party to the other shall be in writing and shall be given by hand-delivery or by certified or registered mail, return receipt requested. Notice shall be sufficient if made or addressed as follows:

15. **Records Retention.** Provider shall maintain its records and accounts in a manner that shall assure a full accounting for all services provided by Provider under this Agreement. These records and accounts shall be retained by Provider and made available for audit by HCDE for a period of not less than two (2) years from the date of completion of the services, receipt of the goods, or the date of the receipt by HCDE of Provider's final invoice or claim for payment in connection with this Agreement, whichever is later. If an audit has been announced, Provider shall retain its records and accounts until such audit has been completed.

16. **Right to Audit.** HCDE, upon written notice, shall have the right to audit all of Provider's records and accounts relating to this Agreement. Records subject to audit shall include, but are not limited to, records which may have a bearing on matters of interest to HCDE in connection with the Agreement and shall be open to inspection and subject to audit and/or reproduction by HCDE or its authorized representative(s) to the extent necessary to adequately permit evaluation and verification of: (a) Provider's compliance with this Agreement and the requirements of the solicitation, (b) compliance with provisions for computing billings, attendance records, and other documents submitted to HCDE, and/or (c) any other matters related to this Agreement.

17. **Safety.** Provider, its subcontractors, and their respective employees shall comply fully with all applicable federal, state, and local safety and health laws, ordinances, rules, and regulations in the performance of services under this Agreement, including, without limitation, those promulgated by HCDE, EHS, or HHS. In case of conflict, the most stringent safety requirements shall govern. Provider shall comply with all other safety guidelines and standards as required by HCDE. Provider shall indemnify and hold HCDE harmless from and against all claims, demands, suits, actions, judgments, fines, penalties, and liability of every kind arising from the breach of Provider's obligations under this provision.

18. **Severability.** In the event that any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Agreement shall be construed as if such invalid, illegal, or unenforceable provision had never been contained in it.
19. **Subcontractors.** If Provider uses subcontractors in the performance of any part of this Agreement, Provider shall be fully responsible to HCDE for all acts and omissions of the subcontractors just as Provider is responsible for Provider's own acts and omissions. Nothing in this Agreement shall create for the benefit of any such subcontractor any contractual relationship between HCDE and any such subcontractor, nor shall it create any obligation on the part of HCDE to pay or to see to the payment of any moneys due any such subcontractor except as may otherwise be required by law.

20. **Taxes.** HCDE is tax-exempt, and HCDE shall not pay taxes for goods and/or services provided under this Agreement. Provider represents and warrants that it shall pay all taxes or similar amounts resulting from this Agreement, including, without limitation, any federal, state, or local income, sales or excise taxes of Provider or its employees. HCDE shall not be liable for any taxes resulting from this Agreement.

21. **Tax Responsibilities of Provider and Indemnification for Taxes.** Provider and all subcontractor(s) of Provider shall pay all federal, state, and local taxes applicable to their operation and any persons employed by Provider and all subcontractors of Provider. Provider shall require all subcontractors to hold HCDE harmless from any responsibility for taxes, damages, and interest. If applicable, contributions required under federal, state, and/or local laws and regulations and any other costs including, but not limited to, transaction privilege taxes, unemployment compensation insurance, Social Security, and Worker's Compensation, shall be the sole responsibility of Provider.

22. **Third Parties.** Neither this Agreement, nor any provision or term hereof, nor any inclusion by reference shall be construed as being for the benefit of any party not in signatory hereto.

23. **Waiver.** No failure on the part of either party at any time to require the performance by the other party of any term hereof shall be taken or held to be a waiver of such term or in any way affect such party's right to enforce such term, and no waiver on the part of either party of any term hereof shall be taken or held to be a waiver of any other term hereof or the breach thereof. No waiver, alteration, or modification of any of the provisions of this Contract shall be binding unless in writing and signed by duly authorized representatives of the parties hereto.

IN WITNESS HEREOF, HCDE and Provider have executed this Agreement to be effective on the date specified in Article IV, 1. Term, above.

HCDE also reserves the right to terminate the Agreement immediately, with written notice to Provider, if HCDE believes, in its sole discretion, that it is in the best interest of HCDE to do so. Provider agrees that HCDE shall not be liable for damages in the event that HCDE declares Provider to be in default or breach of this Agreement and/or the procurement solicitation. Provider further agrees that upon termination of the Agreement for any reason, Provider shall, in good faith and with reasonable cooperation, aid in the transition to any new arrangement and/or Provider.

ARTICLE V: GENERAL PROVISIONS

1. **Amendment.** No amendment of this Agreement shall be permitted unless first approved in writing by HCDE, and no such amendments shall have any effect unless and until a written amendment to this Agreement is executed by HCDE's Superintendent or its Assistant Superintendent for Business Services (or their designees) after any necessary approvals have been obtained from the HCDE Board of Trustees.

2. **Assignment of Agreement.** Provider may not assign this Agreement or any of its rights, duties, or obligations hereunder without the prior written approval of HCDE. Any attempted assignment of this Agreement by Provider shall be null and void. Any obligation, responsibility, or requirement imposed on Provider or HCDE property provided to Provider under this Agreement may not be transferred, assigned, subcontracted, mortgaged, pledged, or otherwise disposed of or encumbered in any way by Provider without the prior written approval of HCDE. Provider is required to notify HCDE when any material change in operations occurs, including but not limited to, changes to or revocation of required licenses, certifications, permits, or other documentation necessary to perform this Agreement; bankruptcy; material changes in financial condition; change of ownership; and the like, within three (3) business days of such change.

3. **Captions.** The captions herein are for convenience and identification purposes only, are not an integral part hereof, and are not to be considered in the interpretation of any part hereof.

4. **Entire Agreement.** This Agreement, the procurement solicitation issued by HCDE, and Provider's proposal submitted in response to HCDE's procurement solicitation RFP#21/029IA, and the attached and incorporated addendum or exhibits, including, but not limited to Exhibit A, contain the entire agreement of the parties relative to the purpose(s) of the Agreement and supersede any other representations, agreements, arrangements, negotiations, or understanding, oral or written, between the parties to this Agreement. In the event of a conflict between this Agreement and the procurement solicitation issued by HCDE or Provider's proposal submitted in response to HCDE's procurement solicitation, this Agreement shall control. In the event of a conflict between the procurement solicitation issued by HCDE and Provider's proposal submitted in response to HCDE's procurement solicitation, HCDE's procurement solicitation shall control. This Agreement supersedes any conflicting terms and conditions on any purchase or work orders, invoices, checks, order acknowledgements, forms, or similar documents relating hereto and which may be issued by Provider after the Effective Date of this Agreement.

5. **Equal Opportunity.** It is the policy of HCDE not to discriminate on the basis of race, color, National origin, gender, limited English proficiency or handicapping conditions in its programs. Provider agrees not to discriminate against any employee or applicant for employment to be employed in the performance of this Agreement, with respect to hire, tenure, terms, conditions and privileges of employment, or a matter directly or indirectly related to employment, because of age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification) or race, color, religion, national origin, or ancestry. Provider further agrees that every subcontract entered into for the performance of this Agreement shall contain a provision requiring non-discrimination in employment herein specified, binding upon each subcontractor. Breach of this covenant may be regarded as a material breach of the Agreement.

6. **Force Majeure.** Neither HCDE or Provider shall be deemed to have breached any provision of this Agreement as a result of any delay, failure in performance, or interruption of service resulting directly or indirectly from acts of God, network failures, acts of civil or military authorities, civil disturbances, wars, energy crises, fires, transportation contingencies, interruptions in third-party telecommunications or Internet equipment or service, other catastrophes, or any other occurrences which are reasonably beyond such party's control. The parties to this Agreement are required to use due caution and preventive measures to protect against the effects of force majeure, and the burden of proving that a force majeure event has occurred shall rest on the party seeking relief under this provision. The party seeking relief due to force majeure is required to promptly notify the other party in writing, citing the details of the force majeure event and relief sought, and shall resume performance immediately after the obstacles to performance caused by a force majeure event have been removed, provided the Agreement has not been terminated. Delay or failure of performance, by either party to this Agreement, caused solely by a force majeure event, shall be excused for the period of delay caused solely by the force majeure event. Neither party shall have any claim for damages against the other resulting from delays caused solely by force majeure. Notwithstanding any other provision of this Agreement, in the event the Provider's performance of its obligations under this Agreement is delayed or stopped by a force majeure event, HCDE shall have the option to terminate this Agreement. This section shall not be interpreted as to limit or otherwise modify any of HCDE's contractual, legal, or equitable rights.

7. **Non-Appropriation.** Notwithstanding any other provision of this Agreement or obligation imposed on HCDE by this Agreement, HCDE shall have the right to terminate this Agreement without default or liability to Provider resulting from such termination, effective as of the end of any fiscal year of HCDE or of HCDE's Early Head Start program, if it is determined by HCDE, in HCDE's sole discretion, that there are insufficient funds to extend this Agreement, in accordance with Texas Local Government Code 271.903 concerning non-appropriation of funds for multi-year contracts. HCDE anticipates it will receive Early Head Start grant funds from the United States Department of Health and Human Services in an amount equal to the cost of services to be provided under this Agreement. Provider further acknowledges that federal funds will be used to make all payments and pay for all of HCDE's obligations under this Agreement and that this Agreement is subject to appropriation and approval of an Early Head Start Grant by the United States federal government for the specific purpose of providing Early Head Start services in east and northeast Harris County. Notwithstanding anything to the contrary in this Agreement, this Agreement is contingent on HCDE receiving such funds. If HCDE does not receive sufficient funding to operate the Early Head Start program, HCDE may terminate this Agreement or reduce the scope of services provided under this Agreement, in HCDE's sole discretion, without penalty or further obligation to Provider, at any time upon written notice to Provider.

8. **Governing Law and Venue.** The laws of the State of Texas, without regard to its provisions on conflicts of laws, govern this Agreement. Any dispute under this Agreement must be brought in the state and federal courts located in Houston, Harris County, Texas, and the parties hereby submit to the exclusive jurisdiction of said courts.

9. **HCDE Property.** In the event of loss, damage, or destruction of any property owned by or loaned by HCDE that is caused by Provider or Provider's representative, agent, employee, contractor, or anyone under Provider's care, supervision, custody, and/or control, Provider shall indemnify HCDE and pay to HCDE the full value of or the full cost of repair or replacement of such property, whichever is greater, within thirty (30) days of Provider's receipt of written notice of HCDE's determination of the amount due. If Provider fails to make timely payment, HCDE may obtain such money from Provider by any means permitted by law, including, without limitation, offset or counterclaim against any money otherwise due to Provider by HCDE.

10. **Indemnification.** PROVIDER SHALL INDEMNIFY AND HOLD HCDE HARMLESS FROM ALL CLAIMS, LIABILITIES, COSTS, SUITS OF LAW OR IN EQUITY, EXPENSES, ATTORNEYS' FEES, FINES, PENALTIES OR DAMAGES ARISING FROM THE ACTS OR OMISSIONS OF PROVIDER, PROVIDER'S EMPLOYEES, AGENTS, CONTRACTORS, OR ANYONE UNDER PROVIDER'S CARE, SUPERVISION, CUSTODY, OR CONTROL, IN CONNECTION WITH THIS AGREEMENT. Provider's obligations under this clause shall survive expiration or termination of this Agreement.

11. **Interpretation**. Provider agrees that the normal rules of construction that require that any ambiguities in this Agreement are to be construed against the drafter shall not be employed in the interpretation of this Agreement.

13. **No Agency or Endorsements.** HCDE and Provider are independent contractors and have no power or authority to assume or create any obligation or responsibility on behalf of the other party. This Agreement shall not be construed or deemed an endorsement of a specific company or product. It is the intention of the parties that Provider is independent of HCDE and is not an employee, agent, joint venturer, or partner of HCDE, and nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee, agent, joint venturer or partner, between HCDE and Provider or HCDE and any of Provider's agents. Provider agrees that HCDE has no responsibility for any conduct of any of Provider's employees, agents, representatives, contractors, subcontractors, or anyone under Provider's care, supervision, custody, or control.

15. **Records Retention.** Provider shall maintain its records and accounts in a manner that shall assure a full accounting for all services provided by Provider under this Agreement. These records and accounts shall be retained by Provider and made available for audit by HCDE for a period of not less than two (2) years from the date of completion of the services, receipt of the goods, or the date of the receipt by HCDE of Provider's final invoice or claim for payment in connection with this Agreement, whichever is later. If an audit has been announced, Provider shall retain its records and accounts until such audit has been completed.

16. **Right to Audit.** HCDE, upon written notice, shall have the right to audit all of Provider's records and accounts relating to this Agreement. Records subject to audit shall include, but are not limited to, records which may have a bearing on matters of interest to HCDE in connection with the Agreement and shall be open to inspection and subject to audit and/or reproduction by HCDE or its authorized representative(s) to the extent necessary to adequately permit evaluation and verification of: (a) Provider's compliance with this Agreement and the requirements of the solicitation, (b) compliance with provisions for computing billings, attendance records, and other documents submitted to HCDE, and/or (c) any other matters related to this Agreement.

17. **Safety.** Provider, its subcontractors, and their respective employees shall comply fully with all applicable federal, state, and local safety and health laws, ordinances, rules, and regulations in the performance of services under this Agreement, including, without limitation, those promulgated by HCDE, EHS, or HHS. In case of conflict, the most stringent safety requirements shall govern. Provider shall comply with all other safety guidelines and standards as required by HCDE. 18. **Severability.** In the event that any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Agreement shall be construed as if such invalid, illegal, or unenforceable provision had never been contained in it.
19. **Subcontractors.** If Provider uses subcontractors in the performance of any part of this Agreement, Provider shall be fully responsible to HCDE for all acts and omissions of the subcontractors just as Provider is responsible for Provider's own acts and omissions. Nothing in this Agreement shall create for the benefit of any such subcontractor any contractual relationship between HCDE and any such subcontractor, nor shall it create any obligation on the part of HCDE to pay or to see to the payment of any moneys due any such subcontractor except as may otherwise be required by law.

21. **Tax Responsibilities of Provider and Indemnification for Taxes.** Provider and all subcontractor(s) of Provider shall pay all federal, state, and local taxes applicable to their operation and any persons employed by Provider and all subcontractors of Provider. Provider shall require all subcontractors to hold HCDE harmless from any responsibility for taxes, damages, and interest. If applicable, contributions required under federal, state, and/or local laws and regulations and any other costs including, but not limited to, transaction privilege taxes, unemployment compensation insurance, Social Security, and Worker's Compensation, shall be the sole responsibility of Provider.

22. **Third Parties.** Neither this Agreement, nor any provision or term hereof, nor any inclusion by reference shall be construed as being for the benefit of any party not in signatory hereto.

23. **Waiver.** No failure on the part of either party at any time to require the performance by the other party of any term hereof shall be taken or held to be a waiver of such term or in any way affect such party's right to enforce such term, and no waiver on the part of either party of any term hereof shall be taken or held to be a waiver of any other term hereof or the breach thereof. No waiver, alteration, or modification of any of the provisions of this Contract shall be binding unless in writing and signed by duly authorized representatives of the parties hereto.

Dear Trustees:

We are pleased to present the Harris County Department of Education's (the Department or "HCDE") Annual Budget for fiscal year 2025-2026. This budget presents the Department's financial and operations plan.

Introduction

In accordance with State requirements, we are presenting our projected budget to the Board of Trustees and to the Harris County community. We encourage you and our citizens to engage in positive dialogue in fine tuning our budget proposal. Given the limited resources, our staff has developed a financial plan for the 2025-2026 General Fund, Debt Service Fund, Enterprise Fund, Capital Projects Fund, and Internal Service Fund Budgets. The development, review, and consideration of the 2025-2026 budget were completed with a detailed review of every revenue and expenditure item within the context of the Department's mission, goals, and financial policies. This document provides information on each of the fund budgets. In addition, we also provide information about our projected grants, which are accounted as Special Revenue Funds.

The primary purpose of this document is to provide timely and useful information concerning the past, current, and projected financial status of the Department, to facilitate financial decisions that support the educational goals of the Department. This budget's focus is the improvement of HCDE divisions with the fiscal resources available to the Department. This budget addresses the essential needs of the Department by directing resources to those areas that will assist our staff in carrying out the mission of HCDE.

With this budget, we are continuing to use our performance-based budgeting model. Our conservative process focuses on evaluating programs and initiatives for efficiencies while considering current resources. Moreover, two variables are then reviewed during our SWOT Analysis Review (Strengths, Weaknesses, Opportunities & Threats Analysis), which includes (1) to determine the fee structure for our clients and (2) the level of taxation based on the property values projected to be received from the Harris County Appraisal District.

The HCDE Accountability System has been used as the basis for this performance-based budgeting model. This is the fourteenth year using goals, objectives, and performance measures to plan the budget. This budget document is the first step towards achieving these goals. It includes sound, prudent fiscal policies that will ensure the continuity of the Department.

About Harris County Department of Education

Harris County Department of Education (HCDE), one source for all learners, is a highly successful educational resource in the Houston Metroplex, is a nonprofit tax-assisted organization dedicated to the equalization of educational opportunity and to the advancement of public schools. HCDE has been serving the county's public schools for 136 years.

HCDE is in Harris County in the upper Gulf Coast region of Texas, approximately 50 miles from the Gulf of Mexico. Harris County, Texas with over 5 million people, is the third most populous county in the United States and houses the fourth largest city in the country. Harris County's population base includes a wide variety of racial, ethnic, and socio-economic groups that give the area a rich diversity and cosmopolitan feel. In Texas, the second largest county is Dallas with 2.68 million people.

Harris County and the Houston metropolitan area comprise a leading region of business development in the nation. Houston continues to be a leader in oil and gas, aerospace, industrial engineering, and medical research, but diversification is fueling the local economy. The County's major hospitals, many of these concentrated just south of downtown Houston in the Texas Medical Center, offer world-class facilities for general and specialized medical needs. Houston is the fourth largest city in the nation and is a leader in numerous industries including oil & gas, manufacturing, healthcare services and engineering.

There are 25 public school districts located either entirely or partially within Harris County, as well as charter, private, and parochial schools. HCDE impacts the educational community through visionary leadership, shared resources, and innovative programs.

HCDE Mission Statement
Harris County Department of Education supports Harris County by enriching educational opportunities and providing value through services.

Department Goals:

1. Impact education by responding to the evolving needs of Harris County.
2. Deliver value to Harris County by utilizing resources in an ethical, transparent, and fiscally responsible manner.
3. Advocate for all learners by using innovative methods to maximize students' potential.
4. Provide cost-savings to school districts by leveraging tax dollars.
5. Recruit and maintain high-quality staff.

In the reaching of these goals, HCDE is a public entity dedicated to helping meet the needs of uniquely challenged learners and school staff through innovative programing and support services. HCDE directly and indirectly serves approximately 101,797 students with four alternative campuses, therapy services provided in local schools, 16 Head Start centers for early childhood education, after-school programming in dozens of community and school settings, the largest adult education program in Texas, and other programs. HCDE also supports educators and staff through a diversity of programs and operational support, which will be presented in more detail in this document.

Each HCDE Division has objectives directly associated with the Department's goals, that are measured annually by the HCDE Accountability System. The Performance Measures are in four constructs:

1. Service Delivery
2. Client Satisfaction
3. Compliance
4. Financial Objectives

Budget Process and Significant Changes

Legal Requirements in Preparing the Budget

The Texas Education Code requires that a local education agency prepare a budget of anticipated expenditures and revenues on or before August 20th. The Board is required to adopt a budget before August 31st. The budget must be itemized in detail according to classification (object) and purpose of expenditure (function) and be prepared according to General Accepted Accounting Principles.

The budget must be legally adopted before the adoption of the tax rate. The president of the Board of Trustees must call a public meeting of the Board of Trustees giving ten days public notice in a newspaper for the adoption of the budget. Any taxpayer within the Department's taxing authority, may be present and participate in the meeting. The budget must be adopted by the Board of Trustees, inclusive of budget amendments no later than August 31st.

Budget Development Process

The budget development process comprises three stages: planning, preparation, and evaluation. The first phase, planning, involves defining the mission, goals, and objectives of campuses, divisions, and the Department. This initial phase took place from September 2024 and lasted until the middle of January 2025.

Once these plans and programs have been established, the preparation phase of budgeting begins by allocating resources to support them. This phase took place in the second quarter of 2025 with several training sessions. Every division started assigning resources and gathering the data.

Evaluation is the last step of the Department's budget cycle, in which information is compiled and analyzed to assess the performance of each individual division and campus, as well as the Department as a whole. During April and May, the data was analyzed, organized, and summarized in the Board Budget Committee Workbook. After several internal review sessions, evaluations, and adjustments, the Administration prepared a Board Budget Book to be presented to the Board Budget Committee on June 18, 2025.

The Human Resources Department played an important role assisting the Business Support Services in the budget process as they developed salary budgets utilizing established staffing guidelines. On June 24th, the Board of Trustees will review a final compensation proposal for adoption and to be implemented on September 1st, 2025.

Amending the Budget

A budget is an estimate of planned expenditures and expected revenues. Many changes can take place between estimating for the proposed budget in March and April and the start of the new fiscal year in September. Program and operational changes will mean budget changes. These changes to the budget are made in the form of budget amendments. The Board delegates to the Superintendent or the Superintendent's designee the authority to approve budget amendments of less than $200,000 and that do not result in a change to fund balance. Budget amendments of $200,000 or more or that result in a change to fund balance shall require Board approval.

Initiatives for FY 25-26

In meeting the goals and objectives of the Board of Trustees, the Superintendent has implemented several new initiatives that will enhance the relations with school districts while maintaining a positive business model. Fiscal results and projections include this new planned objective, and the major initiatives include a focus of six major enhancements to program and services to include:

1. Maintaining a positive business model while delivering high quality services.
2. Enhancing HCDE's Special Schools by investing in talent and recruitment.
3. Invest in talent and recruitment and implement recruitment and retention plans.

4. Implement leadership training for Head Start Center Managers
5. Continue to invest in marketing strategies and campaign awareness.
6. Continuing our competitive edge to enhance services to school districts.
7. Implement a staff technology refresh

To this objective, our financial plan encompasses the major elements: (1) the enhancement of local revenues through projected contract commitments that will be presented to the Board during the summer, (2) a review and implementation of program-based budgeting to seek internal efficiencies and budget reductions, (3) the recommendation of competitive salaries and (4) tax revenues due to the adoption of a rate of $.004798 per $100 valuation.

Included in the budget are **11.6** new positions aimed at enhancing our capabilities to meet the Department's needs in Business Services, Procurement, and Information Technology; and to enhance our fee revenue stream for School Based Therapy Services, and Choice Partners.

In specific, our operations plan includes the following program enhancements:

1. Wage increase: **2%** for all General Fund, Internal Service Fund, Choice employees, plus TASB suggested adjustments. For Special Revenue Funds, the grant and the granting agency will determine if the fund is able to adsorb the salary increase. The cost of the increase is **$1,297,945**
2. An additional **$300,000** for the Teacher Supplies program to the Education Foundation.
3. School Based Therapy Program will receive additional **(4.6) FTEs** to increase the level of service to School Districts around the County due to additional service demand. The cost is **$287,627** and reduction of $246, 421 for 2.6 OT reduced.
   additional local tax subsidy is budgeted in the amount of **$200,000 and $104,000** respectively.
4. One Art Teacher for the High Point East Campus in the amount of **$93,071.**
5. One Instructional Coach for Special Schools in the amount of **$100,651.**
6. One FTE (Logistics Coordinator), One FTE (Cooperative Coordinator), One (Senior Contract Manager), and One (Contract Billing Specialist) are being added to the Choice Partners to address the growth in the cooperative usage. The cost is **$366,576.**
7. One Food Services Clerk for the Fortis Academy in the amount of **$44,570.**
8. The cost of health insurance cost increase for employees only high-deductible premium will continue to be covered by the department. The cost is **$280,000 (estimated prior to TRS rates to be released)**
9. The Department has also included the continuation of the lobbying cost commitment previously approved by the Board of Trustees. The cost is **$276,000.**
10. The budget includes **$3,882,929** for the payment of debt service payments to include the 2024 maintenance note.
11. One time fund balance use of **$934,560** for a gas generator for the Irvington Building.
12. The budget is based on adopting a tax rate that will bring in more revenue to address revenue loss and implementation of new initiatives such as the campaign awareness and costs associated with talent recruitment and compensation recruitment and retention plan. The **estimated tax rate of $.004798** will be adopted, and this is below the voter-approval tax rate ("VAR"). Public hearings and notices were required to adopt the tax rate. This rate is key to the funding of the operations plan for the current year.

Accountability and Performance Measures of Business Models

The department has established an accountability model for all divisions, and performance and sustainability are included by division on the Division Section of this document. HCDE has a positive business model for each type of division.

Each division must be identified as an enterprise activity, a support activity, a service delivery activity, or a grant activity.

An **enterprise division** utilizes a business model which aims at being profitable with no tax subsidy. This includes Choice Partners Cooperative.

A **service delivery division** utilizes a business model which aims at providing a high-quality service at a reasonable price with the use of tax resources to lower the economic to the districts in Harris County. Districts that are out of the county are charged additional premium on the fee and/or the overall cost of the program. This includes divisions such as Center for Educator Success, Center for Safe Schools, Therapy Services, AB Schools, Highpoint Schools, Fortis Academy and Records Management.

A **grant division** utilizes a business model that aims at administering a federal, state or local grant. HCDE's policy is to include indirect cost in the grant proposal to support the general operation of these grants. Furthermore, some grants require an in-kind or local match, and the department will utilize multiple means to achieve the match. Major grant divisions include Head Start, Adult Ed, and CASE Afterschool Program.

A **support division** utilizes a business model which aims to provide administrative support and technical services to all other activities in the department. Support divisions include Human Resources, Business, Procurement, Technology, Facilities, and Capital Projects and Misc Support.

The Department's Proprietary Funds are the Internal Service Fund and the Enterprise Fund. The Internal Service Fund consists of two funds: The Worker's Compensation Fund and the Facilities Support Charges. For the Worker's Compensation Fund, the Department participated in a partially self-funded pool, originally approved by the Board in the fiscal year 2005. Since 2016-2017, the Department moved to a fully funded program. Claims administration, loss control, and consultant services will be provided for by worker's compensation insurance company and a third-party administrator will handle the run-off claims from the previous self-insurance plan.

Internal Service Fund - Workers Compensation

The following table presents a comparison of the proposed fiscal year 2025-2026 revenues and expenditures for the Workers Compensation Fund with a comparison to fiscal year 2024-2025:

Projected Balance Ending	$ 393,116	$ 393,116	$ -

Notes: 1) While the amended FY25 Budget still includes the use of $1.5M in fund balance, revenues have exceeded the need for this use. Therefore, the expected fund balance transfer will occur in FY26, contingent on Choice Partners' realized revenues. 2) The operating revenues are net of rebates offered to members.

Balanced Budget

Per CE Local Policy, the operating budget requires a balanced budget. This means that for each fund, expenditures are not to exceed revenues plus projected one-time use fund balances. If the fund balance is used, this cost must be a one-time cost and not recurring (i.e., capital expenditures). The Department is projecting a balanced budget for fiscal year 2025-2026. Expenditures plus other financing uses amount to $79,003,357. Revenues equal $78,068,797. One-time costs total $934,560 for specific capital expenditure (Irvington Gas Generator).

We believe that the budget represents a fiscally responsible and conservative approach to the needs of the Department within the available funds. The chart below shows a historical summary and forecast of the General Fund.

Trend Analysis, All Funds

For fiscal year 2027 to 2029 forecasted figures the trend includes 3% growth in revenues and 2% in expenditures. A more detailed projection can be found in the Financial Section.

Projected Fund Balance

We are projecting that the fiscal year 2025-2026 ending General Fund balance will be **$33,311,935**. This represents a **$934,560** decrease from the projected 2024-2025 ending fund balance. The use of fund balance is for planned appropriations that are one-time in nature (i.e., construction projects and capital outlay). The amount projected is for the upgrade of the Irvington building generator.

It is the policy of the Department to maintain an unassigned fund balance equivalent to a minimum of two months of operations costs. Currently, the Department projects the desired fund balance. According to our five-year forecast, the Department will have sufficient funds to meet the CE local policy requirements but may need additional cash to fund the Special Revenue Fund since they work on a reimbursement basis.

2024 Maintenance Note Purchases

To balance the budget, the department is assigned several purchases from the 2024 Maintenance Note Budget. These are as follows:

New AB North School Planning

Based on the need to expand the range of Special Education services at our AB locations, the Department is in the process of planning a new AB North location. A feasibility study is underway, and a new Lease Revenue Bond is proposed later FY 2026 and/or early FY 2027. The cost to service this new debt of approximately $15,000,000 is entertained along with funding for land acquisition and one time use of fund balance. The additional cost of serving the debt is approximately $500,000 to $800,000 per year net due to other bonds being paid off in the next two years. The size of the school will be like AB West, and the projected cost of operations is expected to be approximately $4,500,000 with a ratio of 75% subsidy or $1,125,000 in additional tax support.

About the 2025-2026 Department Budget

Below are highlights of the Department that will provide you with a general overview of the basis of our assumptions and projections for the coming 2025-2026 fiscal year. To prepare the annual budget, HCDE develops projections for taxable value, collection rate, and expenditure levels.

Appropriation Levels

General Operating Fund –The 2025-2026 appropriation levels for the General Operating Fund are projected at $78,900,529; this represents an increase of 5.6% or $3,435,998 from 2024-2025 amended budget.

The budget process was representative of the economic environment. A series of budget meetings and reviews were conducted by the Superintendent and the Budget Committee to achieve this budget. Transfers-out to other funds amounted to $5,955,076 in fiscal year 2025-2026 composed of the CASE

local match of $550,787, the Head Start local match of $200,000, OMNY Award Grants to divisions at $198,000, the Debt Service transfer at $3,882,929 and capital projects for $934,560.

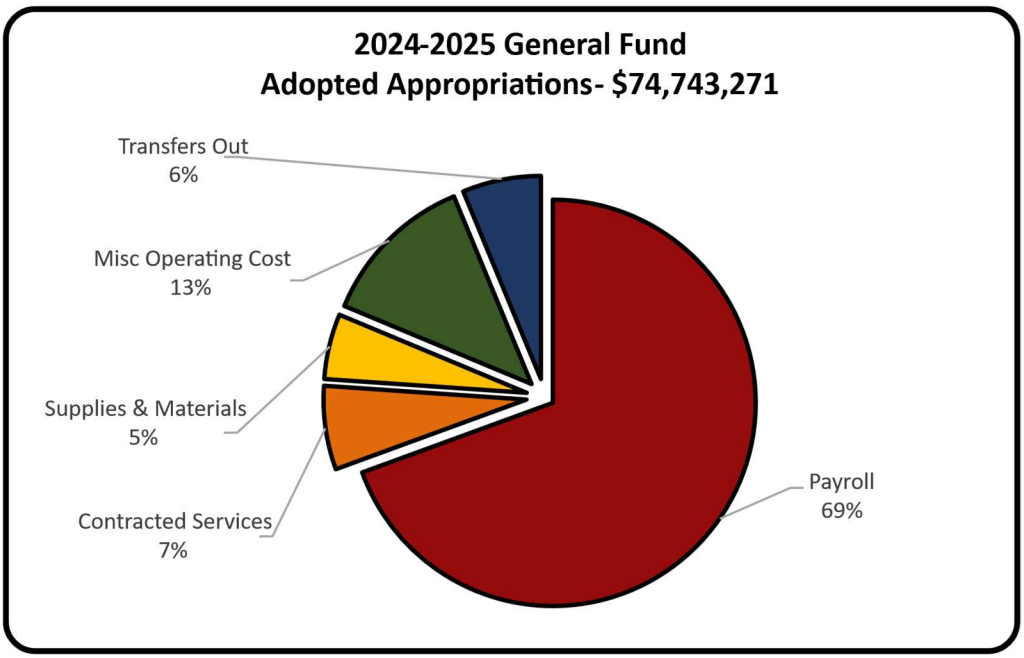
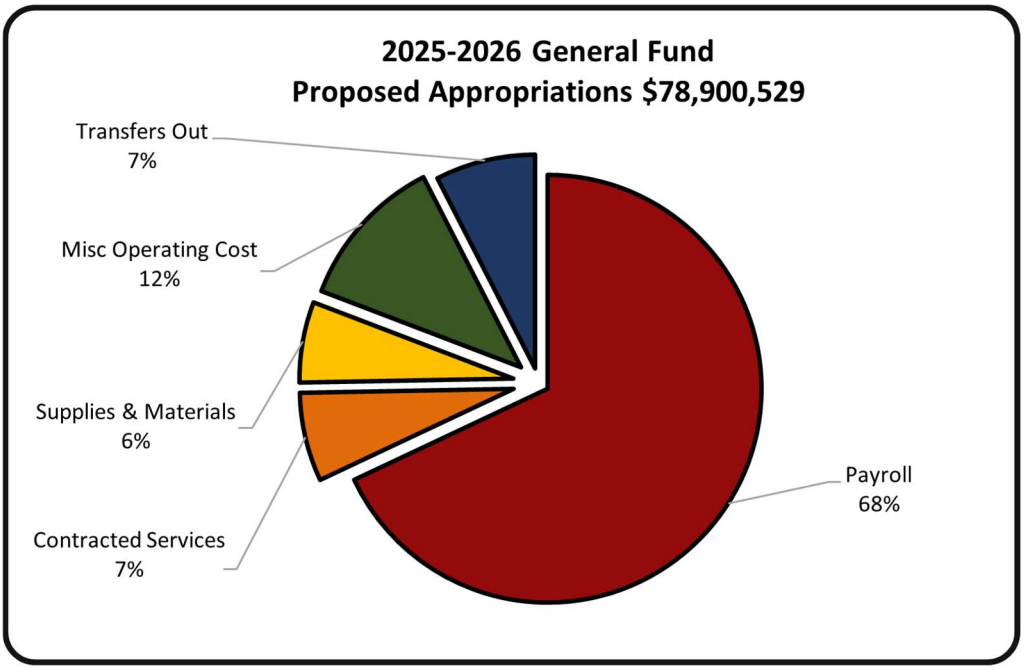
In the following charts, please find a comparison of the appropriation for the previous year's budget and the current year's budget.





Debt Service Fund – The Department budgeted $3,882,929 in appropriations for fiscal year 2025-2026. Resources in the Debt Service Fund must be used to pay for general long-term debt principal and interest for debt issues and other long-term debts for which revenues are dedicated from the General Fund.

Currently the Department has approximately $58 million plus a premium of $24.8 million in debt including:

- PFC Lease Revenue bonds for $26.2 million outstanding for the construction of the 2020 Capital improvement Plan that included new buildings for HP East, AB East, Adult Education Center. For these projects, the General Fund contributed $5.7 million.
- Series 2020 HCDE Maintenance Note for $13.8 million for the renovation of the Ronald Reagan building, equipment for the Adult Ed Center, equipment and other resources for AB East, Highpoint East buildings, and other equipment and renovation costs.
- New Series 2024 HCDE Maintenance Note for 15.1 million to continue renovation and repair on existing facilities throughout the Department.
- Previous PFC Lease bond for a remaining value of $740,000.
- The amount of premium and other resources used from the bond sale was $1.4 million.

Special Revenues Funds – Appropriations for these funds are restricted to or designated for specific purposes by a grantor. For fiscal year 2025-2026, the Department's appropriation is $43,637,357. The Department provides information to the Board of Trustees on all Department grants, as the Notice of Grant Awards (NOGA) are received, the estimated revenues and appropriations are adjusted to reflect the awarded grant budget. These grants have restrictions placed by grantors.

Revenue Levels

Revenue estimates are based upon a variety of demographic and tax information. Estimating revenue from the two major sources, customer fees and local property taxes, are critical to the budget.

The Department estimates total General Operating Fund revenues of $78,068,797 for the 2025-2026 fiscal year. Customer fees are projected to be $28,392,015 or 36% of the estimated revenues. Tax

revenues are projected to be $33,117,193 or 42% of the estimated revenues. The remaining 21% of the revenues are indirect costs at $2,837,963; state funding $4,545,050, transfer in from Choice Partners Fund of $7,614,748 and other revenues at $1,459,000.

The recommended budget includes an increase in revenues of 4% from the amended fiscal year 2024-2025 budget for the General Fund.

The following charts present the adopted revenue levels for fiscal year 2024-2025 and the proposed revenues for fiscal year 2025-2026.

Object Code	Adopted Budget 2024-2025	Amended Budget 2024-2025	Proposed Budget 2025-2026	Percent Change

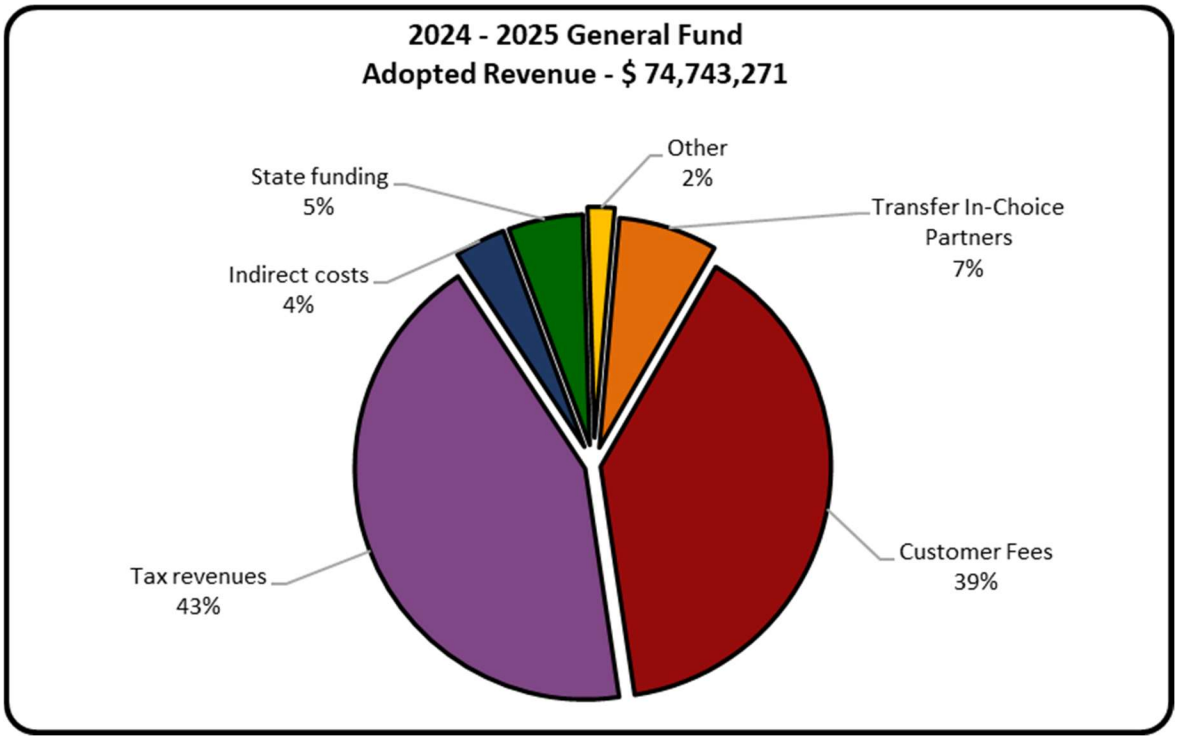
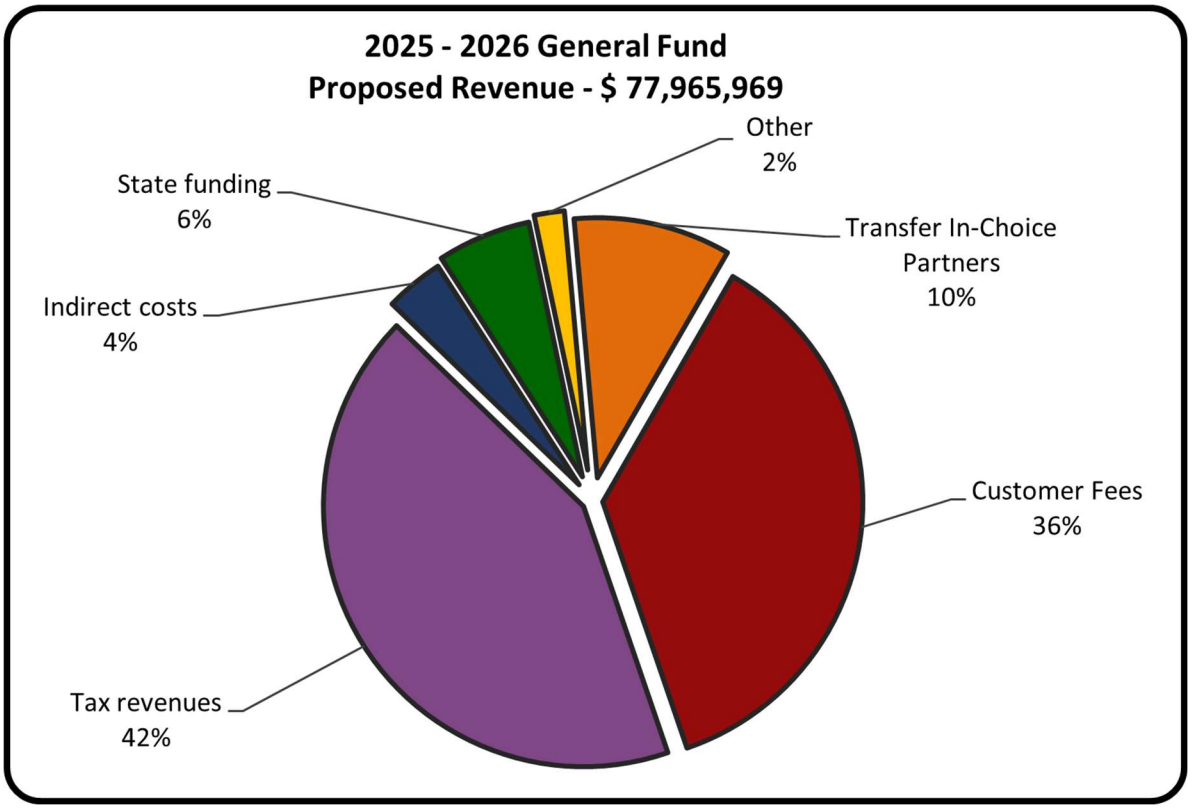
Total Revenues	$ 74,743,271	$ 75,073,531	$ 77,965,969	4%





Local Revenues

Local revenues are projected to increase by 4%. Revenues from the current year customer fees are expected to decrease by 4% from an amended budget of $29,584,702 in fiscal year 2024-2025 to a projected $28,392,015 for fiscal year 2025-2026. HCDE has increased the rates at the special schools by 1% for In-County districts and 3% for Out-of-County districts, and Therapy services rates are increased by 1%. There is no increment in the service rates from Records Management, or the Center for Safe and Secure Schools. In addition, the Department anticipates a 6% increase in tax revenues from $32,184,041 in fiscal year 2024-2025 to $33,117,193 in fiscal year 2025-2026 due to the increase in property values and the adopted tax rate. A 2% increase in values is projected based on the preliminary estimate from the Harris County Appraisal District. Also, a 100% collection was used in projecting revenues for fiscal year 2025-2026, and it is expected that this rate will be realized for the fiscal year.

Tax Rate – Effective January 1st, 2020, the State Legislature approved SB3 that included change in terminology for tax rates and tax rate calculations. The new terminology is as follows: Effective Tax Rate – Now called “No-New-Revenue Tax Rate”. Roll Back Tax Rate – Now called “Voter Approval Tax Rate”. In addition, the calculation was changed as the new law requires us to use the average of three-year collection rates.

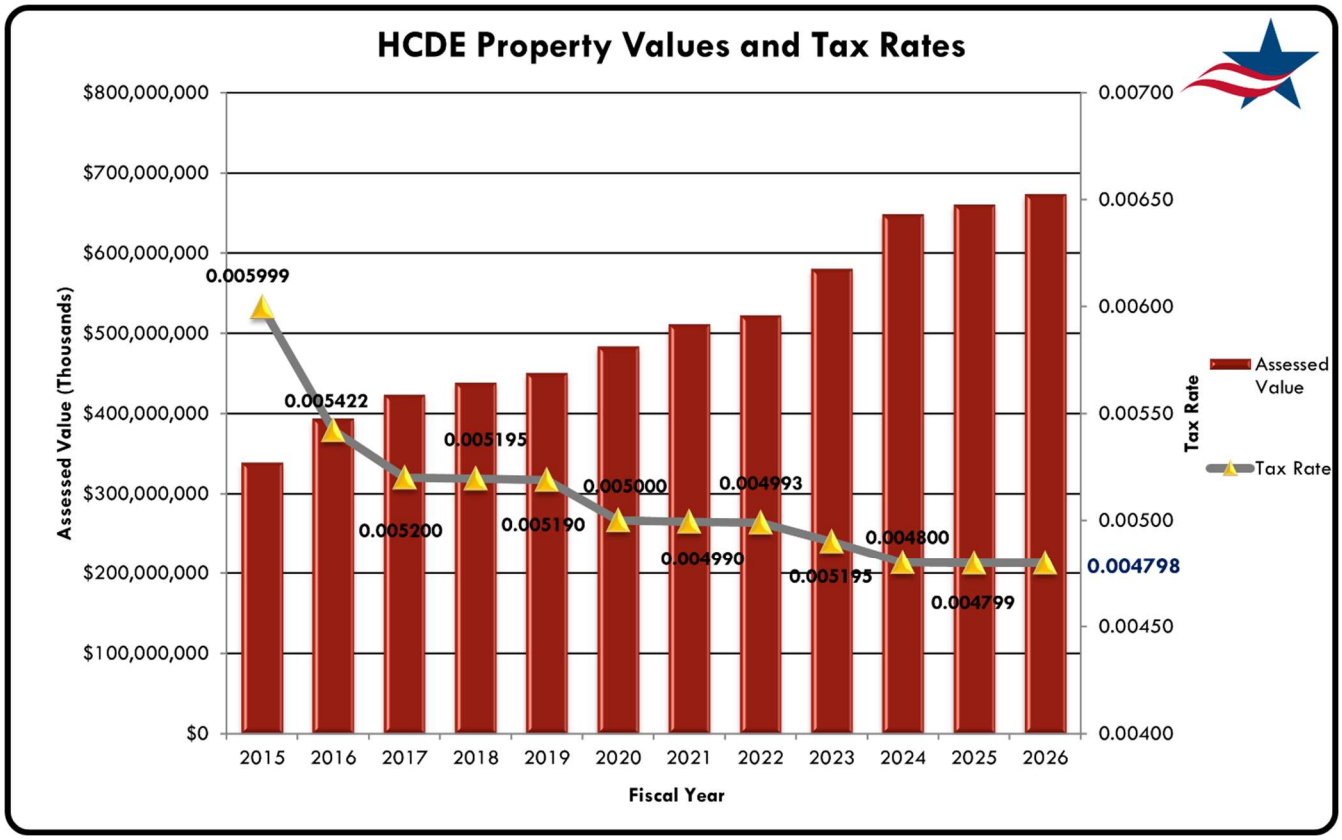
Based on the taxable value, the Department must project the level of taxation that will generate adequate funds to provide funds to meet Department obligations while keeping in mind the ability of local taxpayers to pay their taxes. The Harris County Tax Office calculated the no-new-revenue tax rate (“NNRR”), formerly called the effective tax rate. The adopted tax rate for HCDE fiscal year 2024-2025 was less than the NNRR, which was calculated at $.0048 for fiscal year 2024-2025, and less than the voter approved rate (VAR) calculated at $.005259.

Throughout the budget process, we used the current tax rate and the projected values to estimate the level of local effort. Upon receiving the certified values and the NNRR calculation from the Harris County Tax Assessor—Collector, the tax rate proposal will be developed and presented to the board in accordance with the truth in taxation law. Current revenue projections and tax rates are based on projected values and current rates. Projections will be recalculated in accordance with State tax regulations.

Taxable Value – The Harris County Appraisal District certifies the taxable value from which the Department begins to develop the estimates for local tax revenues. The certified valuations of net taxable value for the 2024-2025 fiscal year (tax year 2024) are **$659,594,771,715** (based on HCAD report updated 4/11/2025). This was a decline of $6B from the original certified values at the time of tax rate adoption. A budget amendment was approved to reduce the revenues in FY 2025 and adjust the expenditures for FY 2025.

For the tax-year 2025, the Preliminary Property Values Estimate is **$673 Billion** (based on uncertified value as of 4/30/2025), which is an increase of $13,429,378,362 or 1.99%. The preliminary range is between **$673 and $709** billion. The final certified value is expected on August 25th. The adjacent chart illustrates the 10-year taxable value history of the Department. The Department is also continuing the Over 65 & Disabled Exemption from $275,000 to $320,000 with an estimated impact of $634,370 at the current rate.

Tax Collections – The collections percentage used to estimate the tax revenues is 100%. This is a realistic approach given the trend of the Department's collections effort and the projected tax increase.



In the chart above, the tax rate has been reducing as the property values for the Harris County have increased. As the population in the Harris County has grown, new areas have been developed with new construction and new businesses.

Other Tax Revenues

The Department does not have any other local taxes or collections. Harris County Department of Education does not receive sales tax, franchise taxes or any other taxes. It does charge fees for services for various activities. The following are general fee charges by the various divisions.

Fees for Services

School based therapy services are provided to school districts which contract with HCDE to provide occupational therapists. The rates based are based whether the district is within the county boundaries or outside of the boundaries. The fees range from $520 to $570 per day. The sustainability of this model has been identified as locally supported activity which is assisted by property taxes. There is a 1% increase over last year's rates.

Special school services are provided to school districts which contract with HCDE to provide services for students with behavioral and disability issues. The rates are based on whether the district is within the county boundaries or outside of the boundaries. The fees range from $8,200 (Fortis Academy – Out of County) to $29,750 (AB Schools – Out of County) per year. Since the Spring of FY 2025, Fortis Academy has suspended fees to In-County school districts to increase its enrollment. The sustainability of this model has been identified as a locally supported activity which is assisted by property taxes. There was a 1% to 3% increase in fees compared to last year.

Records management services are provided to school districts which contract with HCDE to provide services for safe keeping documents and records. Rates are based whether the district is within the county boundaries or outside of the boundaries. The fees range from $.24 to $.26 cents per box, $.25 cents per month for tape or film. Rates are lower for educational entities, and other out of County or non-educational entities require a 15% to 25% margin to reduce the cost of providing services to ISDs. There was no increase in fees compared to last year's fees.

Center for Educator Success' services are provided to school districts which contract with HCDE to provide digital training and course development. The rates are based whether the district is within the county boundaries or outside of the boundaries. The fees range from $850 to $2,000 depending on the scope of work. The sustainability of this model has been identified as locally supported activity which is assisted by property taxes. The cost per district participation in the teacher institute is $25,000 per year.

Center for Safe and Secure Schools services are provided to school districts which contract with HCDE to provide facility audits. The rates are based on whether the district is within the county boundaries or outside of the boundaries. The fees range from $1,500 to $2,400 per school. There is no increase in fees compared to last year's fees.

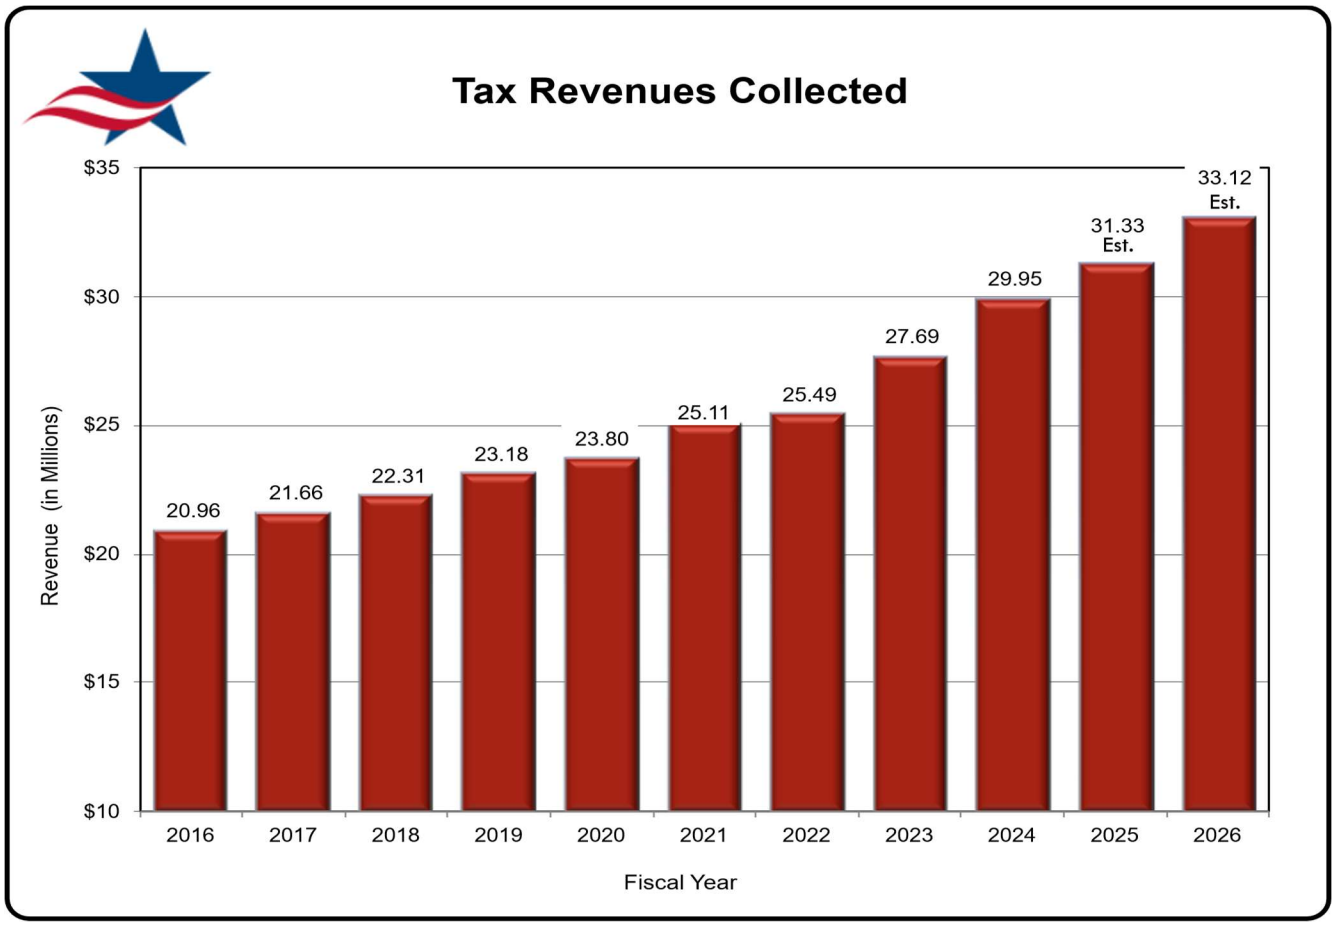
Enterprise Activity

Cooperative procurement services are provided to school districts which contract with HCDE and participate in the national cooperative – Choice Partners. The rates are paid by the vendors based on the type of commodity. The fees range from 1% to 4%. The sustainability of this model has been identified a self-sustaining activity which provides revenue to the General Fund and supports Department activities for grants and other services.

Other Local Revenue Sources

The Department has other sources of revenue. For Fiscal Year 2025-2026 the only source of other revenue is interest. Interest revenues are estimated at $1,300,000 due to the stability in interest rates for the near term.

The following chart presents the projected tax revenues and those collected in the last ten years.



Other 2025-2026 HCDE Budget Highlights

Salary Increase –
The proposed budget continues the $15 an hour minimum compensation plan and a 2% for all employees for General Fund, Facilities and Enterprise employees. HCDE plans to recruit, hire, and retain high quality staff to be able to provide the best services available in the marketplace. The new beginning teacher salary will be $75,000 which is expected to be at the highest level for the region. Grant employees are only included in the increase if the grant can absorb the cost. For the Head Start Program, a $200,000 additional transfer from General Fund will be required for FY26 to continue the $15 minimum compensation plan.

Other Payroll Highlights –
Additionally, included in the budget are **11.6** new positions which include 3.6 Occupational Therapy Assistants and 1 Music Therapist for the School Based Therapy Division, 1 FTE each for Fortis Academy, Highpoint East and Special Schools Administration. Choice Partners will have 4 additional FTEs to address growth in the division.

Workers Compensation Insurance –

The amount of $575,000 was budgeted for fiscal year 2025-2026. There are sufficient funds in the reserve account for uncertainties and to cover any runoff claims.

Transfers Out –
The transfers out increased from $5,060,256 in fiscal year 2024-2025 to $5,955,076 in fiscal year 2025-2026. The Head Start transfer is $200,000, the CASE transfer is $550,787, and the Debt Service transfer is $3,882,929.

Transfers In –
Choice Partners Cooperative is an Enterprise Fund with excess funds transferred to the General Fund to support the mission of HCDE. The total transfer (revenue to General Fund) is projected at $7,614,748.

Note: To reflect the actual events of the construction projects during fiscal year 2024-2025, the amended numbers were also adjusted to reflect expenditures over multiple years.

Going forward beyond fiscal year 2025-2026

Estimated revenues and appropriations for the next five years will depend on the ability of HCDE to remain implementing a positive business model that will maximize fee structure, grant resources, and leverage local tax dollars. The ability to remain competitive in the market relies on maintaining a

knowledgeable and expert work force, safe and secured facilities, 21st century technology, and relevant program and services that client districts and governmental entities need and seek from HCDE.

The future financial situation of HCDE would be the result of the collective Department effort to become a major player in three areas: **(1) Therapy Services**: HCDE's objective is to become the best source of therapy services for the schools in Harris County by offering competitive rates and top of the line services; (**2) Special Schools**: HCDE provides excellent services in schools designed to provide education to students with special needs. HCDE looks forward to expanding its clientele to new schools in other areas of Harris County, such is the case of the Fortis Academy; **(3) Choice Partners**: HCDE provides benefit to school districts in Harris County and other clients by complying with the procurement requirements and vendors in all service areas. Out of every transaction, the vendors that supply Choice Partners members pay a commission as revenue for Choice. After Choice expenses are covered, the remaining excess is transferred to the General Fund to fund HCDE programs that benefit our community and students.

One of HCDE main goals is recruiting, hiring, and retaining high quality staff. Regarding personnel staffing trends, HCDE maintains the minimum level of staff required to provide good quality services. The HCDE advantage is that can utilize tax revenues to provide quality services.

Acknowledgements

In fiscal year 2024-2025, the Business Office earned the Distinguished Budget Presentation Award for Budgeting from ASBO, and the Distinguished Budget Presentation Award from GFOA. This was the fourteenth submission for ASBO and the sixteenth submission for GFOA for HCDE in its history. All budget managers also were instrumental in providing timely information to the Business Office.

Uncertainty in Grants and Legislative Impact from State and Federal Governments

In projecting FY 25-26, the department took into consideration various assumptions of grant funding based on data available as of May 25, 2025. There are **two types of external variables with economic impact** that are forecasted within this budget, and major shifts in funding or policies that will affect the budget will require a budget adjustment going forward. Our staff continues to monitor legislative at the state and federal level.

Major budget impacts from State and Federal Legislation

1) State Legislation

a) The State of Texas has approved a **voucher program** that may impact the schools by reducing contracts entered with school districts. Special Schools are in the process of setting contracts for FY 2026, and we will evaluate level of contracts and adjust spending levels at our AB Schools, Highpoint and Fortis Academy.

b) Additional legislation from the State of Texas includes **increases in teacher salaries**. HCDE ability to recruit and provide a higher salary will be impacted due to the State mandated salary increases for teachers. HCDE does not receive foundation funding under HB 2, thus if increases in teacher salaries are required to compete with school districts, it will be necessary to increase our salary scale which will require additional revenue resources, Moreover, the increases in funding will alter the teacher pay scale in order to align to school district increases and to base it on years of experience and district size,

c) State Legislation is projected to be effective **Sept 1, 2025**. Current bill HB 1961 impacting HCDE is not projected to be heard in the State House of Representatives.

2) Federal Legislation

a. The federal budget is projected to be effective **October 1, 2025**, and the federal budget is currently being discussed at Congress. The department is awaiting notification of the FY

2026 allotments for adult education grant (passed through the state), the head start grant (direct allocation), and the after-school program grant (CASE which is a pass through the State).

i. Depending on the level of funding, the department may need to evaluate the level of **program delivery** and seek other funding sources in the future.

ii. Any level of reduction in grants will also have an impact on the general fund in two ways: (1) a reduction in **indirect costs** that fund local costs of implementing the grant and (2) the level of **support available for grants** in the support divisions (human resources, business, technology, and facilities).

b. Another variable from the federal budget is the implementation of **tariffs** on imported goods by the US administration. This may potentially increase the cost of operations for things such as supplies, furniture and equipment. HCDE has budgeted the same expenditure level other than payroll for FY 26, and budget adjustments may be necessary during the year due to increased costs.

c. As tariffs are implemented and not delayed, the economy continues to react and impact on the **economic activity of stocks and bonds.**

i. **Interest Earnings** - This uncertainty has created a challenge for the Federal Reserve in setting monetary policy through its Fed funds rate. The current rate is projected between 4.25% and 4.50%, and there have been talks about reduction in fed funds which would reduce the investment earnings at the lower end of the yield curve. This has been paused in the last several months, and it has created a flattening of the yield curve and increasing interest rates on the long end of the yield curve. Depending on the Federal Reserve Bank's direction, this may reduce our interest rate earnings since HCDE invests in the shorter side of the yield curve.

ii. **Choice Partners Revenues** – The implementation of additional tariffs is expected to increase the cost of goods and a potential slow down of the Choice Partners revenues as members buy less due to higher prices. However, the tariffs may also have the potential to increase the level of purchases and participation due to higher costs. The impact will be monitored to adjust spending patterns in the department and the Choice Partner Cooperative.

Final Comments

The preparation of the Department's budget is a coordination of many efforts from divisions, Research & Evaluation, Human Resources, Technology and Business Support Services. We are excited about the performance-based budgeting and look forward to FY 2025-2026. We thank the Budget Team that coordinated the wealth of information before you and we look forward to your input and feedback on our financial and operations plan.

Administrative Guidelines

Compensation Policy

Refer to board policies DEA, DEAA, and DEAB Legal and Local for all policies and state and federal regulations governing employee pay practices.

The superintendent shall recommend an annual compensation plan for all employees to the board for approval. The employee compensation plan may include wage and salary structures, stipends, benefits, and incentive pay plans.

The superintendent and designees shall administer the compensation plans consistent with board policies, the annual budget approved by the board, and these administrative guidelines.

Description of Pay Systems

Employee pay systems are designed and administered for the purpose of attracting and retaining qualified employees to achieve the goals of the department. Human Resources is responsible for the maintenance and administration of employee pay systems. Teachers will be paid according to a salary schedule that correlates salaries with total years of creditable service in education. Other jobs will be assigned to a pay grade and range structure that sets the range of pay for the position.

The pay plan includes:

- Teachers
- Administrative Exempt Staff
- Professional Support Exempt Staff
- Technology Exempt and Nonexempt Staff
- Admin Support Nonexempt Staff
- Instructional Support Nonexempt Staff
- Operations Nonexempt Staff

Pay ranges and salary schedules are reviewed and adjusted periodically. Employee pay is adjusted based on the pay increase budget and guidelines approved by the board annually.

Job Description

Job documentation is an essential function in the administration of the compensation system. Accurate and complete job documentation will be collected and maintained by Human Resources with input from job supervisors. Job descriptions will define job qualifications, job purpose, major duties and responsibilities, working conditions, and exemption status. Job titles are assigned by Human Resources to accurately reflect the level and nature of work and the departmental structure of the department.

Job descriptions will be updated by Human Resources with input from supervisors. Supervisors should review job descriptions at least every three years and at each vacancy. Employees will sign off on their job description when hired and when the job description changes, acknowledging and agreeing to the general responsibilities of the job.

Duty Calendars

Duty calendars are determined based on the business needs of the department and will align with pay cycles. The department will strive to maintain few duty calendar variations. A duty calendar will be maintained for each position.

Pay Schedule

Employees are paid semi-monthly (the 15th and the last workday of each month). Each pay period, annualized income will be equivalent to 1/24th of the annual salary. Employees who began work after the start date for their assigned position will have their pay calculated based on the number of workdays remaining in the school year. This prorated amount will be divided by the number of pay periods remaining in the school year and will become the employee's semi-monthly salary through the duration of that school year. Non-salaried employees or part-time employees who work from the 1st through the 15th of the month will receive their pay on the last workday of the month. Time worked between the 16th and the last day of the month will be paid on the 15th of the following month.

Exemption Status

All jobs will be classified as exempt or nonexempt in accordance with the requirements of the federal Fair Labor Standards Act (FLSA) and documented on the job description. Human Resources will determine the classification of each position based on a description of assigned job duties and weekly pay. In order to be exempt, the employee's primary duties must meet the requirements defined by federal regulations for the executive, administrative, professional, or computer employee exemption test or be a teacher, and the employee must meet applicable federal salary requirements. All employees who do not meet the legal requirements for exemption are classified as nonexempt.

Job Classification

Job classification determines the assigned pay range for a job. Job classification is based on job requirements, assigned duties, and market rates. All jobs are classified for pay based on the relative level of knowledge and skill requirements, scope and complexity of assigned duties, job accountability, and working conditions. Human Resources will collect job information, evaluate jobs for classification purposes, and assign jobs to pay grades.

Classification of New Positions

Prior to posting, new positions must have a written job description created collaboratively by the hiring supervisor and Human Resources. Human Resources will recommend to the superintendent the pay grade classification of new positions based on the description, qualifications required, and market value. New positions must be classified in the pay system prior to hiring new employees.

Job Reclassification

A job reclassification occurs when a job classification is changed to a higher or lower pay range. Jobs may be reclassified as a result of a significant and sustained change in job duties assigned, a need to improve internal pay equity with similar jobs, or a change in competitive market rates.

Procedures for Job Reclassification

Review of job reclassifications must be initiated by the division director or by Human Resources. Jobs previously submitted for review or FTEs added within the last school year are not eligible for review. Reviews will be conducted as follows:

A request for a job classification review must be submitted on a form provided by Human Resources that describes the rationale for reclassifying the position and provides an explanation of changes in job duties and responsibilities. The request also should include current and proposed job descriptions. The request must be approved by the division director before submitting to Human Resources.

Human Resources will review the request and obtain additional information, if needed. Additional information may be obtained from the supervisor, employee(s), and/or external job market pay data.

Human Resources will evaluate the job classification and prepare a recommendation for review by the superintendent or designee.

Salary Adjustments for Job Reclassification

A change in job classification will result in a greater or lesser potential for long-term pay advancement. Salary adjustments cannot be made for contract employees after the beginning of the contract term unless the job responsibilities have increased. Salary changes for contract employees are prohibited during the contract term. Human Resources should evaluate the need for salary adjustment for reclassified employees and use appropriate demotion or promotion procedures.

Salary placement for an employee who is reclassified will follow the guidelines for placement of a new hire with additional adjustments made as needed to achieve pay equity among peer employees.

- If the job is reclassified upward due to an increase in level of responsibilities, the procedure for promotion increases may be applied;
- If the job is reclassified due to departmental changes, there may be no immediate pay increase;
- If the job is reclassified due to a change in the competitive job market for hard-to-fill positions, equity adjustments may be made at the direction of the superintendent subject to contractual pay change restrictions;
- If the job is reclassified to a lower pay range based on a reduction in level of assigned responsibilities, the employee's pay may be reduced at the direction of the superintendent for the following school year. Refer to procedures on pay adjustments for reassignment to a lower pay grade.

General Pay Increases and Eligibility

Employee pay will be reviewed annually for adjustment. The general pay increase (GPI) may be recommended to the board by the superintendent each year. They are based on the annual amount budgeted for pay raises and approved by the board. General pay increases provide the same dollar amount of increase to employees in the same pay grade. Teachers will be granted a GPI and reflected in the hiring schedule for the next year.

To receive a general pay increase, an employee must be in a paid status or on an approved leave of absence at the time of the first pay cycle reflecting the pay increase. Eligible employees must have received satisfactory evaluation in the preceding year.

Employees on Salary Schedules

Pay increases for jobs on salary schedules are calculated by applying the percent increase approved by the board each year to the market rate.

Annual Increase Example:	
Market Rate:	$55,000
% Increase	.02
Annual Increase	$1,100

Employees on Pay Ranges

General pay increases for employees on pay ranges are calculated by applying the percent increase approved by the board each year to the midpoint rate of the pay range. Employees in the same pay grade will receive the same rate of increase when pay increases are calculated as a percent of midpoint.

Hourly Rate Increase (midpoint x %)		Annual Increase (hourly rate increase x duty hours x duty days)	
Pay Range Midpoint:	$15.00	Duty Hours:	8.0
% Increase:	.02	Duty Days:	226
Hourly Rate Increase:	$0.30	Annual Increase:	$542.40

Head Start Cost of Living Adjustments

HCDE Head Start employees receive the Cost of Living Adjustment (COLA) from the Office of Head Start (OHS). Notice of the approved increase is generally received mid-calendar year. The COLA is effective January of the current budget year. In other words, the increase is usually retroactive, dating back to January 1 of the current year or as authorized by OHS . In order to receive the COLA when the increase is applied to the payroll, an employee must be currently employed with the Head Start Division. COLA adjustments are subject to any provisions specified by OHS.

Example: If increases are calculated and applied to the September 15 payroll, then the employee must be a current employee in the Head Start Division on this date. If employment is terminated (voluntary or involuntary), or if the employee transfers to another division prior to this date, then the employee is not eligible to receive the COLA.

Individual Equity Adjustments

The Superintendent may make special equity adjustments to individual employee salaries to correct identified internal or external pay equity problems. Equity adjustments are made only on as-needed basis at the direction of the Superintendent. Equity adjustments may be made to retain an employee who is at risk due to competitive pay problems; to correct an internal pay inequity; or to compensate an employee for a significant change in job responsibilities that do not result in a job classification change. All special equity adjustments must be reported to the Board in the Human Resources Information section of the monthly board agenda by the next regular Board meeting.

Placement of New Hires

Salary Placement – Schedules for Teachers

Salaries for teachers who are new to the department will be determined by total creditable years of service in education and the department's salary schedule for the current year.

Creditable years of service will be determined by Human Resources as defined by state regulation at the time of employment (TAC Title 19, part II, 153.1021). New hires will receive salary credit for years of service up to a maximum of 30 years.

Salary Placement – Exempt and Nonexempt

Starting pay for a new hire in a pay range plan will be determined individually based on each person's job-related experience and qualifications, and salaries paid to peer employees in the same position with similar experience.

Peer equity. In multi-incumbent positions (e.g., classroom aide), starting pay for a new hire should not exceed rates being paid to other employees in the same job with similar experience and qualifications.

Placement credit for prior experience. Starting pay for exempt and nonexempt jobs that require prior experience may utilize the following guidelines for calculation, but will still be evaluated against peer equity and midpoint limits before a final amount is determined.

- *Percent increase*. Pay is calculated at 1 percent above minimum for each year of job experience directly related to job duties. Credit for teaching experience is limited to 30 years for salary placement for teachers promoted to a position that requires educator certification on the Administrative Professional pay schedule.
- *Placement scale*. Salary placement scales may be used to determine rates of pay for newly hired nonexempt employees. Individual employee placement may be based on job-related experience approved by the department. Credit will be given for years of experience granted by Human Resources based on the department's salary placement scale for nonexempt jobs. Current employees may be paid above the placement scale. Salary placement scales are reviewed and may be adjusted on an annual basis and salary advancement is not guaranteed.

Reassignments

Pay Adjustments for Reassignment to a Higher Pay Grade

A promotion occurs when an employee is moved to a different job in a higher pay grade.
Salary placement for an employee who is promoted to a job in a pay grade with a higher midpoint will follow the guidelines for placement of a new hire with additional adjustments made as needed to achieve pay equity among peer employees. Employees promoted internally will not be paid less than a new hire with similar experience.

Example of promotion from paraprofessional pay grade 1 to pay grade 2:

New Hire Pay Rate in PG 2		Minimum 3% Increase	
Employee Current Rate	$10.37	Employee Current Rate	$10.37
Credited Experience	3 years	3 Percent Increase	x 1.03
Calculated Hourly Rate	$12.00	Employee New Rate	$10.68

The higher of the two calculations becomes the new hourly rate: $12.00

Example of promotion from paraprofessional pay grade 3 to pay grade 4:

New Hire Pay Rate in PG 4		Minimum 3% Increase	
Employee Current Rate	$15.59	Employee Current Rate	$15.59
Credited Experience	7 years	3 Percent Increase	x 1.03
Calculated Hourly Rate	$16.26	Employee New Rate	$16.06

The higher of the two calculations becomes the new hourly rate: $16.26

Pay Adjustments for Reassignment to a Lower Pay Grade

Reassignment to a different job in a lower pay range is considered a demotion and a corresponding reduction in pay may result. A pay adjustment for reassignment to a lower pay range requires approval of the superintendent.

Contract employees. A reduction in pay as a result of a demotion will not be made during the current contract year, unless mutually agreed to by the employee and the department in writing. Demotions that become effective during the contract term may result in a pay reduction for the following school year provided notice of the reduction is given to the employee before the penalty-free resignation date (i.e., 45 days before the first day of instruction for the next school year). Pay reductions for contract employees are made at the direction of the superintendent and may follow the same guidelines as pay reductions for noncontract employees.

Noncontract employees. Subject to approval by the superintendent, a reduction in pay for a demotion will be made effective with the new assignment to a lower pay grade. The employee's base rate of pay (hourly or daily) may be calculated the same as a new hire's pay in the lower pay grade, with peer equity factored into the final determination.

Pay adjustments may also be made for a longer or shorter work year associated with the change in duty assignment. In the case of a demotion from a pay range structure to an experience-based placement scale, salary placement will be made according to years of experience.

Review and Adjustment of Pay Ranges

Human Resources will review pay structures annually and recommend adjustments as needed to maintain competitive alignment with external job markets and internal alignment of career pathways. Adjustments to pay ranges are made prior to the calculation of pay increases.
If no pay raise is approved by the board, no pay range adjustments will be made. Salary schedules will be adjusted only to update the years of service associated with a pay rate.

Reinstatement Following Break in Service

An employee who is rehired for the same position following a break-in-service that is less than 12 months shall be reinstated at the same pay rate previously held prior to the break-in-service, or according to the procedures for placement of new hires, whichever is greater.

If rehired at a different pay grade level or rehired following a break in service that is longer than 12 months, the employee's pay will be placed according to the procedures for placement of new hires.

Stipends and Allowances

A stipend shall not be paid to an employee unless it is part of the Board of Trustees' approved Salary Schedule for certified instructional teachers, counselors, and assistant principals. All of the following recommendations for employee stipends must be made directly to the Board: Certification, additional work duties, added assignments, or any other requests. The Superintendent is only authorized to provide allowances to employees for cell phones and travel. Refer to the Supplemental Salary Chart for supplemental pay rates approved by the Board of Trustees as part of the HCDE Salary Schedule.

General Guidelines: Job Classification Review

Job classification determines the assigned pay range for a job and is based on job requirements, assigned duties, and market rates. All jobs are classified for pay based on the relative level of knowledge and skill requirements, scope and complexity of assigned duties, job accountability, and working conditions.

A reclassification occurs when a job classification is changed to a higher or lower pay range. Job classification changes may be warranted for the following reasons:

- A substantial and sustained change in job duties assigned
- A significant change in the competitive price for the job
- Identification of an internal inequity related to other jobs

Administrative procedures should provide a process for reviewing job reclassifications. The procedures should identify:

- Who has authority to initiate a request for job reclassification
- What supporting information needs to be provided
- Who is responsible for analyzing the request and making a recommendation
- What is the timeline for receiving and completing reviews
- When is the effective date of a job reclassification
- Who has final approval authority and if there will be an option to appeal

Changing the pay grade classification for a job should be based on the work itself and not solely due to the request of the job incumbent or supervisor. Job classification changes should be limited and relatively infrequent. These infrastructure changes to the pay plan should not be a result of negotiation. Instead, changes should be based only on a review of job duties relative to other jobs in the department and market data.

Review of job reclassifications must be initiated by the division director or by Human Resources. Jobs previously submitted for review within the last 18 months and newly created jobs are usually not eligible for review.

A request for a job classification review must be submitted on a form provided by Human Resources that describes the rationale for reclassifying the position and provides an explanation of changes in job duties and responsibilities. The request must be approved by the division director before submitting to Human Resources.

Human Resources will evaluate the job reclassification and prepare a recommendation for review by the superintendent or designee.

Request for Job Classification Review

Request Date: _____ Job Title to Review: _____

Current Pay Grade: _____ Requesting Supervisor: _____

Requested Pay Grade: _____ Supervisor Job Title: _____

Job classification groups jobs of similar value into pay grades and pay ranges, and is based on the requirements of the job with the following factors taken into consideration:

- Knowledge (education and specialized experience)
- Effort (decision-making, complexity, communication responsibility)
- Responsibility (scope of impact, financial accountability, supervisory responsibility)
- Environment (exposure to hazardous working conditions)
- External Job Market Value

Requests should include a copy of the current job description and departmental chart.

1. Why do you feel that this job is assigned to the wrong pay grade level?

2. How has the job changed? What led to the change in job duties and responsibilities?

3. List core job responsibilities and percent time required for each (use additional pages if needed).

Patricia Menard

Harris County Department of Education

Dear Patricia Menard,

The TASB Risk Management Fund is pleased to provide the following proposal for renewing coverage with the Fund for the coming year. The proposal reflects the Fund's ongoing commitment to the risk-sharing partnership among its more than 1,000 members.

The Fund is the oldest and largest governmental risk pool serving Texas public schools. A 21-member board comprised of school board members, superintendents, and administrators from member districts governs the Fund. The Fund's board of trustees ensures the Fund remains financially strong and responsive to member needs. Fund programs and coverages continue to respond to the risks shared by Fund members and reflect the challenges Fund members face today.

The coverage proposal on the following pages includes terms and contribution amounts for the programs in which your organization participates. A summary of changes and updates to the Fund's Coverage Agreements is included in this proposal. You can also access coverage agreements on the Fund's website.

Please review all terms, provisions, and features of this renewal proposal. When ready, you may accept this renewal proposal by signing the Contribution & Coverage Summary (CCS) and returning it by email to me or TASBRMF@tasbrmf.org. You may also complete the electronic acceptance using the link in the renewal email sent to the designated Program Contact. All provisions and terms of this CCS, including contribution amounts, are offered by the Fund in total as indicated only; if not accepted by the member in total, please contact your underwriter for other pricing and options.

Please note that if you take no action, coverage will automatically renew under the terms of this renewal proposal. If you wish to terminate coverage, the Fund must receive written notice of termination at least 30 days prior to your renewal date. If you are unsure of your plans to renew or have questions about this renewal proposal or any aspect of your Fund membership, please contact Rosa Brown or any member of TASB's Underwriting or Marketing teams at 800.482.7276.

Thank you for your membership in the TASB Risk Management Fund and participation with all Fund members. The Fund is proud to be your partner in managing risk and serving the students and staff in your community.

Sincerely,

Workers' Compensation – Fully Funded Provisions

Benefit Limits: Workers' Compensation benefits paid to Fund Member's employees under this CCS will be as defined in the Texas Workers' Compensation Act (the Act). The Fund is responsible for claims payments as reflected in this CCS. This CCS does not cover the defense of any suit or claim against a Fund Member except a workers' compensation claim by an eligible employee or former employee of the Fund Member for the payment of statutory workers' compensation benefits.

Cooperation: The Fund Member designates the TASB Risk Management Fund as the Workers' Compensation claim administrator of record for all purposes. Fund Member agrees to use the Fund's contractors for services related to the administration of claims and to follow the Fund's election under Section 504.053 of the Labor Code to direct care through the Political Subdivision Workers' Compensation Alliance.

Claims Reporting: For Workers' Compensation claims arising during the Participation Period, the Fund Member agrees to report those claims timely and solely to the Fund. The report of Workers' Compensation claims to any other entity will waive all Fund liability under this CCS for those claims, regardless of reporting sequence. Any fines levied against the Fund for the Fund Member's failure to comply with the rules and regulations of the Act will be the Fund Member's sole responsibility.

Seasonal Benefits Adjustments: The Fund adjusts weekly workers' compensation Temporary Income Benefits (TIBS) to zero during specific holiday periods. Benefit adjustments are always made during the summer, Thanksgiving, spring, and winter breaks. Other extended holiday periods may also trigger benefit adjustments.

Program Coordinators

The Fund Member is required to designate a Program Coordinator (Coordinator) with express authority to represent and bind the Fund Member in all program matters. Below are the current Coordinators associated with the Fund Member. If a Coordinator's name and email address are not listed or the Coordinator identified needs to be updated, please provide updated information to the Fund as soon as possible or include updates in this document.

Contribution & Coverage Summary General Provisions

Coverage: This CCS, the Fund's corresponding coverage agreements and their endorsements, the Fund Member's questionnaire, the Interlocal Participation Agreement (IPA), and the documents incorporated by reference into any of those documents, all for this Participation Period, outline the coverage terms and limits.

Claims Reporting: The Fund Member will provide timely notice of all claims to the Fund as required in the IPA, the applicable Fund coverage agreement, and this CCS. The lack of timely notice may result in a loss of coverage.

Definitions: Any terms not defined in this CCS will use the definition for that term from the corresponding Fund Coverage Agreement.

Payment: The Fund Member agrees to pay contributions based on a plan developed by the Fund. All contributions are payable upon receipt of an invoice from the Fund. The Fund will determine the contribution for each program and how each contribution is applied.

Termination: In addition to any CCS-specific provisions, the IPA outlines the termination-related provisions that govern this CCS. These provisions include the following: this CCS may be terminated by either party, with termination effective at the end of the Participation Period, by giving written notice to the other party no later than 30 days before the end of the Participation Period. If the Fund Member ceases to be an Active or Associate member of the Texas Association of School Boards, Inc., this CCS will terminate at the end of the Participation Period, and the Fund will not offer a renewal CCS. If neither party terminates this CCS, any renewal CCS offered by the Fund becomes effective based on the terms of the renewal CCS and will bind the Fund Member.

.

Fund Member Authorization:

I have read, approved, and agreed to this Contribution and Coverage Summary (CCS) and certify that this information is correct. Student Code of Conduct

Schools Division

2025-2026

Acknowledgment of Receipt of the Student Code of Conduct

Dear Student and Parent:

As required by state law, the board of trustees has officially adopted the Student Code of Conduct to promote a safe and orderly learning environment for every student.

We urge you to read this publication thoroughly and to discuss it with your family. If you have any questions about the required conduct and consequences for misconduct, we encourage you to ask for an explanation from the student's teacher or appropriate campus administrator.

The student and parent should each sign this page in the space provided below and then return the page to the student's school.

Thank you.
James Colbert, Jr.
HCDE County School Superintendent

My child and I have reviewed a copy of the HCDE Student Code of Conduct for the **2025-2026** school year. I understand that the Code of Conduct contains information that my child and I may need during the school year. I also understand that all students will be held accountable for their behavior and will be subject to the disciplinary consequences outlined in the Student Code of Conduct. If I have any questions regarding this Code of Conduct, I will direct those questions to the principal.

Student Code of Conduct

Accessibility

If you have difficulty accessing the information in this document because of disability, please contact Dr. Margaret Patton, Director of Curriculum and Special Services, at 713-696-8218.

Purpose

The Student Code of Conduct ("Code"), as required by Chapter 37 of the Texas Education Code, provides methods and options for managing student behavior, preventing, and intervening in student discipline problems, and imposing discipline.

The law requires the department to define misconduct that may—or must—result in a range of specific disciplinary consequences, including removal from a regular classroom or campus, out-of-school suspension, placement in a disciplinary alternative education program (DAEP), placement in a juvenile justice alternative education program (JJAEP), or expulsion from school.

This Student Code of Conduct has been adopted by the Harris County Department of Education board of trustees and developed with the advice of the district-level planning and decision-making committee. It provides information to parents and students regarding standards of conduct, consequences of misconduct, and procedures for administering discipline. This Code remains in effect during summer school and at all school-related events and activities outside the school year until the board adopts an updated version for the next school year.

In accordance with state law, the Code shall be posted at each school campus or shall be available for review at the campus principal's office. Additionally, the Code shall be available at the campus behavior coordinator's office and posted on the department's website. Parents shall be notified of any conduct violation that may result in a student being suspended, placed in a DAEP or JJAEP, expelled, or taken into custody by a law enforcement officer under Chapter 37 of the Education Code.

Because the Student Code of Conduct is adopted by the department's board of trustees, it has the force of policy. In the event of a conflict between the Code and the Student Handbook, the Code shall prevail.

Please note: The discipline of students with disabilities who are eligible for services under federal law (Individuals with Disabilities Education Act and Section 504 of the Rehabilitation Act of 1973) is subject to the provisions of those laws.

School District Authority and Jurisdiction

School rules and the department's authority to administer discipline apply whenever the interest of the department is involved, on or off school grounds, in conjunction with or independent of classes and school-sponsored activities.

The department has disciplinary authority over a student:

1. During the regular school day;
2. While the student is traveling on district/department transportation.
3. During lunch periods in which a student is allowed to leave campus;
4. At any school-related activity, regardless of time or location;
5. For any school-related misconduct, regardless of time or location;
6. When retaliation against a school employee, board member, or volunteer occurs or is threatened, regardless of time or location;
7. When a student engages in cyberbullying, as defined by Education Code 37.0832;
8. When criminal mischief is committed on or off school property or at a school-related event;
9. For certain offenses committed within 300 feet of school property as measured from any point on the school's real property boundary line;
10. For certain offenses committed while on school property or while attending a school-sponsored or school-related activity of another district in Texas;
11. When the student commits a felony, as provided by Education Code 37.006 or 37.0081; and
12. When the student is required to register as a sex offender.

Campus Behavior Coordinator

As required by law, a person at each campus must be designated to serve as the campus behavior coordinator. The designated person may be the principal, or any other campus administrator selected by the principal. The campus behavior coordinator is primarily responsible for maintaining student discipline. The department shall post on its website and in the Student Handbook, for each campus, the email address and telephone number of the person serving as campus behavior coordinator. Contact information may be found at https://hcde-texas.org/and at https://hcde-texas.org/schools.

Threat Assessment and Safe and Supportive School Team

The campus behavior coordinator or other appropriate administrator will work closely with the campus threat assessment safe and supportive school team to implement the department's threat assessment policy and procedures, as required by law, and shall take appropriate disciplinary action in accordance with the Code.

Searches

Department officials may conduct searches of students, their belongings, and their vehicles in accordance with state and federal law and department policy. Searches of students shall be conducted in a reasonable and nondiscriminatory manner. Refer to the department's policies at FNF(LEGAL) and FNF(LOCAL) for more information regarding investigations and searches.

The department has the right to search a vehicle driven to school by a student and parked on school property whenever there is reasonable suspicion to believe it contains articles or materials prohibited by the department.

Desks, lockers, department-provided technology, and similar items are the property of the department and are provided for student use as a matter of convenience. Department property is subject to search or inspection at any time without notice.

Reporting Crimes

The principal and other school administrators as appropriate shall report crimes as required by law and shall call local law enforcement when an administrator suspects that a crime has been committed on campus.

Security Personnel

To ensure the security and protection of students, staff, and property, the board employs peace officers. In accordance with law, the board has coordinated with the campus behavior coordinator and other department employees to ensure appropriate law enforcement duties are assigned to security staff. The law enforcement duties of department peace officers are listed in policy CKE(LOCAL).

The law enforcement duties of school peace officers are:

2. Provide police services at campus or Department-sponsored events.
3. Enforce regulations for and on school vehicles transporting Department students.
4. Provide such other law enforcement activities deemed necessary by the Superintendent or the Board.
5. Provide services consistent with the terms of the Department's agreement, if any, Board policy, and the Student Code of Conduct.

"Parent" Defined

Throughout the Code of Conduct and related discipline policies, the term "parent" includes a parent, legal guardian, or other person having lawful control of the child.

Participating in Graduation Activities

The department has the right to limit a student's participation in graduation activities for violating the department's Code.

Participation might include a speaking role, as established by department policy and procedures.

Students eligible to give the opening and closing remarks at graduation shall be notified by the campus principal. Notwithstanding any other eligibility requirements, in order to be considered eligible, a student shall not have engaged in any misconduct that resulted in an out-of-school suspension, removal to a DAEP, or expulsion during the semester immediately preceding graduation.

Unauthorized Persons

In accordance with Education Code 37.105, a school administrator, school resource officer (SRO), or department police officer shall have the authority to refuse entry to or eject a person from department property if the person refuses to leave peaceably on request and:

School District Authority and Jurisdiction

1. The person poses a substantial risk of harm to any person; or
2. The person behaves in a manner that is inappropriate for a school setting and persists in the behavior after being given a verbal warning that the behavior is inappropriate and may result in refusal of entry or ejection.

Appeals regarding refusal of entry or ejection from department property may be filed in accordance with policies FNG(LOCAL) or GF(LOCAL), as appropriate. However, the timelines for the department's grievance procedures shall be adjusted as necessary to permit the person to address the board in person within 90 calendar days, unless the complaint is resolved before a board hearing.

See **DAEP—Restrictions During Placement** on page 29 for information regarding a student assigned to DAEP at the time of graduation.

- Engage in actions or demonstrations that substantially disrupt or materially interfere with school activities.
- Repeatedly violate other communicated campus or classroom standards of conduct.

The department may impose campus or classroom rules in addition to those found in the Code. These rules may be posted in classrooms or given to the student and may or may not constitute violations of the Code.

Discipline Management Techniques

Discipline shall be designed to improve conduct and encourage students to be responsible members of the school community. Disciplinary action shall draw on the professional judgment of teachers and administrators and on a range of discipline management techniques, including restorative practices. Discipline shall be based on the seriousness of the offense, the student's age and grade level, the frequency of misbehavior, the student's attitude, the effect of the misconduct on the school environment, and statutory requirements.

Students with Disabilities

The discipline of students with disabilities is subject to applicable state and federal law in addition to the Student Code of Conduct. In the event of any conflict, the department shall comply with federal law. For more information regarding the discipline of students with disabilities, see policy FOF(LEGAL).

In accordance with the Education Code, a student who receives special education services may not be disciplined for conduct meeting the definition of bullying, cyberbullying, harassment, or making hit lists (see glossary) until an ARD committee meeting has been held to review the conduct.

In deciding whether to order suspension, DAEP placement, or expulsion, regardless of whether the action is mandatory or discretionary, the department shall take into consideration a disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct.

Techniques

The following discipline management techniques may be used alone, in combination, or as part of progressive interventions for behavior prohibited by the Student Code of Conduct or by campus or classroom rules:

- Verbal correction, oral or written.
- Cooling-off time or a brief "time-out" period, in accordance with law.
- Seating changes within the classroom or vehicles owned or operated by the department.
- Temporary confiscation of items that disrupt the educational process.
- Rewards or demerits.
- Behavioral contracts.
- Counseling by teachers, school counselors, or administrative personnel.
- Parent-teacher conferences.
- Behavior coaching.
- Anger management classes.
- Mediation(victim-offender).
- Classroom circles.
- Family group conferencing.
- Grade reductions for cheating, plagiarism, and as otherwise permitted by policy.

- Detention, including outside regular school hours.
- Sending the student to the office, another assigned area, or to in-school suspension.
- Assignment of school duties, such as cleaning or picking up litter.
- Withdrawal of privileges, such as participation in extracurricular activities, eligibility for seeking and holding honorary offices, or membership in school-sponsored clubs and organizations.
- Penalties identified in student organizations' extracurricular standards of behavior.
- Restriction or revocation of district transportation privileges.
- School-assessed and school-administered probation.
- Out-of-school suspension, as specified in Out-of-School Suspension on page 23.
- Placement in a DAEP, as specified in DAEP on page 25.
- Expulsion and/or placement in an alternative educational setting, as specified in Placement and/or Expulsion for Certain Offenses on page 32.
- Expulsion, as specified in Expulsion on page 35.
- Referral to an outside agency or legal authority for criminal prosecution in addition to disciplinary measures imposed by the department.
- Other strategies and consequences as determined by school officials.

Prohibited Aversive Techniques

Aversive techniques are prohibited for use with students and are defined as techniques or interventions intended to reduce the reoccurrence of a behavior by intentionally inflicting significant physical or emotional discomfort or pain. Aversive techniques include:

- Using techniques designed or likely to cause physical pain, other than corporal punishment as permitted by department policy. [See policy FO(LOCAL).]
- Using techniques designed or likely to cause physical pain by electric shock or any procedure involving pressure points or joint locks.
- Directed release of noxious, toxic, or unpleasant spray, mist, or substance near a student's face.
- Denying adequate sleep, air, food, water, shelter, bedding, physical comfort, supervision, or access to a restroom facility.
- Ridiculing or demeaning a student in a manner that adversely affects or endangers the learning or mental health of the student or constitutes verbal abuse.
- Employing a device, material, or object that immobilizes all four of a student's extremities, including prone or supine floor restraint.
- Impairing the student's breathing, including applying pressure to the student's torso or neck or placing something in, on, or over the student's mouth or nose or covering the student's face.
- Restricting the student's circulation.
- Securing the student to a stationary object while the student is standing or sitting.

Discipline Management Techniques

- Inhibiting, reducing, or hindering the student's ability to communicate.
- Using chemical restraints.
- Using time-out in a manner that prevents the student from being able to be involved in and progress appropriately in the required curriculum or any applicable individualized education program (IEP) goals, including isolating the student using physical barriers.
- Depriving the student of one or more of the student's senses, unless the technique does not cause the student discomfort or complies with the student's IEP or behavior intervention plan (BIP).

Notification

The campus behavior coordinator shall promptly notify a student's parent by phone or in person of any violation that may result in in-school or out-of-school suspension, placement in a DAEP, placement in a JJAEP, or expulsion. The campus behavior coordinator shall also notify a student's parent if the student is taken into custody by a law enforcement officer under the disciplinary provisions of the Education Code.

A good-faith effort shall be made to provide written notice of the disciplinary action to the student, on the day the action was taken, for delivery to the student's parent. If the parent has not been reached by telephone or in person by 5:00 p.m. of the first business day after the day the disciplinary action was taken, the campus behavior coordinator shall send written notification by U.S. Mail. If the campus behavior coordinator is not able to provide notice to the parent, the principal or designee shall provide the notice.

Before the principal or appropriate administrator assigns a student under age 18 to detention outside regular school hours, notice shall be given to the student's parent to inform him or her of the reason for the detention and permit arrangements for necessary transportation.

Appeals

Questions from parents regarding disciplinary measures should be addressed to the teacher, campus administration, or campus behavior coordinator, as appropriate. Appeals or complaints regarding the use of specific discipline management techniques should be addressed in accordance with policy FNG(LOCAL). A copy of the policy may be obtained from the principal's office, or through Policy On Line at the following address: http://pol.tasb.org/Home/Index/578

The home district shall not delay a disciplinary consequence while a student or parent pursues a grievance. In the instance of a student who is accused of conduct that meets the definition of sexual harassment as defined by Title IX, the home district will comply with applicable federal law, including the Title IX formal complaint process. See policies FFH(LEGAL) and (LOCAL).

Removal from the School Bus

A bus driver may refer a student to the principal's office or the campus behavior coordinator's office to maintain effective discipline on the bus. The principal or campus behavior coordinator must employ additional discipline management techniques, as appropriate, which can include restricting or revoking a student's bus riding privileges.

To transport students safely, the vehicle operator must focus on driving and not be distracted by student misbehavior. Therefore, when appropriate disciplinary management techniques fail to improve student behavior or when specific misconduct warrants immediate removal, the district may restrict or revoke a student's transportation privileges, in accordance with law.

Removal from the Regular Educational Setting

In addition to other discipline management techniques, misconduct may result in removal from the regular educational setting in the form of a routine referral or a formal removal.

Routine Referral

A routine referral occurs when a teacher sends a student to the campus behavior coordinator's office as a discipline management technique. The campus behavior coordinator shall employ alternative discipline management techniques, including progressive interventions. A teacher or administrator may remove a student from class for behavior that violates this Code to maintain effective discipline in the classroom.

Formal Removal

A teacher may initiate a formal removal from class if:

1. A student's behavior has been documented by the teacher as repeatedly interfering with the teacher's ability to teach the class or with other students' ability to learn; or
2. The behavior is so unruly, disruptive, or abusive that the teacher cannot teach, and the students in the classroom cannot learn.

Within three school days of the formal removal, the campus behavior coordinator or appropriate administrator shall schedule a conference with the student's parent, the student, the teacher who removed the student from class, and any other appropriate administrator.

At the conference, the campus behavior coordinator or appropriate administrator shall inform the student of the alleged misconduct and the proposed consequences. The student shall have an opportunity to respond to the allegations.

When a student is removed from the regular classroom by a teacher and a conference is pending, the campus behavior coordinator or other administrator may place the student in:

- Another appropriate classroom.
- In-school suspension.
- Out-of-school suspension.
- DAEP.

A teacher or administrator must remove a student from class if the student engages in behavior that under the Education Code requires or permits the student to be placed in a DAEP or expelled. When removing for those reasons, the procedures in the subsequent sections on DAEP or expulsion shall be followed.

Returning a Student to the Classroom

A student who has been formally removed from class by a teacher for conduct against the teacher containing the elements of assault, aggravated assault, sexual assault, or aggravated sexual assault may not be returned to the teacher's class without the teacher's consent.

A student who has been formally removed by a teacher for any other conduct may be returned to the teacher's class without the teacher's consent if the placement review committee determines that the teacher's class is the best or only alternative available.

Out-of-School Suspension

Misconduct

Students may be suspended for behavior listed in the Code as a general conduct violation, DAEP offense, or expellable offense.

The department shall not use out-of-school suspension for students in grade 2 or below unless the conduct meets the requirements established in law.

A student below grade 3 or a student who is homeless shall not be placed in out-of-school suspension unless, while on school property or while attending a school-sponsored or school-related activity on or off school property, the student engages in:

- Conduct that contains the elements of a weapons offense, as provided in Penal Code sections 46.02 or 46.05;
- Conduct that contains the elements of assault, sexual assault, aggravated assault, or aggravated sexual assault, as provided by the Penal Code; or
- Selling, giving, or delivering to another person or possessing, using, or being under the influence of any amount of marijuana, an alcoholic beverage, or a controlled substance or dangerous drug as defined by federal or state law.

The department shall use a positive behavior program as a disciplinary alternative for students below grade 3 who commit general conduct violations instead of suspension or placement in a DAEP. The program shall meet the requirements of law.

Process

State law allows a student to be suspended for no more than three school days per behavior violation, with no limit on the number of times a student may be suspended in a semester or school year.

Before being suspended a student shall have an informal conference with the campus behavior coordinator or appropriate administrator, who shall inform the student of the alleged misconduct and give the student an opportunity to respond to the allegation before the administrator makes a decision.

The campus behavior coordinator shall determine the number of days of a student's suspension, not to exceed three school days.

In deciding whether to order out-of-school suspension, the campus behavior coordinator shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct,
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless.

The appropriate administrator shall determine any restrictions on participation in school-sponsored or school-related extracurricular and cocurricular activities.

Coursework During Suspension

The department shall ensure a student receives access to coursework for foundation curriculum courses while the student is placed in in-school or out-of-school suspension, including at least one method of receiving this coursework that doesn't require the use of the internet.

A student removed from the regular classroom to in-school suspension or another setting, other than a DAEP, will have an opportunity before the beginning of the next school year to complete each course the student was enrolled in at the time of removal. The department may provide the opportunity by any method available, including a correspondence course, another distance learning option, or summer school. The department will not charge the student for any method of completion provided by the department.

Disciplinary Alternative Education Program (DAEP) Placement

The DAEP shall be provided in a setting other than the student's regular classroom. An elementary school student may not be placed in a DAEP with a student who is not an elementary school student.

For purposes of DAEP, elementary classification shall be kindergarten–grade 5 and secondary classification shall be grades 6–12.

A student who is expelled for an offense that otherwise would have resulted in a DAEP placement does not have to be placed in a DAEP in addition to the expulsion.

In deciding whether to place a student in a DAEP, regardless of whether the action is mandatory or discretionary, the campus behavior coordinator shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct,
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless.

Discretionary Placement: Misconduct That May Result in DAEP Placement

A student may be placed in a DAEP for behaviors prohibited in the General Conduct Violations section of this Code.

Misconduct Identified in State Law

In accordance with state law, a student may be placed in a DAEP for any of the following offenses:

- Engaging in bullying that encourages a student to commit or attempt to commit suicide.
- Inciting violence against a student through group bullying.
- Releasing or threatening to release intimate visual material of a minor or of a student who is 18 years of age or older without the student's consent.
- Involvement in a public school fraternity, sorority, or secret society, or gang including participating as a member or pledge, or soliciting another person to become a pledge or member of a public school fraternity, sorority, secret society, or gang. (See glossary.)
- Involvement in criminal street gang activity. (See glossary.)
- Criminal mischief, not punishable as a felony.

In accordance with state law, a student may be placed in a DAEP if the superintendent or the superintendent's designee has reasonable belief (see glossary) that the student engaged in conduct punishable as a felony, other than aggravated robbery or those listed as offenses in Title 5 (see glossary) of the Penal Code, that occurs off school property and not at a school-

sponsored or school-related event, if the student's presence in the regular classroom threatens the safety of other students or teachers or will be detrimental to the educational process.

The campus behavior coordinator may place a student in a DAEP for off-campus conduct for which DAEP placement is required by state law if the administrator does not have knowledge of the conduct before the first anniversary of the date the conduct occurred.

Mandatory Placement: Misconduct That Requires DAEP Placement

A student must be placed in a DAEP if the student:

- Engages in conduct relating to a false alarm or report (including a bomb threat) or a terroristic threat involving a public school. (See glossary.)
- Commits the following offenses on school property, within 300 feet of school property as measured from any point on the school's real property boundary line, or while attending a school-sponsored or school-related activity on or off school property:
- Engages in conduct punishable as a felony.
- Commits an assault (see glossary) under Penal Code 22.01(a)(1).
- Sells, gives, or delivers to another person or possesses, uses, or is under the influence of marijuana, a controlled substance, or a dangerous drug in an amount not constituting a felony offense. A student with a valid prescription for low-THC cannabis as authorized by Chapter 487 of the Health and Safety Code does not violate this provision. (School-related felony drug offenses are addressed in Expulsion on page 35.) (See glossary for "under the influence" "controlled substance," and "dangerous drug.")
- Sells, gives, or delivers to another person an alcoholic beverage; commits a serious act or offense while under the influence of alcohol; or possesses, uses, or is under the influence of alcohol, if the conduct is not punishable as a felony offense. (School-related felony alcohol offenses are addressed in Expulsion on page 35.)
- Behaves in a manner that contains the elements of an offense relating to abusable volatile chemicals.
- Behaves in a manner that contains the elements of the offense of public lewdness or indecent exposure. (See glossary.)
- Engages in conduct that contains the elements of an offense of harassment against an employee under Penal Code 42.07(a)(1), (2), (3), or (7).
- Engages in expellable conduct and is between six and nine years of age.
- Commits a federal firearms violation and is younger than six years of age.
- Engages in conduct that contains the elements of the offense of retaliation against any school employee or volunteer on or off school property. (Committing retaliation in combination with another expellable offense is addressed in Expulsion on page 35.)
- Engages in conduct punishable as aggravated robbery or a felony listed under Title 5(see glossary) of the Penal Code when the conduct occurs off school property and not at a school-sponsored or school-related event and:
    1. The student receives deferred prosecution (see glossary),
    2. A court or jury finds that the student has engaged in delinquent conduct (see glossary), or
    3. The superintendent or designee has a reasonable belief (see glossary) that the student engaged in the conduct.

Sexual Assault and Campus Assignments

A student shall be transferred to another campus if:

- The student has been convicted of continuous sexual abuse of a young child or disabled individual or convicted of or placed on deferred adjudication for sexual assault or aggravated sexual assault against another student on the same campus; and
- The victim's parent or another person with the authority to act on behalf of the victim requests that the board transfer the offending student to another campus.

If there is no other campus in the home district serving the grade level of the offending student, the offending student shall be transferred to a DAEP.

Process

Removals to a DAEP shall be made by the campus behavior coordinator.

Conference

When a student is removed from class for a DAEP offense, the campus behavior coordinator or appropriate administrator shall schedule a conference within three school days with the student's parent, the student, and, in the case of a teacher removal, the teacher.

At the conference, the campus behavior coordinator or appropriate administrator shall provide the student:

- Information, orally or in writing, of the reasons for the removal;
- An explanation of the basis for the removal; and
- An opportunity to respond to the reasons for the removal.

Following valid attempts to require attendance, the department may hold the conference and make a placement decision regardless of whether the student or the student's parents attend the conference.

Consideration of Mitigating Factors

In deciding whether to place a student in a DAEP, regardless of whether the action is mandatory or discretionary, the campus behavior coordinator shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct,
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless.

Placement Order

After the conference, if the student is placed in a DAEP, the campus behavior coordinator shall write a placement order. A copy of the DAEP placement order shall be sent to the student and the student's parent.

Not later than the second business day after the conference, the board's designee shall deliver to the juvenile court a copy of the placement order and all information required by Section 52.04 of the Family Code.

If the student is placed in a DAEP and the length of placement is inconsistent with the guidelines included in this Code, the placement order shall give notice of the inconsistency.

Coursework Notice

The parent or guardian of a student placed in DAEP shall be given written notice of the student's opportunity to complete, at no cost to the student, a foundation curriculum course in which the student was enrolled at the time of removal and which is required for graduation. The notice shall include information regarding all methods available for completing the coursework.

Length of Placement

The campus behavior coordinator shall determine the duration of a student's placement in a DAEP.

The duration of a student's placement shall be determined case by case based on the seriousness of the offense, the student's age and grade level, the frequency of misconduct, the student's attitude, and statutory requirements.

The maximum period of DAEP placement shall be one calendar year, except as provided below.

Unless otherwise specified in the placement order, days absent from a DAEP shall not count toward fulfilling the total number of days required in a student's DAEP placement order.

The home district shall administer the required pre- and post-assessments for students assigned to DAEP for a period of 90 days or longer in accordance with established department administrative procedures for administering other diagnostic or benchmark assessments.

Exceeds One Year

Placement in a DAEP may exceed one year when a review by the department determines that the student is a threat to the safety of other students or to department employees.

The statutory limitations on the length of a DAEP placement do not apply to a placement resulting from the board's decision to place a student who engaged in the sexual assault of another student so that the students are not assigned to the same campus.

Exceeds School Year

Students who are in a DAEP placement at the end of one school year may be required to continue that placement at the start of the next school year to complete the assigned term of placement.

For placement in a DAEP to extend beyond the end of the school year, the campus behavior coordinator or the board's designee must determine that:

1. The student's presence in the regular classroom or campus presents a danger of physical harm to the student or others, or
2. The student has engaged in serious or persistent misbehavior (see glossary) that violates the department's Code.

Exceeds 60 Days

For placement in a DAEP to extend beyond 60 days or the end of the next grading period, whichever is sooner, a student's parent shall be given notice and the opportunity to participate in a proceeding before the board or the board's designee.

Appeals

Questions from parents regarding disciplinary measures should be addressed to the campus administration.

Student or parent appeals regarding a student's placement in a DAEP should be addressed in accordance with policy FNG(LOCAL). A copy of this policy may be obtained from the sending district.

Appeals shall begin at Level I with the campus principal.

The home district shall not delay disciplinary consequences pending the outcome of an appeal. The decision to place a student in a DAEP cannot be appealed beyond the board.

Restrictions During Placement

Restrictions during place are determined by the sending district. Please review your district's policy.

Placement Review

A student placed in a DAEP shall be provided a review of his or her status, including academic status, by the campus behavior coordinator or the board's designee at intervals not to exceed 120 days. In the case of a high school student, the student's progress toward graduation and the student's graduation plan shall also be reviewed. At the review, the student or the student's parent shall be given the opportunity to present arguments for the student's return to the regular classroom or campus. The student may not be returned to the classroom of a teacher who removed the student without that teacher's consent.

Additional Misconduct

If during the term of placement in a DAEP the student engages in additional misconduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted, and the campus behavior coordinator may enter an additional disciplinary order as a result of those proceedings.

Notice of Criminal Proceedings

When a student is placed in a DAEP for certain offenses, the office of the prosecuting attorney shall notify the department if:

1. Prosecution of a student's case was refused for lack of prosecutorial merit or insufficient evidence, and no formal proceedings, deferred adjudication (see glossary), or deferred prosecution will be initiated; or
2. The court or jury found a student not guilty or made a finding that the student did not engage in delinquent conduct or conduct indicating a need for supervision, and the case was dismissed with prejudice.

If a student was placed in a DAEP for such conduct, on receiving the notice from the prosecutor, the superintendent or designee shall review the student's placement and schedule a review with the student's parent not later than the third day after the superintendent or designee receives notice from the prosecutor. The student may not be returned to the regular classroom pending the review.

After reviewing the notice and receiving information from the student's parent, the superintendent or designee may continue the student's placement if there is reason to believe that the presence of the student in the regular classroom threatens the safety of other students or teachers.

The student or the student's parent may appeal the superintendent's decision to the board. The student may not be returned to the regular classroom pending the appeal. In the case of an appeal, the board shall, at the next scheduled meeting, review the notice from the prosecutor and receive information from the student, the student's parent, and the superintendent or designee, and confirm or reverse the decision of the superintendent or designee. The board shall make a record of the proceedings.

If the board confirms the decision of the superintendent or designee, the student and the student's parent may appeal to the Commissioner of Education. The student may not be returned to the regular classroom pending the appeal.

Withdrawal During Process

When a student violates the department's Code in a way that requires or permits the student to be placed in a DAEP and the student withdraws from the home district before a placement order is completed, the campus behavior coordinator may complete the proceedings and issue a placement order. If the student then re-enrolls in the home district during the same or a

subsequent school year, the department may enforce the order at that time, less any period of the placement that has been served by the student during enrollment in another district. If the campus behavior coordinator or the board fails to issue a placement order after the student withdraws, the next district in which the student enrolls may complete the proceedings and issue a placement order.

Newly Enrolled Students

The home district shall continue the DAEP placement of a student who enrolls in the district and was assigned to a DAEP in an open-enrollment charter school or another district including a district in another state, or

The home district shall decide on a case-by-case basis whether to continue the placement of a student who enrolls in the district and was assigned to a DAEP in an open-enrollment charter school or another district including a district in another state. The district may place the student in the district's DAEP or a regular classroom setting, or

The home district shall place a student who enrolls in the district and was previously assigned to a DAEP in an open-enrollment charter school or another district including a district in another state, directly into a regular classroom setting.

When a student enrolls in the district with a DAEP placement from a district in another state, the district has the right to place the student in DAEP to the same extent as any other newly enrolled student if the behavior committed is a reason for DAEP placement in the receiving district.

State law requires the district to reduce a placement imposed by a district in another state that exceeds one year so that the total placement does not exceed one year. After a review, however, the placement may be extended beyond a year if the district determines that the student is a threat to the safety of other students or employees, or the extended placement is in the best interest of the student.

Emergency Placement Procedure

When an emergency placement is necessary because the student's behavior is so unruly, disruptive, or abusive that it seriously interferes with classroom or school operations, the student shall be given oral notice of the reason for the action. Not later than the tenth day after the date of the placement, the student shall be given the appropriate conference required for assignment to a DAEP.

Transition Services

In accordance with law and district procedures, campus staff shall provide transition services to a student returning to the regular classroom from an alternative education program, including a DAEP. See policy FOCA(LEGAL) for more information.

Placement and/or Expulsion for Certain Offenses

This section includes two categories of offenses for which the Education Code provides unique procedures and specific consequences.

Registered Sex Offenders

Upon receiving notification in accordance with state law that a student is currently required to register as a sex offender, the district must remove the student from the regular classroom and determine appropriate placement unless the court orders JJAEP placement.

If the student is under any form of court supervision, including probation, community supervision, or parole, the student shall be placed in either DAEP or JJAEP for at least one semester.

If the student is not under any form of court supervision, the student may be placed in DAEP or JJAEP for one semester or placed in a regular classroom. The student may not be placed in the regular classroom if the board or its designee determines that the student's presence:

1. Threatens the safety of other students or teachers,
2. Will be detrimental to the educational process, or
3. Is not in the best interests of the district's students.

Review Committee

At the end of the first semester of a student's placement in an alternative educational setting and before the beginning of each school year for which the student remains in an alternative placement, the home district shall convene a committee, in accordance with state law, to review the student's placement. The committee shall recommend whether the student should return to the regular classroom or remain in the placement. Absent a special finding, the board or its designee must follow the committee's recommendation.

The placement review of a student with a disability who receives special education services must be made by the ARD committee.

Newly Enrolled Students

If a student enrolls in the home district during a mandatory placement as a registered sex offender, the district may count any time already spent by the student in a placement or may require an additional semester in an alternative placement without conducting a review of the placement.

Appeal

A student or the student's parent may appeal the placement by requesting a conference between the board or its designee, the student, and the student's parent. The conference is limited to the factual question of whether the student is required to register as a sex offender. Any decision of the board or its designee under this section is final and may not be appealed.

Certain Felonies

Regardless of whether placement or expulsion is required or permitted by one of the reasons in the DAEP Placement or Expulsion sections, in accordance with Education Code 37.0081, a student may be expelled and placed in either DAEP or JJAEP if the board or campus behavior coordinator makes certain findings and the following circumstances exist in relation to aggravated robbery or a felony offense under Title 5 (see glossary) of the Penal Code. The student must:

- Have received deferred prosecution for conduct defined as aggravated robbery or a Title 5 felony offense;
- Have been found by a court or jury to have engaged in delinquent conduct for conduct defined as aggravated robbery or a Title 5 felony offense;
- Have been charged with engaging in conduct defined as aggravated robbery or a Title5 felony offense;
- Have been referred to a juvenile court for allegedly engaging in delinquent conduct for conduct defined as aggravated robbery or a Title 5 felony offense; or
- Have received probation or deferred adjudication or have been arrested for, charged with, or convicted of aggravated robbery or a Title 5 felony offense.

The district may expel the student and order placement under these circumstances regardless of:

1. The date on which the student's conduct occurred,
2. The location at which the conduct occurred,
3. Whether the conduct occurred while the student was enrolled in the district, or
4. Whether the student has successfully completed any court disposition requirements imposed in connection with the conduct.

Hearing and Required Findings

The student must first have a hearing before the board or its designee, who must determine that in addition to the circumstances above that allow for the expulsion, the student's presence in the regular classroom:

1. Threatens the safety of other students or teachers,

2. Will be detrimental to the educational process, or

3. Is not in the best interest of the district's students.

Any decision of the board or the board's designee under this section is final and may not be appealed.

Length of Placement

The student is subject to the placement until:

1. The student graduates from high school,

2. The charges are dismissed or reduced to a misdemeanor offense, or
3. The student completes the term of the placement or is assigned to another program.

Placement Review
A student placed in a DAEP or JJAEP under this section is entitled to a review of his or her status, including academic status, by the campus behavior coordinator or board's designee at intervals not to exceed 120 days. In the case of a high school student, the student's progress toward graduation and the student's graduation plan shall also be reviewed. At the review, the student or the student's parent shall have the opportunity to present arguments for the student's return to the regular classroom or campus.

Newly Enrolled Students

A student who enrolls in the district before completing a placement under this section from another school district must complete the term of the placement.

Expulsion

In deciding whether to order expulsion, regardless of whether the action is mandatory or discretionary, the campus behavior coordinator shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct,
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless.

Discretionary Expulsion: Misconduct That May Result in Expulsion

Some of the following types of misconduct may result in mandatory placement in a DAEP, whether or not a student is expelled. (See DAEP Placement on page 25.)

Any Location

A student may be expelled for:

- Engaging in bullying that encourages a student to commit or attempt to commit suicide.
- Inciting violence against a student through group bullying.
- Releasing or threatening to release intimate visual material of a minor or of a student who is 18 years of age or older without the student's consent.
- Conduct that contains the elements of assault under Penal Code 22.01(a)(1) in retaliation against a school employee or volunteer.
- Criminal mischief, if punishable as a felony.
- Engaging in conduct that contains the elements of one of the following offenses against another student:
- Aggravated assault.
- Sexual assault.
- Aggravated sexual assault.
- Murder.
- Capital murder.
- Criminal attempts to commit murder or capital murder.
- Aggravated robbery.

At School, Within 300 Feet, or at a School Event

A student may be expelled for committing any of the following offenses on or within 300 feet of school property, as measured from any point on the school's real property boundary line, or while attending a school-sponsored or school-related activity on or off school property:

- Selling, giving, or delivering to another person, or possessing, using, or being under the influence of marijuana, a controlled substance, or a dangerous drug, if the conduct is not punishable as a felony. A student with a valid prescription for low-THC cannabis as authorized by Chapter 487 of the Health and Safety Code does not violate this provision. (See glossary for "under the influence.")
- Selling, giving, or delivering another person, or possessing, using, or being under the influence of alcohol; or committing a serious act or offense while under the influence of alcohol, if the conduct is not punishable as a felony.
- Engaging in conduct that contains the elements of an offense relating to abusable volatile chemicals.
- Engaging in conduct that contains the elements of assault under Penal Code 22.01(a)(1) against an employee or a volunteer.
- Engaging in deadly conduct. (See glossary.) Within 300 Feet of School

A student may be expelled for engaging in the following conduct while within 300 feet of school property, as measured from any point on the school's real property boundary line:

- Aggravated assault, sexual assault, or aggravated sexual assault.
- Arson. (See glossary.)
- Murder, capital murder, or criminal attempt to commit murder or capital murder.
- Indecency with a child.
- Aggravated kidnapping.
- Manslaughter.
- Criminally negligent homicide.
- Aggravated robbery.
- Continuous sexual abuse of a young child or disabled individual.
- Felony drug- or alcohol-related offense.
- Unlawfully carrying on or about the student's person a handgun or a location-restricted knife, as these terms are defined by state law. (See glossary.)
- Possessing, manufacturing, transporting, repairing, or selling a prohibited weapon, as defined by state law. (See glossary.)
- Possession of a firearm, as defined by federal law. (See glossary.)

Property of Another District

A student may be expelled for committing any offense that is a state-mandated expellable offense if the offense is committed on the property of another district in Texas or while the Expulsion student is attending a school-sponsored or school-related activity of a school in another district in Texas.

While in a DAEP

A student may be expelled for engaging in documented serious misbehavior that violates the district's Code, despite documented behavioral interventions while placed in a DAEP. For purposes of discretionary expulsion from a DAEP, serious misbehavior means:

1. Deliberate violent behavior that poses a direct threat to the health or safety of others;
2. Extortion, meaning the gaining of money or other property by force or threat;
3. Conduct that constitutes coercion, as defined by Penal Code 1.07; or
4. Conduct that constitutes the offense of:

a. Public lewdness under Penal Code21.07;
b. Indecent exposure under Penal Code21.08;
c. Criminal mischief under Penal Code28.03;
d. Hazing under Education Code 37.152; or
e. Harassment under Penal Code 42.07(a)(1) of a student or district employee.

Mandatory Expulsion: Misconduct That Requires Expulsion

A student must be expelled under federal or state law for any of the following offenses that occur on school property or while attending a school-sponsored or school-related activity on or off school property:

Under Federal Law

- Bringing to school or possessing at school, including any setting that is under the district's control or supervision for the purpose of a school activity, a firearm, as defined by federal law. (See glossary.)

Note: Mandatory expulsion under the federal Gun Free Schools Act does not apply to a firearm that is lawfully stored inside a locked vehicle or to firearms used in activities approved and authorized by the district when the district has adopted appropriate safeguards to ensure student safety.

Under the Penal Code

- Unlawfully carrying on or about the student's person the following, in the manner prohibited by Penal Code 46.02:
  - A handgun, defined by state law as any firearm designed, made, or adapted to be used with one hand. (See glossary.) Note: A student may not be expelled solely on the basis of the student's use, exhibition, or possession of a firearm that occurs at an approved target range facility that is not located on a school campus; while participating in or preparing for a school-sponsored, shooting sports competition or a shooting sports educational activity that is sponsored or supported by the Parks and Wildlife Department; or a shooting sports sanctioning organization working with the department. [See policy FNCG(LEGAL).]
  - A location-restricted knife, as defined by state law. (See glossary.)
  - Possessing, manufacturing, transporting, repairing, or selling a prohibited weapon, as defined in state law. (See glossary.)
  - Behaving in a manner that contains elements of the following offenses under the Penal Code:
    - Aggravated assault, sexual assault, or aggravated sexual assault.
    - Arson. (See glossary.)
    - Murder, capital murder, or criminal attempt to commit murder or capital murder.
    - Indecency with a child.

- Aggravated kidnapping.
- Aggravated robbery.
- Manslaughter.
- Criminally negligent homicide.
- Continuous sexual abuse of a young child or disabled individual.

- Engaging in retaliation against a school employee or volunteer combined with one of the above-listed mandatory expulsion offenses

Under Age Ten

When a student under the age of ten engages in behavior that is expellable behavior, the student shall not be expelled but shall be placed in a DAEP. A student under age six shall not be placed in a DAEP unless the student commits a federal firearm offense.

Process

If a student is believed to have committed an expellable offense, the campus behavior coordinator or other appropriate administrator shall schedule a hearing within a reasonable time. The student's parents shall be invited in writing to attend the hearing.

Until a hearing can be held, the campus behavior coordinator or other administrator may place the student in:

- Another appropriate classroom.
- In-school suspension.
- Out-of-school suspension.
- DAEP.

Hearing

A student facing expulsion shall be given a hearing with appropriate due process. The student is entitled to:

1. Representation by the student's parent or another adult who can provide guidance to the student and who is not an employee of the district,
2. An opportunity to testify and to present evidence and witnesses in the student's defense, and
3. An opportunity to question the witnesses called by the home district at the hearing.

After providing notice to the student and parent of the hearing, the home district may hold the hearing regardless of whether the student or the student's parent attends.

The hearing shall be conducted by the board of trustees and the decision to expel shall be made by the board or The Board of Trustees delegates to the hearing officer authority to conduct hearings and expel students.

Board Review of Expulsion

After the due process hearing, the expelled student may request that the board review the expulsion decisions. The student or parent must submit a written request to the superintendent within seven days after receipt of the written decision. The superintendent must provide the student or parent written notice of the date, time, and place of the meeting at which the board will review the decision.

The board shall review the record of the expulsion hearing in a closed meeting unless the parent requests in writing that the matter be held in an open meeting. The board may also hear a statement from the student or parent and from the board's designee.

The board shall consider and base its decision on evidence reflected in the record and any statements made by the parties at the review. The board shall make and communicate its decision orally at the conclusion of the presentation. Consequences shall not be deferred pending the outcome of the hearing.

Expulsion Order

Before ordering the expulsion, the board or campus behavior coordinator shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct,
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless.

If the student is expelled, the board or its designee shall deliver to the student and the student's parent a copy of the order expelling the student.

Not later than the second business day after the hearing, the home district shall deliver to the juvenile court a copy of the expulsion order and the information required by Section 52.04 of the Family Code.

If the length of the expulsion is inconsistent with the guidelines included in the Student Code of Conduct, the expulsion order shall give notice of the inconsistency.

Length of Expulsion

The length of an expulsion shall be based on the seriousness of the offense, the student's age and grade level, the frequency of misbehavior, the student's attitude, and statutory requirements.

The duration of a student's expulsion shall be determined on a case-by-case basis. The maximum period of expulsion is one calendar year, except as provided below.

An expulsion may not exceed one year unless, after review, the home district determines that:

1. The student is a threat to the safety of other students or to home district employees, or
2. Extended expulsion is in the best interest of the student.

State and federal law require a student to be expelled from the regular classroom for a period of at least one calendar year for bringing a firearm, as defined by federal law, to school. However, the superintendent may modify the length of the expulsion on a case-by-case basis.

Students who commit offenses that require expulsion at the end of one school year may be expelled into the next school year to complete the term of expulsion.

Withdrawal During Process

When a student's conduct requires or permits expulsion from the home district and the student withdraws from the home district before the expulsion hearing takes place, the district may conduct the hearing after sending written notice to the parent and student.

If the student then re-enrolls in the home district during the same or subsequent school year, the district may enforce the expulsion order at that time, less any expulsion period that has been served by the student during enrollment in another district.

If the campus behavior coordinator or the board fails to issue an expulsion order after the student withdraws, the next district in which the student enrolls may complete the proceedings.

Additional Misconduct

If during the expulsion, the student engages in additional conduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted, and the campus behavior coordinator or the board may issue an additional disciplinary order as a result of those proceedings.

Restrictions During Expulsion

Expelled students are prohibited from being on school grounds or attending school-sponsored or school-related activities during the period of expulsion.

No district academic credit shall be earned for work missed during the period of expulsion unless the student is enrolled in a JJAEP or another district-approved program.

Newly Enrolled Students

The district shall decide on a case-by-case basis the placement of a student who is subject to an expulsion order from another district or an open-enrollment charter school upon enrollment in the district.

Please review your home district's policy.

If a student expelled in another state enrolls in the home district, the district may continue the expulsion under the terms of the expulsion order, may place the student in a DAEP for the period specified in the order, or may allow the student to attend regular classes if:

1. The out-of-state district provides the home district with a copy of the expulsion order, and
2. The offense resulting in the expulsion is also an expellable offense in the district in which the student is enrolling.

If a student is expelled by a district in another state for a period that exceeds one year and the district continues the expulsion or places the student in a DAEP, the home district shall reduce the period of the expulsion or DAEP placement so that the entire period does not exceed one year, unless after a review it is determined that:

1. The student is a threat to the safety of other students or district employees, or
2. Extended placement is in the best interest of the student.

Emergency Expulsion Procedures

When an emergency expulsion is necessary to protect persons or property from imminent harm, the student shall be given verbal notice of the reason for the action. Within ten days after the date of the emergency expulsion, the student shall be given appropriate due process required for a student facing expulsion.

DAEP Placement of Expelled Students

The district may provide educational services to any expelled student in a DAEP; however, educational services in the DAEP must be provided if the student is less than ten years of age.

Transition Services

In accordance with law and district procedures, campus staff shall provide transition services for a student returning to the regular classroom from placement in an alternative education program, including a DAEP or JJAEP. See policies FOCA(LEGAL) and FODA(LEGAL) for more information.

    b. A disabled person.

Armor-piercing ammunition is defined by Penal Code 46.01 as handgun ammunition used in pistols and revolvers and designed primarily for the purpose of penetrating metal or body armor.

Arson is defined in part by Penal Code 28.02 as a crime that involves:

1. Starting a fire or causing an explosion with intent to destroy or damage:

SPECIAL FEDERAL AWARD TERMS AND CONDITIONS
TEMPORARY ASSISTANCE FOR NEEDY FAMILIES

Pursuant to OMB Uniform Guidance (2 CFR Part 200) provisions at 2 CFR §§ 200.101(b)(2) and 200.332(a)(2), these Special Federal Terms and Conditions for Temporary Assistance for Needy Families (TANF) grants pass through Terms and Conditions specific to the Federal award, which are not set forth elsewhere in this Texas Workforce Commission (TWC) grant award. These grant funds awarded by TWC must be used in compliance with the following Federal Terms and Conditions in addition to the other provisions of this TWC grant award.

1. Availability of Federal Award Terms

In some cases, Federal grant funds become available to the TWC for award before TWC obtains the associated Federal Award Terms for the monies. When award execution does not allow for delay, TWC may base the Special Federal Award Terms and Conditions for a grant award on the most recent prior Federal Award Terms and Conditions available, and later amend the TWC grant award when updated Federal terms are available. This action is most often used when Federal Award Terms and Conditions are not expected to differ significantly from the most recent prior terms available at the time TWC makes the award.

2. Federal Funding Disclosure Statement

This TWC grant award must be used in compliance with Section 632 of Public Law 117-328, the "Consolidated Appropriations Act, 2023," which reads:

When issuing statements, press releases, requests for proposals, bid solicitations and other documents describing projects or programs funded in

Docusign Envelope ID: F60B01EA-22E0-4D59-8322-1DE0F0C252FC

whole or in part with Federal money, all recipients receiving Federal funds, including but not limited to State and local governments and recipients of Federal research grants, shall clearly state:

a. the percentage of the total costs of the program or project which will be financed with Federal money;

b. the dollar amount of Federal funds for the project or program; and

c. percentage and dollar amount of the total costs of the project or program that will be financed by nongovernmental sources.

3. Prohibition Against Profit

Unless exempted by 45 CFR §75.101, program regulations, and/or the terms and conditions of the award:

a. Recipients are subject to the limitations set forth in 45 CFR §75.216, Special provisions for awards to commercial organizations as recipients (45 CFR §75.216(b) Prohibition against profit), which states that, "...no HHS funds may be paid as profit to any recipient even if the recipient is a commercial organization. Profit is any amount in excess of allowable direct and indirect costs."

b. Recipients are subject to the limitations under 45 CFR §75.400, Policy Guide (45 CFR §75.400(g)), which states "The non-Federal entity may not earn or keep profit resulting from Federal financial assistance, unless explicitly authorized by the terms and conditions of the Federal award. See also §75.307."

4. Equal Treatment for Faith-Based Organizations

Docusign Envelope ID: F60B01EA-22E0-4D59-8322-1DE0F0C252FC

Recipients are subject to the requirements of 45 CFR §87, Equal Treatment for Faith-Based Organizations. Pursuant to 45 CFR §87, this TWC grant award, subawards, or contracts under the TANF program shall not be used to support inherently religious activities such as religious instruction, worship, or proselytization. Therefore, organizations must take steps to separate, in time or location, their inherently religious activities from the services funded under these programs.

This provision shall not be interpreted to prohibit making subawards to or contracting for goods or services with any religious institution or entity.

5. Pro-Children Act of 1994 Smoking Prohibitions

In accordance with Title X, Part C of Public Law 103-227, the "Pro-Children Act of 2001," (20 U.S.C. §7181-7844), smoking may not be permitted within any indoor facility (or portion of such facility) owned or regularly used for the provision of health, day care, education or library services to children under the age of 18, if the services are funded by Federal programs whether directly or through State or local governments. Federal programs include grants, cooperative agreements, loans and loan guarantees, and contracts. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions or facilities and used impatient drug or alcohol treatment, or facilities where WIC coupons are redeemed.

The above language must be included in any subawards that contain provisions for children's services and that all sub-grantees shall certify compliance accordingly. Failure to comply with the provisions of the law may

Docusign Envelope ID: F60B01EA-22E0-4D59-8322-1DE0F0C252FC

result in a civil monetary penalty of up to $1,000 per violation and/or the imposition of an administrative compliance order on the responsible entity.

6. Human Trafficking Provisions

This TWC grant award is subject to the requirements in Section 106(g) of the Trafficking Victims Protection Act of 2000 (TVPA), as amended (22 U.S.C. §7104). The full text of this requirement is found on the HHS Web site at: https://www.acf.hhs.gov/grants/award-term-and-condition-for-trafficking-in-persons.

7. Construction Prohibitions

Unless superseded by program-specific regulations, this TWC grant award may not be used for construction or the purchase of land.

8. Telecommunications

Title 2 CFR §200.216, Prohibition on certain telecommunications and video surveillance services or equipment.

As described in Pub.L. 115-232, Section 889, covered telecommunications equipment is telecommunications equipment produced by Huawei

Docusign Envelope ID: F60B01EA-22E0-4D59-8322-1DE0F0C252FC

Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities).

i. For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities).

ii. Telecommunications or video surveillance services provided by such entities or using such equipment.

iii. Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country.

9. Changes in Micro-purchase and Simplified Acquisition Thresholds

The National Defense Authorization Act (NDAA) for Fiscal Year (FY) 2018 increased the micro-purchase threshold to $10,000 and the Simplified Acquisition Threshold (SAT) to $250,000. In accordance with 41 U.S.C.§1902(f), changes to the thresholds are not effective until implemented in the Federal Acquisition Regulations (FAR). However,

Docusign Envelope ID: F60B01EA-22E0-4D59-8322-1DE0F0C252FC

pursuant to 2 CFR §200.102, OMB has issued an exception that allows the increased thresholds to be used pending codification in the FAR, effective June 20, 2018. In addition, the National Defense Authorization Act for Fiscal Year 2017, establishes a uniform process by which institutions of higher education, or related or affiliated nonprofit entities, nonprofit research organizations or independent research institutes can request a micro-purchase threshold above $10,000. Prior to requesting a higher threshold, please contact the Grants Management Specialist identified on your notice of award or award letter for instructions to submit the request.

10. Non-Discrimination Legal Requirements for Recipients of Federal Financial Assistance

The project must be administered in compliance with federal civil rights laws that prohibit discrimination on the basis of race, color, national origin, disability, age and, in some circumstances, religion, conscience, and sex. This includes taking reasonable steps to provide meaningful access to persons with limited English proficiency and providing programs that are accessible to and usable by persons with disabilities. The HHS Office for Civil Rights provides guidance on complying with civil rights laws enforced by HHS. See https://www.hhs.gov/civil-rights/for-providers/provider-obligations/index.html and https://www.hhs.gov/civil-rights/for-individuals/nondiscrimination/index.html.

qualified individuals with disabilities, including providing program access, reasonable modifications, and taking appropriate steps to provide effective communication, see https://www.hhs.gov/civil-rights/for-individuals/disability/index.html.

c. HHS funded health and education programs must be administered in an environment free of sexual harassment, see https://www.hhs.gov/civil-rights/for-individuals/sex-discrimination/index.html.

d. For guidance on administering your project in compliance with applicable federal religious nondiscrimination laws and applicable federal conscience protection and associated anti-discrimination laws, see https://www.hhs.gov/conscience/conscience-protections/index.html and Religious Freedom | HHS.gov.

11. Salary Limitation–Federal Executive Level II

Federal funds for these grant programs consistently include a provision as part of the Consolidated Appropriations Act (e.g., Public Law 115-31, May 5, 2017) from Congress that the amount that "shall be used to pay the salary of an individual, through a grant or other extramural mechanism" including non-federal share, must not exceed the amount of the Federal Executive Level II salary for that calendar year. This amount is published annually by the U.S. Office of Personnel Management and can be found on their website at https://www.opm.gov/policy-data-oversight/pay-leave/salaries-wages/2017/executive-senior-level/ under the "Rates of Pay for the Executive Schedule" link. This amount reflects an individual's base salary (including any portion of the salary that is paid for with indirect costs), exclusive of fringe benefits and any income that an individual may be

Docusign Envelope ID: F60B01EA-22E0-4D59-8322-1DE0F0C252FC

permitted to earn outside of the duties of the non-Federal entities' organization. This salary limitation also applies to subawards, contracts, and subcontracts under an ACF grant or cooperative agreement.

12. Drug-Free Workplace

The Drug-Free Workplace Act of 1988, 41 U.S.C. §§8101-8106, requires that all organizations receiving grants from any Federal agency maintain a drug-free workplace. Refer to the Drug-Free Workplace Certification applicable to this grant award for notification and other requirements. Failure to comply with these requirements may be cause for suspension or debarment. Government-wide requirements for Drug-Free Workplace for Financial Assistance are found in 2 CFR Part 182; HHS implementing regulations are set forth in 2 CFR Part 382.400. All recipients of ACF grant funds must comply with the requirements in Subpart B - Requirements for Recipients Other Than Individuals 2 CFR §382.225. View the rule at this link: https://www.govinfo.gov/app/details/CFR-2001-title45-vol1

13. Whistleblower Protection

This grant and employees working on this grant are subject to the whistleblower rights and remedies established at 41 U.S.C. 4712. The subrecipient shall inform its employees in writing, in the predominant language of the workforce, of employee whistleblower rights and protections under 41 U.S.C. 4712, as described in section 3.908 of the Federal Acquisition Regulation (48 CFR 3.903; note that for the purpose of this term and condition, use of the term "contract," "contractor," "subcontract," or "subcontractor" in section 3.903 should be read as "grant," "grantee," "subgrant," or "subgrantee"). The subrecipient shall insert the substance of this clause in all subgrants and contracts over the Simplified Acquisition Threshold.

Subrecipients must disclose, in a timely manner, in writing to the prime recipient and the HHS OIG, all information related to violations of federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the Federal award. 15. Debarment and Suspension

2 CFR 376 implements the government-wide debarment and suspension system guidance (2 CFR Part 180) for HHS' non-procurement programs and activities. "Non-procurement transactions" include, among other things, grants, cooperative agreements, scholarships, fellowships, and loans. ACF implements the HHS Debarment and Suspension regulations as a term and condition of award. Recipients may decide the method and frequency by which this determination is made and may check the Excluded Parties List System (EPLS) located at https://www.sam.gov, although checking the EPLS is not required.

16. Award Term and Condition for Unpaid Federal Tax Liability

This grant is subject to the requirement contained in Section 744 of the "Consolidated Appropriations Act, 2022," (Division E-Financial Services and General Government Appropriations Act, 2022, Title VII, General Provisions — Government-Wide), which says "None of the funds made available by this or any other Act may be used to enter into a contract, memorandum of understanding, or cooperative agreement with, make a grant to, or provide a loan or loan guarantee to, any corporation that has any unpaid Federal tax

Docusign Envelope ID: F60B01EA-22E0-4D59-8322-1DE0F0C252FC

liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability, where the awarding agency is aware of the unpaid tax liability, unless a Federal agency has considered suspension or debarment of the corporation and has made a determination that this further action is not necessary to protect the interests of the Government."

17. Freedom of Information Act (FOIA)

Applications funded by federal grant programs are subject to disclosure under the Freedom of Information Act (FOIA), 5 U.S.C. §552. Each released application will receive appropriate redaction of specific information to protect personal privacy and competitively sensitive commercial information. Learn more about filing a FOIA request.

18. Requirements for Recipient Electronic and Information Technology

Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794(a)), states that no otherwise qualified individual with a disability in the United States shall, solely by reason of her or his disability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity for which the Applicant receives Federal financial assistance from the Department. To assist recipients in these compliance obligations, HHS suggests implementing the Section 508 standards when the recipient anticipates public use of its electronic and information technology. Section 508 of the Rehabilitation Act of 1973 (29 U.S.C. 794d(a)(1)(A)) requires that when Federal agencies develop, procure, maintain, or use electronic and information technology, individuals with disabilities have access to and use of information and data that is comparable to that provided to the public

Docusign Envelope ID: F60B01EA-22E0-4D59-8322-1DE0F0C252FC

who are not individuals with disabilities.

19. Award Term for System Award Management and Unique Entity Identifier

This award is subject to requirements as set forth in System Award Management (SAM) and Unique Entity Identifier (UEI) Requirements (2 CFR 25.110).

a. Requirement for SAM:

Unless exempted from this requirement under 2 CFR 25.110, the recipient must maintain current information in the SAM. This includes information on recipient's immediate and highest level owner and subsidiaries, as well as on all predecessors that have been awarded a Federal contract or federal financial assistance within the last three years, if applicable, until recipient submits the final financial report required under your award or receive the final payment, whichever is later. Recipient must review and update the information at least annually after the initial registration, and more frequently if required by changes in information.

b. Requirements for UEI:

If recipient is authorized to make subawards, recipient must:

i. notify potential subrecipients that no entity may receive a subaward from unless the entity has provided its UEI.

IV. SPECIFICATIONS AND DRAWINGS

4.1 **Retention of Drawings:** Contractor shall keep on the Work site a copy of any drawings and/or

specifications for a Job Order and shall at all times give Owner access thereto. Anything mentioned in the specifications and not shown on the drawings, or shown on the drawings and not mentioned in the specifications, shall be of like effect as if shown or mentioned in both. In case of differences between drawings and specifications, the drawings shall govern. In case of discrepancy, either in the figures, drawings, or the specifications, the matter shall be promptly submitted to Owner, who shall promptly make a determination in writing regarding such discrepancy. Any adjustment by Contractor without such prior written determination shall be at Contractor's own risk and expense and without any liability to Owner for any adjustment made by Contractor. In such cases, Contractor will receive reasonable reimbursement for the development of such materials before Owner uses them in any manner whatsoever. If Owner chooses not to use such materials and no Job Order was issued, Contractor shall not be entitled to any compensation by Owner for any expenses incurred by Contractor for the preparation or development of any of said materials, which includes any and all general overhead costs for preparation of the materials.

No line item will be added to a Job Order because a line item was excluded by Contractor in Contractor's Job Order Proposal or draft or final Job Order; however, the Owner shall have no obligation to pay for goods or services contained in the Job Order Proposal that are not provided.

i. **Notice to Proceed:** If a Commence Date is not stated in the specific Job Order, Owner shall issue a written Notice to Proceed. The Notice to Proceed authorizes the Contractor to begin the Work identified in the Job Order on the date fixed in the Notice to Proceed. Upon the Commencement Date specified in the Job Order or Notice to Proceed, Contractor is fully responsible for the scheduling, quality control, safety, and all other aspects of the management of the project detailed in the Job Order. Owner may make periodic inspections of the job site to ensure compliance; however, quality control is ultimately the Contractor's responsibility.

j. **Quality Assurance/Quality Control Plan:** If requested by the Owner for a particular Job Order, Contractor shall submit, for Owner approval, a Quality Assurance/Quality Control Plan. This plan should address all aspects of quality control including responsibility for surveillance of work, documentation, trend analysis, corrective action and interface with the Owner's inspectors.

k. **Weekly Reports**: Contractor is required to submit weekly progress reports on each active Job Order electronically or in paper form to Owner at the end of each work week, which shall include a current schedule.

l. **Schedule**: Time is of the essence in rendering the services hereunder. The Job Order shall include a time schedule for each phase of the Work for the Job Order, and Contractor agrees to perform all obligations and render services in accordance with the schedule(s) established in the Job Order. In emergency or non-standard situations, Owner may require Contractor to complete a Job Order on an expedited basis. All Job Orders are to be completed within the timelines agreed to by Owner and Contractor as detailed in the Job Order. If Contractor falls behind the schedule detailed in the Job Order, Contractor shall take steps necessary to improve its progress, including those that may be reasonably required by Owner. Without additional cost to Owner, Owner may require Contractor to increase the number of shifts, overtime operations, days of work, and/or the amount of construction plant or equipment, and to submit for approval any supplementary schedule or schedules in chart form as Owner deems necessary to demonstrate how the approved rate of progress will be regained.

m. **Emergency Work:** Contractor will give top priority to any emergency work Owner may have

and will allocate all resources necessary to accomplish such work in accordance with Owner's schedule requirements.

IX. OWNER'S RESPONSIBILITIES

9.3 **Entry on Land:** Owner shall assist Contractor in gaining entry to Owner's property as necessary for Contractor to perform its services under this Contract.

9.4 **Review of Work:** Owner will review the Work in progress as appropriate. At the completion of the Job Order, Owner (or Owner's Architect/Engineer, if any) shall do a walk through to ensure that the Work is completed in accordance with the Job Order. Owner will notify Contractor in writing of any material error or omission or other defect in the Work or any conflict in the contract documents that Owner becomes aware of, but Owner shall have no obligation or duty to investigate whether such faults, defects, or conflicts exist.

9.6 **Time for Response:** Owner shall furnish required information and services and shall render approvals and decisions as expeditiously as necessary for the orderly progress of Contractor's services and of the Work.

X. SITE INVESTIGATION AND CONDITIONS AFFECTING THE WORK

10.1 Contractor's acceptance of a Job Order entered into pursuant to this Contract shall constitute Contractor's acknowledgement that Contractor has taken steps reasonably necessary to ascertain the nature and location of the Work for the specific Job Order, and that Contractor has investigated and satisfied itself as to the general and local conditions which can affect the Work or its cost, including but not limited to:

a. Conditions bearing upon transportation, disposal, handling, and storage of materials;
b. The availability of labor, water, electric power, and roads;
c. Uncertainties of weather, river stages, tides, or similar physical conditions at the site;
d. The conformation and conditions of the ground; and
e. The character of equipment and facilities needed preliminary to and during work performance.

10.2 Contractor's acceptance of a Job Order entered into pursuant to this Contract shall constitute Contractor's acknowledgement that Contractor has satisfied itself as to the character, quality, and quantity of surface and subsurface materials or obstacles to be encountered insofar as this information is reasonably ascertainable from an inspection of the site, including all exploratory work done by Owner, as well as from the drawings and specifications made a part of this Contract.

10.3 **Owner Furnished Utilities:** Owner shall provide, at no cost to Contractor, wet and dry utilities and toilet facilities that are existing and available at each site for Work performed under the Job Order. If utilities and/or toilet facilities are not existing and available, the costs for such shall be included in the Job Order Proposal. It is the responsibility of Contractor to determine the extent to which existing Owner utilities are adequate for the needs of the Job Order.

10.4 **Asbestos Certification Statement**: If required by Owner, Contractor shall provide a certification statement for each Job Order, stating that no asbestos-containing materials or work is included within the scope of the Job Order. If required by Owner, Contractor shall provide, at completion of the Job Order, a notarized affidavit to Owner stating that no asbestos-containing materials or work was provided, installed, furnished or added to the project.

10.5 If required, Owner shall provide a survey in accordance with the Texas Asbestos Health Protection Rules prior to the commencement date of the Job Order. Contractor shall take whatever measures he deems necessary to insure that all employees, suppliers, fabricators, material men, subcontractors, or their assigns, comply with this requirement. All materials used on a Job Order shall be certified as non-Asbestos Containing Building Materials (ACBM). Contractor shall insure compliance with the following acts from Contractor and all of Contractor's subcontractors and assigns:

a. Asbestos Hazard Emergency Response Act (AHERA—40 CFR 763-99 (7));
b. National Emission Standards for Hazardous Air Pollutants (NESHAP—EPA 40 CFR 61, National Emission Standard for Asbestos;

Contractor shall provide, in hard copy and electronic form, all necessary material safety data sheets (MSDS) of all products used in the Job Order to the Texas Department of Health licensed inspector or Owner's architect or engineer, if any, who will compile the information from the MSDS and, finding no asbestos in any of the product, make a certification statement.

10.6 **Differing Site Conditions**: Contractor shall promptly, and before the conditions are disturbed, give a written notice to Owner of:

a. Subsurface or latent physical conditions at the site which differ materially from those indicated in the Contract, or

b. Unknown physical conditions at the site, of an unusual nature, which differ materially from those ordinarily encountered and generally recognized as inherent in work of the character provided for in the Contract.

10.7 **Investigation by Owner**: Owner shall investigate the site conditions promptly after receiving the notice. If the conditions do materially differ and cause an increase or decrease in Contractor's cost or the time required for performing any part of the Work, an equitable adjustment shall be made and the Job Order modified in writing accordingly.

10.8 **Equitable Adjustment**: No request by Contractor for an equitable adjustment to the Job Order under this Article shall be allowed unless Contractor has given the written notice required. No request by Contractor for an equitable adjustment to the Job Order for differing site conditions shall be allowed if made after final payment under such Job Order.

XI. INSPECTION OF CONSTRUCTION AND OWNER'S ACCEPTANCE OF WORK

11.1 **Contractor Inspection System**: Contractor shall maintain an adequate inspection system and perform such inspections as well as ensure that the Work called for conforms to the Job Order. Contractor shall maintain complete inspection records and make them available to Owner. All work is subject to inspection and testing by Owner at all places and at all reasonable times before final acceptance of the Work to ensure strict compliance with the terms of the Contract and the Job Order.

11.2 **Owner's Satisfaction:** All Work performed under this Contract shall be completed to the satisfaction of Owner's representative assigned to the Job Order. Owner's representative shall decide all

questions regarding Contractor's performance under the Contract and Job Order, and such decisions shall be final and conclusive.

11.3 **Non-Conformance**: Contractor shall, without charge, replace or correct Work found by Owner not to conform to a Job Order's requirements, unless Owner consents, in writing, to accept the Work with an appropriate adjustment in contract price. Contractor shall promptly segregate and remove rejected material from the premises, if required by Owner.

11.4 **Failure to Conform**: If Contractor does not promptly replace or correct rejected Work, Owner may:

a. By contract or otherwise, replace or correct the Work and charge the cost to Contractor, and/or
b. Terminate the Contractor for default upon seven (7) days written notice.

11.5 **Liability:** Owner's approval or acceptance of Contractor's Work shall not release Contractor from any liability for any defects in the Work.

11.6 Owner inspections and tests, if any, are for the sole benefit of Owner and do not:
a. Relieve Contractor of responsibility for providing adequate quality control measures;
b. Relieve Contractor of responsibility for damage to or loss of the material before acceptance;
c. Constitute or imply acceptance; or
d. Affect the continuing rights of Owner after acceptance of the complete work.

11.7 The presence or absence of an inspector does not relieve Contractor from any Contract or Job Order requirement, nor is the inspector authorized to change any term or condition of the Job Order without Owner's written authorization.

11.8 Contractor shall promptly furnish, without additional charge, all facilities, labor, and material reasonably needed for performing such safe and convenient inspections and tests as may be required by Owner. Owner may charge to Contractor any additional cost of inspection or test when Work is not ready at the time specified by Contractor for inspection or test, or when prior rejection makes re-inspection or retest necessary. Owner shall perform all inspections and tests in a manner that will not unnecessarily delay the Work. Special, full size and performance tests shall be performed as described in the Job Order.

11.9 If, before acceptance of the entire Work, Owner decides to examine already-completed Work by removing it or tearing it out, Contractor, on request, shall promptly furnish all necessary facilities, labor, and material for this task. If the Work is found to be defective or nonconforming in any material respect due to the fault of Contractor or its Subcontractors, Contractor shall bear the expenses of the examination and of satisfactory reconstruction. However, if the Work is found to meet requirements, Owner shall make an equitable adjustment for the additional services involved in the examination and reconstruction, including, if completion of the Work was thereby delayed, an extension of the period of time for performance.

11.10 Substantial Completion means the date on which the Work, or an agreed-upon portion of the Work, is sufficiently complete so that Owner can occupy and use the Work or a portion thereof for its intended purposes. Unless otherwise specified in the Job Order, Owner shall accept, as promptly as practicable after completion and inspection, all Work required by the Job Order or that portion of the Work Owner determines can be accepted separately. Acceptance shall be final and conclusive, except for latent defects, fraud, gross mistakes amounting to fraud, or Owner's rights under any warranty or guarantee.

11.11 **Use and Possession Prior to Completion:** Owner shall have the right to take possession of or use any completed or partially completed part of the Work. Before taking possession of or using any

work, Owner shall furnish Contractor a list of items of work remaining to be performed or corrected on those portions of the Work that Owner intends to take possession of or use. However, failure of Owner to list any item of work shall not relieve Contractor of responsibility for complying with the terms of this Contract or the Job Order. Owner possession or use shall not be deemed an acceptance of any work under this Contract. While Owner has such possession or use, Contractor shall be relieved of the responsibility for the loss of or damage to the Work resulting from Owner's possession or use. If prior possession or use by Owner delays the progress of the Work or causes additional expense to Contractor, and such expenses or delays are adequately documented and substantiated by Contractor, an equitable adjustment shall be made in the Job Order price and/or the period of performance, and the Job Order shall be modified in writing accordingly.

11.12 **Close-Out Documentation:** Contractor shall provide the following as part of the close-out documentation:

a. An electronic file of all documentation specific to every job order project shall be submitted with close-out documents.

b. All forms below must be included with the final payment documentation of the project, as applicable:

   3) Submittals (Ex: Paint colors, carpet, equipment, supplies, and etc.)
   4) Warranties
   5) Conditional Lien Release
   6) Copies of all applicable permits, licenses, and/or other regulatory documents.

c. Contractor shall be required to submit any / all additional documentation that is related to any project upon request by the Director of Maintenance.

XII. PROTECTION OF EXISTING VEGETATION, STRUCTURES, UTILITIES AND IMPROVEMENTS; TRAFFIC CONTROL

12.1 **Preservation**: Contractor shall preserve and protect all structures, equipment and vegetation (such as trees, shrubs, and grass) on or adjacent to the Job Order site, which is not to be removed and which does not unreasonably interfere with the Work required under the Job Order. Contractor shall **only remove trees when specifically authorized by Owner to do so**, and shall avoid damaging vegetation that will remain in place. If any limbs or branches of trees are broken during performance by the operation of equipment, or by workmen, Contractor shall trim those limbs or branches with a clean cut and paint the cut with a tree pruning compound as directed by Owner.

12.2 **Existing Improvements**: Contractor shall protect from damage all existing improvements and utilities at or near the Job Order site and on adjacent property of third parties, the locations of which are made known to or should be known by Contractor. Contractor shall repair any damage to those facilities, including those that are the property of third parties, resulting from failure to comply with the requirements of this Contract or the Job Order or failure to exercise reasonable care in performing the Work. If Contractor fails or refuses to repair the damage promptly, Owner may have the necessary repair work performed and charge the cost to Contractor.

12.3 **Traffic Control:** Contractor shall be responsible for providing all necessary traffic control, such as street blockages, traffic cones, flagmen, etc., as required for each Job Order. Proposed traffic control methods and costs shall be submitted to Owner for approval in Contractor's Job Order Proposal.

XIII. CLEANING UP AND REFUSE DISPOSAL

13.1 Contractor shall at all times keep the Job Order site, including storage areas, free from accumulations of waste materials. Before completing the Work, Contractor shall remove from the premises any rubbish, tools, scaffolding, equipment, and materials that are not the property of Owner. Upon

completing the Work, Contractor shall leave the site in a clean and orderly condition satisfactory to Owner. Contractor shall be responsible and liable for all construction refuse disposal containers and their removal from the site. Disposal of any hazardous materials not addressed and priced in the Job Order will be segregated for disposal by Owner unless Owner requires Contractor to dispose of the materials, in which case, an equitable adjustment in the price will be negotiated and agreed upon. Contractor shall not use Owner's trash containers for any reason.

XIV. WARRANTY OF CONSTRUCTION

14.1 **Warranty**: In addition to any other warranties specified in any Job Orders, Contractor warrants, for the maximum period allowed by law, and except as otherwise specifically provided herein, that Work performed conforms to the Job Order and is free of any defect in equipment, material or design furnished, or workmanship performed by Contractor or any of its subcontractors or suppliers at any tier. The Contractor shall be obligated to repair or replace any defective or non-conforming Work for a period of one (1) year from the date of final acceptance of the Work. If Owner takes possession of any part of the Work before final acceptance, this one (1) year correction period shall continue for a period of one (1) year from the date possession is taken.

14.2 **Non-Conformance**: Contractor shall remedy, at Contractor's sole expense, any failure of the Work to conform to the Job Order, or any construction defect occurring during the warranty period. In addition, the Contractor shall remedy, at Contractor's expense, any damage to Owner's real or personal property, when that damage is the result of:

a. Contractor's failure to conform to requirements in this Contract or the Job Order; or
b. Any defect of equipment, material, workmanship, or design furnished by the Contractor.

If Contractor, after notice, fails to proceed promptly and remedy the problem within thirty (30) calendar days or within another period of time which has been agreed to in writing, in compliance with the terms of the warranty, Owner may have the defects corrected and the Contractor and its surety shall be liable for all expenses incurred.

14.3 **Restoration**: Contractor shall restore any work damaged in fulfilling the terms and conditions of this Section. Contractor's warranty with respect to work repaired or replaced will run for one (1) year from the date of repair or replacement. Owner shall notify Contractor, in writing, within a reasonable time after the discovery of any failure, defect, or damage. If Contractor fails to remedy any failure, defect, or damage within a reasonable time after receipt of notice, Owner shall have the right to replace, repair, or otherwise remedy the failure, defect or damage at Contractor's expense, and Contractor shall be liable to owner for any damages sustained by Owner as a result of the failure, defect, or damage.

14.4 **Third-Party Warranties:** With respect to all warranties, expressed or implied, from subcontractors, manufacturers, or suppliers for work performed and materials furnished for Job Orders issued under this Contract, Contractor shall:

a. Obtain all warranties required by the Job Order;
b. Require all warranties to be executed, in writing, for the benefit of Owner; and
c. Enforce all warranties for the benefit of Owner;

14.5 **Warranty Expiration**: In the event Contractor's warranty under paragraph 14.1 of this Article has expired, Owner may bring suit to enforce a subcontractor's, manufacturers, or supplier's warranty.

14.6 **Owner Liability**: Unless a defect is caused by the negligence or intentional act or failure to act of Contractor or subcontractor or supplier at any tier, Contractor shall not be liable for the repair of any defects of material or design furnished by Owner or for the repair of any damage which results from any defect in Owner-furnished material or design. Contractor is not responsible for and does not warranty pre-existing work or facilities that may be assigned to Contractor except as stated in the Job Order.

14.7 This warranty shall not limit Owner's rights under this Contract and/or applicable law with respect to latent defects, gross mistakes, breach of contract or fraud.

XV. PAYMENT

15.1 **Compensation**: Costs for equipment, material, and labor shall be in accordance with the Contract. Owner shall pay Contractor for Work performed on Job Orders authorized by Owner in writing, subject to allowable additions and deductions. Owner shall pay all unpaid and undisputed amounts due Contractor under this Contract within forty-five (45) days of receipt of invoice. Undisputed amounts unpaid after the date on which payment is due shall bear interest pursuant to Texas Government Code Section 2251.025Owner shall notify Contractor of an error or disputed amount in an invoice submitted for payment by Contractor no later than the 21st day after the date Owner receives the invoice and shall include in such notice a detailed statement of the amount of the invoice that is disputed, in accordance with Texas Government Code Section 2251.042(a). If Work or any portion thereof has not met the satisfactory approval of Owner's Representative, current and future payments shall not be made until both parties agree that the Work or the portion thereof has been completed in a satisfactory manner or the Work is acceptable; notwithstanding the foregoing, Owner may withhold from payments required no more than 110% of the disputed amount. Notwithstanding any provision herein to the contrary, no payment of amounts owed hereunder shall be considered past due or not paid when due except in accordance with Section 2251.021 of the Texas Government Code.

15.2 **Progress Payments**: If required by the Job Order, Owner shall make progress payments monthly as the Work proceeds, or at more frequent intervals as determined by Owner, on estimates of Work completed submitted by Contractor and approved in writing by Owner. Contractor shall use an acceptable invoice form and shall include supporting documents to reflect a written breakdown of the total price showing the amount included therein for each principal category of the Work, in such detail as requested, to provide a basis for determining progress payments. In the estimation of Work completed, Owner will authorize payment for material delivered on the site and preparatory work done if Contractor furnishes satisfactory evidence that it has acquired title to such material and that the material will be used to perform the Work.

15.3 **Application for Payment:** With each Application for Payment, Contractor must attach/detail the following information:

(1) Defective Work not remedied.
(2) Legal claims filed against Contractor or reasonable evidence indicating probable filing of claims;
(3) Failure of Contractor to make payments properly to any subcontractor or supplier for material or labor;
(4) A reasonable doubt that the Job Order can be completed for the unpaid Job Order balance; and
(5) Damage to another contractor.

15.4 **Payment Retention**: In the processing of progress payments, Owner shall retain a percentage of the estimated amount until final completion and acceptance of all Work performed under the Job Order as retainage as follows: if the Job Order is valued at less than $5 million, Owner shall retain ten percent (10%); if the Job Order is valued at $5 million or more, Owner shall retain five percent (5%). Retention applicable to each Job Order shall be released within thirty (30) days after final completion of the Job Order and acceptance of the Work under the Job Order. Per Tex. Gov't Code Section 2252.032(f), on application to Owner for final payment and release of retainage, Owner may withhold retainage if there is a bona fide dispute between Owner and the Contractor and the reason for the dispute is that labor, services, or materials provided by the Contractor, or by a person under the direction or control of the Contractor, failed to comply with the express terms of the Contract or if the surety on any outstanding surety bond executed for the Contract does not agree to the release of retainage. Owner shall provide to Contractor written notice of the basis on which Owner is withholding retainage under this section.

15.5 **Liquidated Damages**: Contractor is expected to complete each Job Order on a timely basis. Liquidated damages may be assessed at Owner's option for Contractor's failure to timely complete each Job Order and/or phase of the scope of work detailed in a Job Order. Owner may withhold as liquidated damages, or require Contractor to pay a "per day" amount, to be set forth in the Job Order, as liquidated damages for any Work not completed by the completion day set forth in the Job Order. These liquidated damages are not a penalty but are compensation to Owner for additional expenses incurred and inconvenience caused by Contractor's failure to allow Owner to receive the premises at the designated time of completion. Execution of this Contract under these specifications shall constitute the agreement by Owner and Contractor that the liquidated damages amounts stated in the Job Order are the minimum value of the costs and actual and direct damages caused by failure of Contractor to complete the Work within the allotted or agreed extended times of completion (including Substantial or Final Completion), that such sums are liquidated direct damages and as all not be constructed to be as a penalty, and that such sums may be deducted from payments due Contractor if such delay occurs. Liquidated damages shall be in addition to, and not in lieu of, any other rights or remedies Owner may have against Contractor for failure to timely achieve each Job Order and/pr phase of the scope of work.

15.6 **Right of Setoff**: In addition to all other rights and remedies that Owner may have, Owner shall have the right to setoff, against any and all amounts due to Contractor by Owner, whether due under this Contract or any other agreement between Owner (including any division of Owner) and Contractor, any sums for which Owner is entitled to under this Contract, as determined by Owner in its sole discretion, including, without limitation, sums due by Contractor to Owner as a result of indemnification obligations, warranty claims, and/or HCDE/Choice Partners Administrative Fee(s), as applicable.

XVI. TERMINATION FOR CONVENIENCE OF OWNER

16.1 **Termination**: Owner may, with or without cause, terminate performance of the Work under this Contract or any Job Order in whole or, from time to time, in part, if Owner determines that termination is in Owner's interest. Owner shall effect such termination by delivering to Contractor a Notice of Termination specifying the extent of termination and the effective date.

16.2 After receipt of a Notice of Termination, and except as directed by Owner, Contractor shall immediately proceed with the following obligations, regardless of any delay in determining or adjusting any amounts due under this Article:

a. Stop work as specified in the notice;

b. Place no further subcontracts or orders (referred to as subcontracts in this Article) for materials, services or facilities, except as necessary to complete any Work not terminated;

c. Assign to Owner, as directed by Owner, all right, title, and interest of Contractor under the subcontracts to the extent they relate to the Work terminated, in which case Owner shall have the right to settle or to pay any termination settlement proposal arising out of those terminations, or with approval or ratification to the extent required by Owner, Contractor shall settle all outstanding liabilities and termination settlement proposals arising from the termination of subcontracts, the approval or ratification of which will be final for purposes of this Section;

   i. The fabricated or un-fabricated parts, Work in process, completed Work, supplies, and other material produced or acquired for the Work terminated, and

   ii. The completed or partially completed plans, drawings, information, and other property that, if the Contract and/or Job Order had been completed, would be required to be furnished to Owner;

e. Complete performance of the Work not terminated;

f. Take any action that may be necessary, or that Owner may direct, for the protection and preservation of the property related to this Contract and/or the Job Order that is in the possession of Contractor and in which Owner has or may acquire an interest;

g. Use its best efforts to sell, as directed or authorized by Owner, any property of the types referred to in paragraph 16.2(c) above; provided, however, that Contractor is not required to extend credit to any purchaser and may acquire the property under the conditions prescribed by, and at prices approved by, Owner. The proceeds of any transfer or disposition will be applied to reduce any payments to be made by Owner under the Contract and/or Job Order, credited to the price or cost of the Work, or paid in any other manner directed by Owner.

XVII. DEFAULT

17.1 **Termination of Right to Proceed**: If Owner determines that Contractor is not prosecuting the Work with sufficient diligence to ensure completion within the time specified in the Job Order, or fails to complete the Work within this time, Owner may terminate the Contractor's right to proceed with the Work (or separable part of the Work), upon seven (7) calendar days' written notice to the Contractor. In this event, Owner may take over the Work and complete it by contract or otherwise and may take possession of and use any materials, appliances, and plant on the site necessary for completing the Work.

Contractor's right to proceed shall not be terminated under this Section, if:

a. The delay in completing the Work arises from unforeseeable causes beyond the control and without the fault or negligence of Contractor. Examples of such causes include:

Owner shall ascertain the facts and the extent of delay. If, in the judgment of Owner, the findings of fact warrant such action, the time for completing the Work under the Job Order shall be extended.

If, after termination of Contractor's right to proceed, it is determined that Contractor was not in default, or that the delay was excusable, the rights and obligations of the parties will be the same as if the termination had been issued for the convenience of Owner. The rights and remedies of Owner in this Article are in addition to any other rights and remedies provided by law or under this Contract.

17.2 **Termination for Default:** In the event Contractor fails to carry out or comply with any of the

terms and conditions of this Contract or any Job Order, Owner may notify Contractor of such failure or default in writing and demand that the failure or default be remedied within seven (7) calendar days; in the event Contractor fails to remedy such failure or default within seven (7) day period, Owner shall have the right to terminate this Contract and/or any Job Order. Without limiting the foregoing, the following shall constitute a material breach by Contractor, upon the occurrence of which Contractor shall immediately notify Owner: Contractor: (i) ceases its business operations; (ii) makes a general assignment for the benefit of creditors; (iii) is adjudged bankrupt; or (iv) becomes insolvent.

17.3 **Effect of Termination:** Termination of this Contract or any Job Order under any circumstances whatsoever shall not effect or relieve Contractor from any obligation or liability that may have been incurred or will be incurred, and such termination by Owner shall not limit any other right or remedy available to Owner at law or in equity.

XVIII. CANCELLATION FOR CONFLICT OF INTEREST

18.1 Pursuant to applicable law, Owner may cancel this Contract, without penalty or further obligation to Contractor, if any person significantly involved in initiating, negotiating, securing, drafting or creating this Contract on behalf of the Owner was at any time while this Contract or extension of this Contract is in effect, an employee or agent of any other party to this Contract in any capacity or consultant to any other party of this Contract. Title: Grant Submission
Submitted For: Joyce Akins, Center for Grants Development

Information

Posted Agenda Item:

Submission of grant proposal to Dollar General Literacy Foundation via the Education Foundation of Harris County, in the amount of $3,000, for the Leaders as Readers Summer Reading Program at ABS-East and ABS-West. The program will serve 125 students.

Subject:

Grant proposal; Dollar General Literacy Foundation; ABS-East and ABS-West; Summer Reading Program

Rationale:

In collaboration with Education Foundation of Harris County, the Center for Grants Development worked with the Schools Division to prepare and submit a grant proposal in the amount of $3,000 to Dollar General Literacy Foundation for the Schools Division ABS-East and West's Leaders as Readers Summer Reading program. The program will serve 125 students.

ABS-East and West will implement a Leaders as Readers Summer Reading Program by incorporating the n2y's Inspire approach - a multisensory, structured, sequential, and diagnostic way to teach literacy when reading, writing, and/or spelling does not come easily to students (e.g., dyslexia). Requested funds will cover expenses to purchase books, technology, instructional materials and for student incentives. Delivery of instructions will include one-on-one instruction and small groups.

The expected outcome is that all students will show measurable growth in their reading/literacy skills based on their developmental/cognitive levels and abilities. Fifteen percent of students (19) will increase reading fluency and comprehension by at least a half a grade by the end of the program. Twenty percent of students (25) will show some increase in reading fluency and comprehension by the end of the program. Ninety percent of non-readers (113) will listen and react to voices and music, pay attention to distinct and similar sounds in language, know some alphabet sounds and understand that words in print go from left to right and have meanings.

The primary aim is to enhance educational programs within the Harris County Department of Education. By securing this grant, the department can implement targeted improvements that align with the goals of better preparing future educators.

2. Financial Support:
The $40,000 allocation provides a critical financial resource for initiating and sustaining improvement efforts. This funding can be utilized for various purposes, including curriculum development, training programs, and resource acquisition, which are essential for enhancing educational quality.

3. Technical Assistance from TPI-US:
TPI-US will offer valuable technical support, ensuring that the improvements are based on best practices and evidence-based strategies. This collaboration will facilitate the development of a more effective educational framework, benefiting both educators and students.

Dear Andrea:

Congratulations! I am pleased to inform you that the **Harris County Department of Education-Center for Education Success** has been selected for ***The Houston Area Continuous Improvement Grant Award***, a collaboration of Greater Houston educator preparation programs partnering with Teacher Prep Inspection-US (TPI-US) and generously supported by the Houston Endowment. As you know from earlier communications and the application your EPP submitted for consideration, there are three key stages to the initiative:

- An On-site review of your educator preparation program conducted by TPI-US that will help to identify key areas of strength and needed improvement;
- A post-review on-site "deep dive" that will unpack review findings and support creation of a strategic improvement template;
- A $40,000 grant to your institution to enable your team and partners to implement the improvement plan; and,
- One year of online technical support from TPI-US designed to provide expert advice as you move forward with improvement plan action steps.

Please read closely the information included in this letter. There are important instructions to be followed that are critical to the successful implementation of this project at your institution. Your success is important to TPI-US. Please contact us if you have any questions about getting your project started. Please consider this letter your Notice of Grant Award (NGA).

As part of this initiative TPI-US is partnering with the Houston Endowment to conduct five Comprehensive On-Site Reviews of university-based Educator Preparation Programs (EPPs) to strengthen the quality of their preparation, training, and coursework for new teachers hired into the Greater Houston area districts.

Following the Review, TPI-US will conduct a two-day Deep Dive of the Review findings to help your program to create a strategic improvement template. TPI-US would then continue our partnership with your EPP to provide needs-based technical assistance through the Spring 2025 semester. A primary goal of this follow-on support would be helping your program to embed an effective system of continuous improvement into the standard operating procedures of your program(s).

Each selected EPP will receive a $40,000 grant through the funding support of the Houston Endowment to implement the review findings and subsequent Deep Dive and to support your continuous improvement efforts.

EPP Continuous Improvement Grant Award Timeline

1. Announcement of Participation Award the week of October 16th, 2023. On-site reviews to occur in Spring 2024
2. Work with TPI-US to prepare for Comprehensive Review (10-12 week preparation runway before your Spring Semester Review 2024)
3. Participate in On-site Comprehensive Review (Spring Semester 2024)
4. Participate in 2 Day onsite Deep Dive of Review Findings to develop Priority Improvement Plan (End of Spring Semester 2024)
5. Award of $40,000 Implementation Grant in April 2024
6. Take advantage of online Technical Support Office Hours for one year following the Comprehensive Review
7. The timely submission of an end of year Progress Report is a requirement of this award by December 27, 2024.

Please note that Derrick Browning our Director of Finance will be responsible for monitoring and assisting with funds associated with this project. His Email is: dbrowning@tpius.org. Please share a signed copy of this letter with Derrick Browning as confirmation of your participation by Friday, November 3, 2023.

Your Programmatic support on this project will be provided by Stephanie Howard showard@tpius.org and Kathleen Richardson krichardson@tpius.org. Either one will set up time to confirm your spring comprehensive review date and begin the 10-12 week logistics process.

Submission of grant proposal via the Education Foundation of Harris County, in the amount of $20,000, to Mrs. Meyer Clean Day and KidsGardening to support ABS-East's East Bloom Learning Garden. The project will serve 50 students and the surrounding community.

Subject:

Grant proposal; Mrs. Meyer Clean Day and KidsGardening; ABS East; East Bloom Learning Garden at ABS-East.

Rationale:

In collaboration with the Education Foundation of Harris County, the Center for Grants Development submitted a $20,000 grant request to Mrs. Meyer Clean Day and KidsGardening to implement the East Bloom Learning Garden at ABS-East.
This project will transform a vacant lot into a healing, therapeutic space that aligns with ABS-East's mission to support the whole child. The garden will serve as an outdoor classroom, offering hands-on, sensory-rich experiences that foster emotional regulation, connection, and self-confidence. It will also cultivate responsibility and teamwork through meaningful, shared work.
Designed to benefit 50 students and the surrounding community, the garden will fill a gap in hands-on, project-based learning at ABS-East. It will support cross-curricular goals in science, health, art, and social-emotional development. Planned activities include planting days, harvest celebrations, and garden-based lessons that strengthen relationships and promote community engagement.
The East Bloom Learning Garden will serve as a shared space where staff, students, families, and community partners can connect through a common purpose.
