

Celebrate Creativity Week with CASE for Kids!

What is Creativity Week?

Crayola Creativity Week runs from **January 27 until February 2**. This week is designed to celebrate the spark of creativity with youth in your educational programs.

During the week, Crayola releases special webinars, activities, giveaways, to support the ever-important work happening in classrooms and out-of-school time programs.

Visit <https://creativity-week.squarespace.com> to register your program.

To access more hands-on activities in art, storytelling, entrepreneurship, and science celebrate creativity in every endeavor. Dive into the activities now, by **visiting** <https://www.mizzen.org>

Show off and Enter to Win a Class Set of Coloring Supplies!

Does your program have something amazing planned for Creativity Week? Do you want to show off your students' hard work?

Share their projects, art pieces, and special creativity moments captured during **Creativity Week** by tagging **#CASEforKids** in your social media posts by **5:00 pm Friday February 7, 2025**.

CASE for Kids will choose a winning design from an afterschool program that shares their most creative project. The Top two art projects will win a **classroom set of Crayola Coloring Markers!**
