

## **SUMMER LEARNING WEEK TRAINING SERIES JUNE 24-27, 2025**

CASE for Kids invites you to participate in our Summer Learning Week Series as we prepare for National Summer Learning Week! This engaging series will equip educators, program leaders, and community partners with valuable strategies and resources to maximize summer learning opportunities for youth.

### **What is Summer Learning Week training series?**

Join CASE for Kids for our Summer Learning Week Series, where each day highlights a fun, engaging activity you can implement in your program to enhance summer learning during National Summer Learning Week (July 14-18, 2025)! This interactive series will provide hands-on strategies to keep youth engaged, prevent summer learning loss, and foster creativity and collaboration.

### **What is Summer Learning Week?**

National Summer Learning Week (July 14-18, 2025) is a nationwide celebration dedicated to ensuring all children have access to high-quality learning experiences during the summer months. Organized by the National Summer Learning Association (NSLA), this annual event highlights the importance of summer learning in closing achievement gaps, preventing summer slide, and fostering lifelong skills in students.
