ASSESSMENT OUTCOMES

75% of students will reach "school readiness goals" as they transition from Head Start to Kindergarten.

Mid-Year Assessment Results for Four Year Olds

10 20 30 40 50 60 70 80 90 100

Approaches to Learning/Social and Emotional Development 88.5%

Language and Literacy 57.2%

Cognition and General Knowledge 81.4%

Perceptual, Motor, and Physical Development 86.5%

Due to COVID-19, Campuses were closed early. Head Start was unable to collect endof-year assessment results. As a result, Head Start was unable to fully assess student outcomes; however, mid-year results indicate Head Start was on track to meet at least three out of four domains.

PARENT SATISFACTION

97.5% of Head Start parents reported being satisfied

100%

of parents whose children attend Early Head Start or a Child Care Partnership Center reported being satisfied

97.6%

with Head Start

of all parents reported being satisfied with Head Start

SUPERMENTORS

SuperMENtors Responses

10 20 30 40 50 60 70 80 90 100

Children ask them to read at home 96.2

Child or children ask them to go to the library 80.6

Child tries to look at the books by themselves 98.8

Children says he/she likes to read 95.1

Parents expressed their satisfaction with Head Start staff, its volunteers, and the materials used. Parents also reported seeing changes in their child's reading behavior and newfound interest in reading. Some parents suggested extending the length of the program.
