Investment Report Narrative

The Department's funds are required to be deposited and invested under the terms of a depository contract pursuant to the Texas School Depository Act and local Board Policy. The depository bank pledges securities which comply with state law and these securities are held for safekeeping and trust with the Department's and the depository bank's agent bank.

HCDE funds are currently invested in investment pools and with the depository bank. The investment pools used are: Lone Star, Tex Pool, and TexStar. The depository bank is J.P. Morgan Chase.

Changes in balances are caused by additions or withdrawals to these accounts. Tax collection deposits are automatically deposited to the TexStar account.

The Public Facility Corporation (PFC) funds are invested with Bank of Texas, Tex Pools and J. P. Morgan Chase. These funds are reserved as required by the bond covenant.

All funds are properly collateralized according the PFIA (Public Funds Investment Act).

All funds are invested overnight to capture rising interest rates

Book Value = Market Value. Book value refers to the financial institution statement which is reconciled to the general ledger.

Moving Forward

The department will continue to monitor its investments and find best value to capture additional interest earnings while preserving the capital in accordance with our adopted investment strategy.

Compliance Statement

In accordance with Texas Government Code, Section 2256, Public Funds Investment Act, HCDE has adopted written investment policy, CDA (LEGAL) and CDA (LOCAL) Other Revenues: Investments requiring the investment officers to prepare and submit a written report of investment transactions for the preceding reporting period to the Board of Trustees. The report must be prepared at least on a Monthly basis and must:

- Describe in detail the investment position of HCDE on the date of the report.
- Contain a summary statement of each pooled fund group including beginning market value for the reporting period; additions and changes to the market value during the period and ending market value for the period.
- State the book value and market value of each invested asset at the beginning and end of the reporting period by type of asset and fund type invested.
- State the account, fund or pooled fund group for which each asset was acquired.
- State compliance of the investment portfolio with the HCDE investment policy and investment strategies and with state law.

HCDE is in compliance with the Public Funds Investment Act. All investments purchased must meet the three basic tenets included in the investment policy: safety, liquidity, and yield.

The day-to-day cash management and HCDE investments are the responsibility of the Asst. Superintendent, Chief Accounting Officer, Budget & Business Analyst, and the Senior Accountant.

As the approved investment officer of Harris County Department of Education, I hereby certify that the preceding Investment Report represents the investment position of the Department as of the date above in compliance with the Board-approved Investment Policy, the Public Funds Investment Act, and generally accepted accounting principles.

**Summary Schedule of Weighted Average Maturity (A) –
Investment Type General Fund**

(#1) INVESTMENT TYPE	(#2) BOOK VALUE	(#3) DAYS TO MATURITY	(#4) BOOK VALUE * DAYS (#2) * (#3)	WEIGHTED AVERAGE MATURITY (B)
First Public/Lone Star Inv Pool	\$ 2,637,255	1	\$ 2,637,255	2.31
TexPool Inv Pool	1,477,501	1	1,477,501	1.05
TexSTAR Inv Pool	35,333,217	1	35,333,217	27.60
Banks: Overnight & Cash	2,796,206	1	2,796,206	-
Totals	\$ 42,244,179		\$ 42,244,179	7.74

- (A) For HCDE all deposits are due on demand. In this case the WAM = the total (#4) of \$42,244,179 Divided by (#2) Book Value = 1 Days to Maturity
- (B) The WAM of 7.74 is for the entire investment pool.

This measure is useful in determining the degree of market or interest rate risk. The longer the WAM, the more exposure to market risk and the more potential for capital gains or losses.

Although TexPool, TexSTAR, and Lone Star have a weighted average maturity greater than one, the funds are available to the Department within one day. HCDE holds investments to maturity, which minimizes this market exposure.

HCDE/Choice Partners recommends award of a one (1) year contract from 04/01/2020 to 03/31/2021 to the vendors stated above in Posted Agenda Item. (#20/008KD-02); Daniel Office Products, Inc. (#20/008KD-06) for the period 04/01/2020 through 03/31/2021.

Subject:

Choice Partners; Contract Award; Office Supplies and Related Items; Revenue Generating

Rationale:

The process enacted was Request for Proposals (RFP) to acquire proposals from vendors to provide Office Supplies and Related Items to HCDE/Choice Partners members.

Nine hundred and ten (910) invitations were extended for proposals. Thirteen (13) responses were received from vendors. Each response was reviewed for compliance with the requirements of RFP no. 20/008KD. All responses that met the criteria of the RFP were evaluated and scored. Two (2) vendors were determined to be non-responsive, five (5) vendors were non-awarded, and six (6) vendors offering best value to HCDE/Choice Partners and its members were selected for award.

HCDE/Choice Partners recommends award of a one (1) year contract from 04/01/2020 to 03/31/2021 to the vendors stated above in Posted Agenda Item. Contract no. 20/008KD has the option for one additional annual renewal. Anticipated revenue from contract no. 20/008KD will be an administrative fee of two percent (2%) on all sales made under this contract. This contract is governed by Texas Education Code 44.031.
