Dear Mr. Amezcua:

A panel of independent reviewers has completed its examination of your Popular Annual Financial Report (PAFR) submitted to Government Finance Officers Association (GFOA). We are pleased to notify you that your PAFR for the fiscal year ended August 31, 2019, has substantially met the requirements of the PAFR Program. In the absence of authoritative standards governing the presentation, these requirements are based on an evaluation of information presented, reader appeal, understandability, distribution, and other elements (such as whether the PAFR is a notable achievement for the government given the government's type and size, and the PAFR's creativity and usefulness). The report received a weighted average score of 75.00 percent or above from three of the four highest individual reviews.

Each entity submitting a report to the PAFR Program is provided with confidential comments and suggestions for possible improvements in the subsequent year's presentation. Your comments and suggestions, as well as a "Summary of Grading" form, are enclosed. We urge you to carefully consider the suggestions offered by our reviewers as you prepare your next PAFR.

First-time recipients will find a Certificate enclosed with these results and will receive a plaque in approximately 10 weeks. We hope that appropriate publicity will be given to this notable achievement. A sample news release has been enclosed.

A current holder of a PAFR Award may include a reproduction of the Certificate in its immediately subsequent PAFR. A camera-ready copy of your Certificate is enclosed for that purpose. If you reproduce your Certificate in your next report, please refer to the enclosed instructions.

The PAFR Award is valid for one year. To continue your participation in the program, it will be necessary for you to submit your next PAFR to GFOA within six months of the end of your entity's fiscal year. A Popular Annual Financial Reporting Award Program Application is posted on GFOA's website at www.gfoa.org.

Over the course of the year, we are anticipating some changes to our application process. We will still be asking governments for the same documents we asked for in the past, but we are encouraging electronic submissions to pafr@gfoa.org and expect to be making other changes going forward. We will keep members informed of any changes via email, and application instructions will be updated on our website.

We appreciate your participation in this program, and we sincerely hope that your example will encourage others in their efforts to achieve and maintain a well-presented PAFR. If we can be of further assistance, please do not hesitate to contact the PAFR Program staff in the Technical Services Center at (312) 977-9700.

Sincerely,

Investment Report Narrative

The Department's funds are required to be deposited and invested under the terms of a depository contract pursuant to the Texas School Depository Act and local Board Policy. The depository bank pledges securities which comply with state law and these securities are held for safekeeping and trust with the Department's and the depository bank's agent bank.

HCDE funds are currently invested in investment pools and with the depository bank. The investment pools used are: Lone Star, Tex Pool, Texas Class and TexStar. The depository bank is J.P. Morgan Chase.

Changes in balances are caused by additions or withdrawals to these accounts. Tax collection deposits are automatically deposited to the TexStar account.

The Public Facility Corporation (PFC) funds are invested with Bank of Texas, Tex-Pools and J. P. Morgan Chase. These funds are reserved as required by the bond covenant.

All funds are properly collateralized according the PFIA (Public Funds Investment Act).

All funds are invested overnight to capture rising interest rates

Book Value = Market Value. Book value refers to the financial institution statement which is reconciled to the general ledger.

Moving Forward

The department will continue to monitor its investments and find best value to capture additional interest earnings while preserving the capital in accordance with our adopted investment strategy.

Compliance Statement

In accordance with Texas Government Code, Section 2256, Public Funds Investment Act, HCDE has adopted written investment policy, CDA (LEGAL) and CDA (LOCAL) Other Revenues: Investments requiring the investment officers to prepare and submit a written report of investment transactions for the preceding reporting period to the Board of Trustees. The report must be prepared at least on a Monthly basis and must:

- Describe in detail the investment position of HCDE on the date of the report.
- Contain a summary statement of each pooled fund group including beginning market value for the reporting period; additions and changes to the market value during the period and ending market value for the period.
- State the book value and market value of each invested asset at the beginning and end of the reporting period by type of asset and fund type invested.
- State the account, fund or pooled fund group for which each asset was acquired.
- State compliance of the investment portfolio with the HCDE investment policy and investment strategies and with state law.

HCDE follows the Public Funds Investment Act. All investments purchased must meet the three basic tenets included in the investment policy: safety, liquidity, and yield.

The day-to-day cash management and HCDE investments are the responsibility of the Asst. Superintendent, Chief Accounting Officer, Budget & Business Analyst, and the Senior Accountant.

As the approved investment officer of Harris County Department of Education, I hereby certify that the preceding Investment Report represents the investment position of the Department as of the date above in compliance with the Board-approved Investment Policy, the Public Funds Investment Act, and generally accepted accounting principles.

**Summary Schedule of Weighted Average Maturity (A) –

(#1) INVESTMENT TYPE	(#2) BOOK VALUE	(#3) DAYS TO MATURITY	(#4) BOOK VALUE * DAYS (#2) * (#3)	WEIGHTED AVERAGE MATURITY (B)
First Public/Lone Star Inv Pool	\$ 23,302,434	1	\$ 23,302,434	16.83

Texas Class	9,194,658	1	9,194,658	3.49
Banks: Overnight & Cash	2,167,645	1	2,167,645	-
Totals	\$ 55,394,288		\$ 55,394,288	8.60

- (A) For HCDE all deposits are due on demand. In this case the WAM = the total (#4) of \$55,394,288 Divided by (#2) Book Value = 1 Days to Maturity
- (B) The WAM of 8.60 is for the entire investment pool.

This measure is useful in determining the degree of market or interest rate risk. The longer the WAM, the more exposure to market risk and the more potential for capital gains or losses.

Although TexPool, TexSTAR, Texas Class and Lone Star have a weighted average maturity greater than one, the funds are available to the Department within one day. HCDE holds investments to maturity, which minimizes this market exposure.

He stated that HCDE moved up in the rankings, ranking number 13 this year compared to number 24 last year. He addressed that on page 21 of the publication, HCDE is highlighted as one of the most improved organizations in the greater Houston area. He stated that he was proud of this recognition and proud that HCDE has a strong culture and sense of pride and that there was a lot of good feedback from employees. He stated that

the survey included in the process will be broken down and shared with the executive leadership team, who will share the feedback with leadership team to continue to refine and work on best practices and hopefully make it to the number one ranking next year.

Mr. Colbert recognized that this month across the country was a month to honor board members. He recognized the HCDE board, stating that normally there would be a formal ceremony, but in light of COVID, HCDE is exercising discipline in not having a large gathering. He pointed out that almost everyone in the audience with a few exceptions were employees of HCDE. He stated that the board members were public servants and that board members have the option of getting paid \$6 per meeting, not to exceed \$72 per year. He recognized that board members take off of work, as board meetings are in the middle of the day. Board members also spend time on their own preparing for the meetings. He stated that he'd been a superintendent for 11 years and he advises other superintendents that their professional development will come from their trustees and trustees are the ones who will help them to grow. He stated that some of the HCDE trustees have been with HCDE for a long time even before they were on the board and attended meetings in the audience or watching on YouTube. He recognized that they were truly dedicated to the cause of trying to help people in Harris County, through public service. Mr. Colbert mentioned there were several things the board would be receiving today in recognition of their services, including a certificate of recognition. Mr. Colbert brought attention to a video that was put together by the communications division and stated that each board member will have his/her video appear on HCDE's website and social media. After showing the video, Mr. Colbert and executive leadership team members presented each board member with HCDE shirts and jackets, a plaque with each trustee's name that included a photograph of an HCDE Head Start student, and a swag bag. Individual photos of each board member holding his/her plaque were taken.

He stated they would continue to discuss the opportunity next month with another board workshop and hopefully be ready to take action in the near future.

- E. **Other reports from Board members** concerning attendance or participation in a board or HCDE-related conference, event, activity, or committee; accolades for an HCDE staff member or other deserving person.

He further recognized the number of vacant board member spots on committees and subcommittees and suggested further discussion of this during the retreat and discussed the possibility of adding and eliminating specific committees and subcommittees. He stated a Citizen Advisory Committee policy was recently created and suggested further discussion on appointing special committees with the general public and that the board members at least evaluate whether or not to proceed with a Citizen Advisory Committee.

The following terms and conditions apply to recipients of Disaster Relief Act funds:

- 1) Disaster Relief Act funds must be expended by grantees within the 24-month period following ACF's obligation of those funds unless a waiver of the expenditure period is given by the Office of Management and Budget (OMB). Audit

At least annually, the Department shall have an independent auditing firm perform a compliance audit of management controls on investments and adherence to the Board's established investment policies in conjunction with the annual financial audit. The Department's investment officers and the Department's investment procedures shall be subject to an annual compliance audit and any special audits as required. The external audit firm will formally review the monthly investment reports and report findings to the governing body during the annual audit process.

Internal Controls

The investment officers shall establish a system of internal controls which shall be documented in writing and approved by the Board. The internal controls shall be reviewed with the independent auditor on an annual basis. These controls shall be designed to control collusion and to implement a separation of functions including the separation of transaction authority from accounting and record-keeping. The controls shall also establish custodial safekeeping guidelines, procedures for the delegation of authority to subordinate staff, and specific limitations regarding securities losses and remedial action. Furthermore, the controls shall require written confirmation of telephone transactions and documentation of transactions and strategies. Controls shall include the requirement for two separate authorizations on the quote sheet to initiate the investment purchase.

Broker/Dealers

Prior to handling investments on behalf of the Department, brokers/dealers must submit required written documents in accordance with law. {See SELLERS OF INVESTMENTS, CDA (LEGAL)} Representatives of brokers/dealers shall be registered with the Texas State Securities Board and must have membership in the Securities Investor Protection Corporation (SIPC), and be in good standing with the Financial Industry Regulatory authority (FINRA). At the time the broker/dealer is considered by the Board, the record of complaints filed and resolutions available shall be provided to the Board.

Safekeeping

All purchased securities and collateral shall be held in safekeeping by the Department, or a Department account in a third-party financial institution, or with a Federal Reserve Bank.

Securities and collateral will be held by a third party custodian designated by the Department, and held in the Department's name as evidenced by safekeeping receipts of the institution with which the securities are deposited. Delivery vs.
Payment

All funds involved in the settlement of transactions of investment securities shall be transferred using the delivery vs. payment (DVP) method through the Federal Reserve System. By so doing, Department funds or securities are not released by a third party until the counterparty presents the agreed-upon transaction.

Safety

The primary goal of the investment program is to ensure safety of principal to maintain liquidity, and to maximize financial returns within current market conditions in accordance with this policy. Investments shall be made in a manner that ensures the preservation of capital in the overall portfolio, and offsets during a 12-month period any market price losses resulting from interest-rate fluctuations.

Competitive Bids

It is the policy of the Department to require competitive bidding for all securities purchases and sales with the exception of those transactions involving money market mutual funds and public funds investment pools and when issued securities, which are deemed to be made at prevailing market rates. At least three bids or offers (which may be verbal, followed-up with the information in writing) must be solicited from approved broker dealers. In instances in which the exact security being offered cannot be found by competing dealers, offers on like securities may be used to establish a fair market price.

**Investment
Strategies by Fund**

The Department's investment strategies for each of its funds, including but not limited to operating, agency, debt service and capital projects, are incorporated into this investment policy as follows. The investment objectives for each of the following funds use the following priorities in order of importance: (1) understanding of the suitability of the investment to the financial requirements of the entity; (2) preservation and safety of principal; (3) liquidity; (4) marketability of the investment if the need arises to liquidate before maturity; (5) diversification of the investment portfolio; and (6) yield.

General Fund

The General Fund includes the operating and payroll accounts. The investment strategy for this fund has as its primary objective to ensure the preservation and safety of principal. Secondly, the objective shall be that anticipated cash flows are matched with adequate investment liquidity. These objectives shall be accomplished by purchasing quality short- to medium-term securities whose maturities closely match the funds cash flow requirements. The dollar average weighted maturity of general fund investments shall not exceed 365 days.

**Special Revenue
Fund**

The Special Revenue Fund includes food service, public activity, and consolidated application funds. The investment strategy for this fund has as its primary objectives safety, investment liquidity, and maturity sufficient to meet anticipated cash flow requirements.

OTHER REVENUES
INVESTMENTS

CDA
(LOCAL)

These objectives shall be accomplished by purchasing quality short-term securities and by investing in investment pools. The dollar average weighted maturity of general fund investments shall not exceed 365 days.

Debt Service Fund

The investment strategy for the Debt Service Fund has as its primary objective preservation and safety of principal. Secondly, the objective shall be sufficient liquidity to meet scheduled debt service payment obligations. The maximum maturity of any individual investment shall not exceed three years.

Capital Projects Fund

The investment strategy for the Capital Projects Fund has as its primary objective the preservation and safety of principal. The second objective is to ensure that anticipated cash flows are matched with adequate investment liquidity. These objectives shall be accomplished by purchasing short- to medium-term securities or investment pools. The maximum maturity of any individual investment shall not exceed three years.

Suitability

The primary investment objectives of the Department are preservation of principal and liquidity; income is secondary. The investments must be appropriate to meet the needs and circumstances of the Department's operating budget. The investment officers shall use reasonable judgment to determine whether the investment is applicable to the portfolio needs of the Department.

Preservation and Safety of Principal

The investment officers shall exercise diligence and thoroughness in making an investment transaction. Receipts for confirmations of trades will include information on trade date, par value, maturity, price, settlement date, and description of securities purchased, and they will show the Department as the purchaser.

Liquidity

Maturities of investments made shall be scheduled to coincide with projected cash flow needs, taking into account large routine expenditures (payroll, debt service payments, and general expenditures), anticipated payouts of capital project expenditures, sizable blocks of anticipated revenue, and periodic reimbursements from other funds or accounts. Investments will be made with the intent of pursuing, at the time of purchase, the best rate of return on securities held until maturity, and not with the intent of speculative trading. Securities, however, may be sold or exchanged before they mature if market conditions present an opportunity to benefit from the trade or if necessary to meet cash needs. Careful consideration will be given to the effect of the sale on the remaining portfolio.

Investment Diversification

The Department shall diversify the investment instruments within the portfolio to avoid incurring reasonable risks inherent in over-investing in specific instruments, individual financial institutions, or

OTHER REVENUES
INVESTMENTS

CDA
(LOCAL)

maturities, so that no single investment or class of investments can have a disproportionate impact on the total portfolio. The asset allocation in the portfolio should, however, be flexible depending upon the outlook for the economy and the securities markets. Diversification to avoid over-concentration in a specific instrument does not apply to U.S. Treasury securities and money market mutual funds. No individual investment transaction shall be undertaken that jeopardizes the total capital position of the overall portfolio.

The Department recognizes that investment risks may result from issuer defaults, market price changes, or various technical complications leading to temporary illiquidity. Portfolio diversification is employed as a way to control risk. The investment officers are expected to display prudence in the selection of securities as a way to minimize default risk. No individual investment transaction shall be undertaken that jeopardizes the total capital position of the overall portfolio. In the event of default by a specific issuer, the investment officers shall review, and, if appropriate, proceed to liquidate securities having comparable credit risks. To control market price risks, volatile investment instruments shall be avoided.

Yield

Investment officers shall strive to earn a competitive total return on the portfolio consistent with the objectives and priorities stated in this policy. Total return shall mean the interest or dividend payments and appreciation or depreciation of the principal of the investment. Cash use estimates are used to make investment decisions. All available funds should be invested to earn interest for the Department. Enough of the funds will be invested in nonvolatile, liquid investments to ensure payments when due. Moderate income volatility is permitted. Financial risk is unacceptable, and because the investment time horizon of the funds are relatively short, exposure to interest rate risk and purchasing power risk will be minimal. The annual time-weighted rate of return on the portfolio should be compared with the total return on three-month Treasury bills to evaluate the portfolio's performance.

**Approved
Investment
Instruments**

From those investments authorized by law and described further in CDA(LEGAL) under Authorized Investments. All investments made or sold on behalf of the Department must fall within the guidelines provided in Government Code, Chapter 2256, Public Funds Investments Act (short title), and are subject to such other restrictions as may be imposed by the Department Board by resolution or order. The following are the types of investments authorized for Department funds, with restrictions as noted [See CDA(LEGAL)—AUTHORIZED INVESTMENTS]:

The Board will review the investment policy each fiscal year and adopt a written instrument stating that it has reviewed the investment policy and investment strategies and that the written instrument so adopted shall record the changes made to either the investment policy or investment strategies.

**Liquidity and
Maturity**

Any internally created pool fund group of the Department shall have a maximum dollar weighted maturity of 180 days. The maximum allowable stated maturity of any other individual investment owned by the Department shall not exceed one year from the time of purchase. The Board may specifically authorize a longer maturity for a given investment, within legal limits.

The Department's investment portfolio shall have sufficient liquidity to meet anticipated cash flow requirements.

Diversity

The investment portfolio shall be diversified in terms of investment instruments, maturity scheduling, and financial institutions to reduce risk of loss resulting from overconcentration of assets in a specific class of investments, specific maturity, or specific issuer.

**Investment

**Sellers of

Rationale:

The process enacted was Competitive Sealed Proposals (CSP) to acquire proposals from vendors to provide Maintenance Component (TEC 44.031) and Component for Job Order Contracting IDIQ Minor Construction, Maintenance, Repair, Alteration, Renovation, and Remediation services (Texas Government Code 2269) for Trades to HCDE/Choice Partners members.

Three thousand three hundred seventy-one (3,371) invitations were extended for proposals. Fifty-seven (57) responses were received from vendors. The responses were reviewed for compliance with the requirements of CSP no. 21/021MJ. All responses that met the criteria and requirements of the CSP were evaluated and scored. Ten (10) vendors were deemed non-responsive, Eight (8) vendors were

non-awarded, and Thirty-nine (39) vendors offering best value to HCDE/Choice Partners and its members were selected for awards.

HCDE/Choice Partners recommends award of a one (1) year contract from 02/24/2021 to 02/23/2022 to the vendors stated above in Posted Agenda Item. Contract no. 21/021MJ has the option for up to three (3) annual renewals. between Harris County Department of Education
& City of Wharton

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, and Chapter 271, Subchapter F of the Texas Local Government Code, and other similar, applicable laws of other states, this Interlocal Agreement ("Agreement") is made and entered into by and between Harris County Department of Education ("HCDE"), located in Houston, Texas, and City of Wharton, a local governmental entity and/or political subdivision ("LGE"), located in Wharton (city), Texas (state), for the purpose of contracting for the performance of governmental functions and services. The undersigned may be referred to in this Agreement individually as a "Party" and collectively as the "Parties."

Preamble

HCDE is a local governmental entity established to promote education in Harris County, Texas and is duly authorized to provide programs and services in the State of Texas. Both HCDE and LGE desire to set forth, in writing, the terms and conditions of their agreement.

General Terms and Conditions

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. **Term.** The term of this Agreement shall commence on the date of the first signature of this Agreement ("Effective Date") and shall automatically renew annually, unless either Party gives thirty (30) days prior written notice of non-renewal.
2. **Agreement.** The terms of this Agreement shall apply and will be considered a part of any addendum, purchase order, or contract for programs and services delivered by HCDE. This Agreement and the attached and incorporated addenda, purchase orders, or exhibits, if any, contain the entire agreement of the parties, and there are no representations, agreements, arrangements, or undertakings, oral or written, between the Parties to this Agreement other than those set forth in this Agreement and duly executed in writing.
3. **Purpose and Scope of Work.**
 - A. **HCDE agrees to:**
 - Provide LGE with descriptive offerings of each of the programs and services that HCDE provides.
 - Provide programs and services upon LGE's submission of independent contracts or purchase orders to HCDE and HCDE's acceptance thereof. HCDE's obligations to provide programs and services is contingent on HCDE acquiring and maintaining sufficient staffing through reasonable efforts to satisfy HCDE's obligations under this Agreement and all similar obligations under its contracts with other local governmental entities.
 - Conduct, at a minimum, an annual audit or survey, as appropriate, for each of the programs and services that HCDE delivers.
 - B. **LGE agrees to:**
 - Participate in any or all of the programs and services that HCDE offers, in LGE's sole discretion.

- Submit purchase order(s) or independent contract(s) for each of the HCDE programs and/or services that LGE desires to purchase and/or collaborate.
 - Agree to follow the terms and conditions of each independent contract or purchase order.
 - Designate a person to act as LGE's representative to each respective HCDE program and/or service delivered.
4. As is. HCDE makes this Agreement available to HCDE participating entities "as is" and is under no obligation to revise the terms, conditions, scope, prices, and/or any requirements of the Agreement for the benefit of LGE.
5. Master Contract. This Agreement can be utilized as a Master Contract. The general terms and conditions in this Agreement will serve to outline the working relationship between HCDE and LGE.

LGE agrees to adhere to the specific terms and conditions set forth for the HCDE programs and/or services as contracted by LGE. In the case of a conflict between this Agreement and any addendum, purchase order, or individual contract for a specific HCDE program or service, the provisions of the addendum, purchase order, or individual contract will govern.

6. Payments. The Parties agree that all payments made under this Agreement will be in an amount that fairly compensates the performing Party for the services or functions performed under this Agreement. The Parties further agree that each Party paying for the performance of governmental functions or services pursuant to this Agreement must make those payments from current revenues available to the paying Party.
7. Invoices. HCDE will invoice LGE for the HCDE programs and services that LGE purchases from HCDE. LGE agrees to remit payment to HCDE within thirty (30) days after the later of the following: (1) the date LGE receives the goods; (2) the date the performance of the service is completed; or (3) the date LGE receives an invoice for the goods or service. If LGE makes a payment to HCDE with a credit card, LGE agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and/or costs incurred by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
8. Participation in HCDE's Cooperative Purchasing Program. If LGE elects to participate in HCDE's cooperative purchasing program, Choice Partners, LGE shall be permitted to purchase goods and services using the contracts competitively procured by HCDE. HCDE does not assess a fee to LGE for participation in Choice Partners. LGE shall make payments directly to vendors. LGE shall be responsible for ordering, inspecting, and accepting the goods and services purchased through Choice Partners. LGE shall further be responsible for the vendors' compliance with provisions relating to the specific quality of goods and services delivered and terms of delivered, as set forth between LGE and the vendor. HCDE is not responsible or liable for the performance of any vendor used by LGE as a result of this Agreement or LGE's participation in Choice Partners.
9. Compliance with Laws. Each Party is responsible for complying with applicable laws and regulations relating to this Agreement and any purchase made under this Agreement.

10. Termination. This Agreement may be terminated prior to the expiration of the Term hereof as follows:
- By either Party, with or without cause, upon thirty (30) days' prior written notice;
 - By mutual written agreement of the Parties; or
 - By either Party immediately if the other Party commits a material breach of any of the terms of this Agreement and no remedial action can be agreed upon by the Parties.

Termination of this Agreement by a Party shall not terminate an existing purchase order or individual contract between HCDE and LGE or between LGE and an HCDE cooperative purchasing program vendor. In the event of termination of this Agreement or any purchase order or individual contract, LGE shall be responsible for compensating HCDE for programs and services provided by HCDE up to the effective date of termination.

11. Assignment. Neither this Agreement nor any duties or obligations entered in subsequent contracts because of this agreement shall be assignable by either party without the prior written acknowledgment and authorization of both parties.
12. Conflict of Interest. During the Term of HCDE's service to LGE, LGE, its personnel and agents, shall not, directly or indirectly, whether for LGE's own account or with any other person or entity whatsoever, employ, solicit or endeavor to entice away any person who is employed by HCDE.
13. Contract Amendment. This Agreement may be amended only by the mutual agreement of all Parties, in writing, to be attached to and incorporated into this Agreement.
14. Notice. Any notice provided under the terms of this Agreement by either party to the other shall be in writing and shall be sent by **certified mail, return receipt requested**. Notice to shall be sufficient if made or addressed as follows:

15. Relation of Parties. It is the intention of the parties that LGE is independent of HCDE and not an employee, agent, joint venturer, or partner of HCDE and nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee, agent, joint venturer or partner, between HCDE and LGE or HCDE and any of LGE's representatives.
16. Non-Exclusivity of Services. Nothing in this Agreement may be construed to imply that HCDE has exclusive right to provide LGE with programs or services. During the Term of this Agreement, LGE reserves the right to use all available resources to procure other programs and services as needed and, in doing so, will not violate any rights of HCDE.

17. Disclaimer. HCDE DOES NOT WARRANT THAT THE OPERATION OR USE OF HCDE PROGRAMS AND/OR SERVICES WILL BE UNINTERRUPTED OR ERROR FREE. HCDE HEREBY DISCLAIMS ANY AND ALL WARRANTIES, EXPRESS OR IMPLIED, IN REGARD TO ANY INFORMATION, PRODUCT, PROGRAM, OR SERVICE FURNISHED UNDER THIS AGREEMENT, INCLUDING, WITHOUT LIMITATION, ANY AND ALL IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.
18. Limitation of Liability. Without waiver of the Disclaimer in Article 17 of this Agreement, the Parties agree that:
 - Neither Party waives any immunity afforded to it under applicable law; and
 - Neither Party shall be liable to the other Party for special, incidental, or exemplary damages with regard to any lawsuit or formal adjudication arising out of or relating to this Agreement.
19. Severability. In the event that any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Agreement shall be construed as if such invalid, illegality, or unenforceable provision had never been contained in it.
20. Governing Law and Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of Texas, without regard to its conflicts of laws provisions. The mandatory and exclusive venue for the adjudication or resolution of any dispute arising out of this Agreement shall be in Houston, Harris County, Texas.
21. No Waiver. Nothing in this Agreement shall be deemed to waive, modify, or amend any legal defense available at law or equity to a Party, including the defense(s) of immunity. No failure on the part of either Party at any time to require the performance by the other Party of any term hereof shall be taken or held to be a waiver of such term or in any way affect such Party's right to enforce such term, and no waiver on the part of either Party of any term hereof shall be taken or held to be a waiver of any other term hereof or the breach thereof. No waiver, alteration, or modification of any of the provisions of this Agreement shall be binding unless in writing and signed by duly authorized representatives of the Parties hereto.
22. Benefit for Signatory Parties Only. Neither this Agreement, nor any term or provisions hereof, not any inclusion by reference, shall be construed as being for the benefit of any party not in signatory hereto.

2.2 **Completion of Work in Progress:** Owner has the option to extend the term of this Contract, or any renewal period, as necessary for Contractor to complete work on any Job Order approved by Owner prior to the expiration of the Contract.

III. AUTHORIZED CONTRACT SUM

3.1 **Contract Sum:** The maximum aggregate contract expenditures for the initial one (1) year term is \$414,895.26. The cost of each specifically authorized Job Order will be established in a “Job Order” issued by Owner and executed by Owner and Contractor. Established cost amounts shall not be increased except by written change order to a previously issued Job Order executed by Owner and Contractor. As required by Texas Government Code Section 2269.403, the Owner’s Board of Trustees must approve any Job Order that exceeds \$500,000. The Owner’s Board of Trustees may be required to authorize Job Orders for lesser amounts as required by local Board policy.

3.2 **No Minimum Amount of Work:** It is expressly understood that Owner is under no obligation to request any services from Contractor and no minimum amount of work is required under this Contract. All service requests will be made by Owner on an as-needed basis, subject to future agreement on the scope of the work and its cost(s), detailed in a specific Job Order.

IV. SPECIFICATIONS AND DRAWINGS

4.1 **Retention of Drawings:** Contractor shall keep on the Work site a copy of any drawings and/or

specifications for a Job Order and shall at all times give Owner access thereto. Anything mentioned in the specifications and not shown on the drawings or shown on the drawings and not mentioned in the specifications, shall be of like effect as if shown or mentioned in both. In case of differences between drawings and specifications, the drawings shall govern. In case of discrepancy, either in the figures, drawings, or the specifications, the matter shall be promptly submitted to Owner, who shall promptly make a determination in writing regarding such discrepancy. Any adjustment by Contractor without such prior written determination shall be at Contractor's own risk and expense and without any liability to Owner for any adjustment made by Contractor. Owner shall furnish from time to time such detailed drawings and other information as considered necessary, unless otherwise provided.

4.2 **Shop Drawings:** Shop drawings means drawings submitted to Owner by Contractor showing in detail:

Owner may duplicate, use, and disclose in any manner and for any purpose shop drawings delivered under the Contract.

4.3 Contractor shall coordinate all shop drawings, and review them for accuracy, completeness, and compliance with Contract and Job Order requirements and shall indicate its approval thereon as evidence of such coordination and review. Owner will indicate its approval or disapproval of the shop drawings in writing and if not approved as submitted shall indicate Owner's reasons, therefore. Any work done before such prior written approval by Owner shall be at Contractor's own risk and without any liability whatsoever to Owner.

"As builds" shall be submitted on paper as well as electronically. Contractor must also submit three copies of shop manuals at that time if equipment has been installed as part of the Job Order.

4.5 Omissions from the drawings or specifications or the incorrect description of details of work which are manifestly necessary to carry out the intent of the drawings and specifications shall not relieve Contractor from performing such omitted or incorrectly described details of the Work.

4.6 Contractor shall check all of Owner's furnished drawings immediately upon receipt and shall promptly notify Owner of any discrepancies. Figures marked on drawings shall be followed in preference to scale measurements. Large scale drawings shall govern small scale drawings. Contractor shall compare all drawings and verify the figures before laying out the Work and will be responsible for any errors which might have been avoided thereby.

In such cases, Contractor will receive reasonable reimbursement for the development of such materials before Owner uses them in any manner whatsoever. If Owner chooses not to use such materials and no Job Order was issued, Contractor shall not be entitled to any compensation by Owner for any expenses incurred by Contractor for the preparation or development of any of said materials, which includes any and all general overhead costs for preparation of the materials.

9.6 **Time for Response:** Owner shall furnish required information and services and shall render approvals and decisions as expeditiously as necessary for the orderly progress of Contractor's services and of the Work.

X. SITE INVESTIGATION AND CONDITIONS AFFECTING THE WORK

10.1 Contractor's acceptance of a Job Order entered into pursuant to this Contract shall constitute Contractor's acknowledgement that Contractor has taken steps reasonably necessary to ascertain the nature and location of the Work for the specific Job Order, and that Contractor has investigated and satisfied itself as to the general and local conditions which can affect the Work or its cost, including but not limited to:

- a. Conditions bearing upon transportation, disposal, handling, and storage of materials;
- b. The availability of labor, water, electric power, and roads;

- d. The conformation and conditions of the ground; and
- e. The character of equipment and facilities needed preliminary to and during work performance.

10.2 Contractor's acceptance of a Job Order entered into pursuant to this Contract shall constitute Contractor's acknowledgement that Contractor has satisfied itself as to the character, quality, and quantity of surface and subsurface materials or obstacles to be encountered insofar as this information is reasonably ascertainable from an inspection of the site, including all exploratory work done by Owner, as well as from the drawings and specifications made a part of this Contract.

10.3 **Owner Furnished Utilities:** Owner shall provide, at no cost to Contractor, wet and dry utilities and toilet facilities that are existing and available at each site for Work performed under the Job Order. If utilities and/or toilet facilities are not existing and available, the costs for such shall be included in the Job Order Proposal. It is the responsibility of Contractor to determine the extent to which existing Owner utilities are adequate for the needs of the Job Order.

10.4 **Asbestos Certification Statement:** If required by Owner, Contractor shall provide a certification statement for each Job Order, stating that no asbestos-containing materials or work is included within the scope of the Job Order. If required by Owner, Contractor shall provide, at completion of the Job Order, a notarized affidavit to Owner stating that no asbestos-containing materials or work was provided, installed, furnished or added to the project.

10.5 If required, Owner shall provide a survey in accordance with the Texas Asbestos Health

Protection Rules prior to the commencement date of the Job Order. Contractor shall take whatever measures he deems necessary to ensure that all employees, suppliers, fabricators, material men, subcontractors, or their assigns, comply with this requirement. All materials used on a Job Order shall be certified as non-Asbestos Containing Building Materials (ACBM). Contractor shall insure compliance with the following acts from Contractor and all of Contractor's subcontractors and assigns:

- a. Asbestos Hazard Emergency Response Act (AHERA—40 CFR 763-99 (7));
- b. National Emission Standards for Hazardous Air Pollutants (NESHAP—EPA 40 CFR 61, National Emission Standard for Asbestos.

10.6 Differing Site Conditions: Contractor shall promptly, and before the conditions are disturbed, give a written notice to Owner of:

- a. Subsurface or latent physical conditions at the site which differ materially from those indicated in the Contract, or
- b. Unknown physical conditions at the site, of an unusual nature, which differ materially from those ordinarily encountered and generally recognized as inherent in work of the character provided for in the Contract.

10.7 Investigation by Owner: Owner shall investigate the site conditions promptly after receiving the notice. If the conditions do materially differ and cause an increase or decrease in Contractor's cost or the time required for performing any part of the Work, an equitable adjustment shall be made and the Job Order modified in writing accordingly.

10.8 Equitable Adjustment: No request by Contractor for an equitable adjustment to the Job Order under this Article shall be allowed unless Contractor has given the written notice required. No request by Contractor for an equitable adjustment to the Job Order for differing site conditions shall be allowed if made after final payment under such Job Order.

XI. INSPECTION OF CONSTRUCTION AND OWNER'S ACCEPTANCE OF WORK

11.1 Contractor Inspection System: Contractor shall maintain an adequate inspection system and perform such inspections as well as ensure that the Work called for conforms to the Job Order. Contractor shall maintain complete inspection records and make them available to Owner. All work is subject to inspection and testing by Owner at all places and at all reasonable times before final acceptance of the Work to ensure strict compliance with the terms of the Contract and the Job Order.

11.2 Owner's Satisfaction: All Work performed under this Contract shall be completed to the satisfaction of Owner's representative assigned to the Job Order. Owner's representative shall decide all questions regarding Contractor's performance under the Contract and Job Order, and such decisions shall be final and conclusive.

11.3 Non-Conformance: Contractor shall, without charge, replace or correct Work found by Owner not to conform to a Job Order's requirements, unless Owner consents, in writing, to accept the Work with an appropriate adjustment in contract price. Contractor shall promptly segregate and remove rejected material from the premises, if required by Owner.

11.4 **Failure to Conform:** If Contractor does not promptly replace or correct rejected Work, Owner may:

- a. By contract or otherwise, replace or correct the Work and charge the cost to Contractor, and/or
- b. Terminate the Contractor for default upon seven (7) days written notice.

11.5 **Liability:** Owner's approval or acceptance of Contractor's Work shall not release Contractor from any liability for any defects in the Work.

11.6 Owner inspections and tests, if any, are for the sole benefit of Owner and do not:

- a. Relieve Contractor of responsibility for providing adequate quality control measures.
- b. Relieve Contractor of responsibility for damage to or loss of the material before acceptance.
- c. Constitute or imply acceptance; or
- d. Affect the continuing rights of Owner after acceptance of the complete work.

11.7 The presence or absence of an inspector does not relieve Contractor from any Contract or Job Order requirement, nor is the inspector authorized to change any term or condition of the Job Order without Owner's written authorization.

11.8 Contractor shall promptly furnish, without additional charge, all facilities, labor, and material reasonably needed for performing such safe and convenient inspections and tests as may be required by Owner. Owner may charge to Contractor any additional cost of inspection or test when Work is not ready at the time specified by Contractor for inspection or test, or when prior rejection makes re-inspection or retest necessary. Owner shall perform all inspections and tests in a manner that will not unnecessarily delay the Work. Special, full size and performance tests shall be performed as described in the Job Order.

11.9 If, before acceptance of the entire Work, Owner decides to examine already-completed Work by removing it or tearing it out, Contractor, on request, shall promptly furnish all necessary facilities, labor, and material for this task. If the Work is found to be defective or nonconforming in any material respect due to the fault of Contractor or its Subcontractors, Contractor shall bear the expenses of the examination and of satisfactory reconstruction. However, if the Work is found to meet requirements, Owner shall make an equitable adjustment for the additional services involved in the examination and reconstruction, including, if completion of the Work was thereby delayed, an extension of the period of time for performance.

11.10 **Substantial Completion** means the date on which the Work, or an agreed-upon portion of the Work, is sufficiently complete so that Owner can occupy and use the Work or a portion thereof for its intended purposes. Unless otherwise specified in the Job Order, Owner shall accept, as promptly as practicable after completion and inspection, all Work required by the Job Order or that portion of the Work Owner determines can be accepted separately. Acceptance shall be final and conclusive, except for latent defects, fraud, gross mistakes amounting to fraud, or Owner's rights under any warranty or guarantee.

11.11 **Use and Possession Prior to Completion:** Owner shall have the right to take possession of or use any completed or partially completed part of the Work. Before taking possession of or using any work, Owner shall furnish Contractor a list of items of work remaining to be performed or corrected on those portions of the Work that Owner intends to take possession of or use. However, failure of Owner to list any item of work shall not relieve Contractor of responsibility for complying with the terms of this Contract or the Job Order. Owner possession or use shall not be deemed an acceptance of any work under this Contract. While Owner has such possession or use, Contractor shall be relieved of the responsibility for the loss of or damage to the Work resulting from Owner's possession or use. If prior possession or use by Owner delays the progress of the Work or causes additional expense to Contractor,

and such expenses or delays are adequately documented and substantiated by Contractor, an equitable adjustment shall be made in the Job Order price and/or the period of performance, and the Job Order shall be modified in writing accordingly.

11.12 **Close-Out Documentation:** Contractor shall provide the following as part of the close-out documentation:

- a. An electronic file of all documentation specific to every job order project shall be submitted with close-out documents.
- b. All forms below must be included with the final payment documentation of the project, as applicable:
 - 1) Owner's Manual(s)

 - 4) Warranties
 - 5) Conditional Lien Release
 - 6) Copies of all applicable permits, licenses, and/or other regulatory documents.
- c. Contractor shall be required to submit any / all additional documentation that is related to any project upon request by the Director of Maintenance.

XII. PROTECTION OF EXISTING VEGETATION, STRUCTURES, UTILITIES AND IMPROVEMENTS; TRAFFIC CONTROL

12.1 **Preservation:** Contractor shall preserve and protect all structures, equipment and vegetation (such as trees, shrubs, and grass) on or adjacent to the Job Order site, which is not to be removed and which does not unreasonably interfere with the Work required under the Job Order. Contractor shall **only remove trees when specifically authorized by Owner to do so**, and shall avoid damaging vegetation that will remain in place. If any limbs or branches of trees are broken during performance by the operation of equipment, or by workmen, Contractor shall trim those limbs or branches with a clean cut and paint the cut with a tree pruning compound as directed by Owner.

12.2 **Existing Improvements:** Contractor shall protect from damage all existing improvements and utilities at or near the Job Order site and on adjacent property of third parties, the locations of which are made known to or should be known by Contractor. Contractor shall repair any damage to those facilities, including those that are the property of third parties, resulting from failure to comply with the requirements of this Contract or the Job Order or failure to exercise reasonable care in performing the Work. If Contractor fails or refuses to repair the damage promptly, Owner may have the necessary repair work performed and charge the cost to Contractor.

12.3 **Traffic Control:** Contractor shall be responsible for providing all necessary traffic control, such as street blockages, traffic cones, flagmen, etc., as required for each Job Order. Proposed traffic control methods and costs shall be submitted to Owner for approval in Contractor's Job Order Proposal.

XIII. CLEANING UP AND REFUSE DISPOSAL

13.1 Contractor shall at all times keep the Job Order site, including storage areas, free from accumulations of waste materials. Before completing the Work, Contractor shall remove from the premises any rubbish, tools, scaffolding, equipment, and materials that are not the property of Owner. Upon completing the Work, Contractor shall leave the site in a clean and orderly condition satisfactory to Owner. Contractor shall be responsible and liable for all construction refuse disposal containers and their removal from the site. Disposal of any hazardous materials not addressed and priced in the Job Order will be segregated for disposal by Owner unless Owner requires Contractor to dispose of the materials, in which case, an equitable adjustment in the price will be negotiated and agreed upon. Contractor shall not use Owner's trash containers for any reason.

XIV. WARRANTY OF CONSTRUCTION

14.1 **Warranty:** In addition to any other warranties specified in any Job Orders, Contractor warrants, for the maximum period allowed by law, and except as otherwise specifically provided herein, that Work performed conforms to the Job Order and is free of any defect in equipment, material or design furnished, or workmanship performed by Contractor or any of its subcontractors or suppliers at any tier. The Contractor shall be obligated to repair or replace any defective or non-conforming Work for a period of one (1) year from the date of final acceptance of the Work. If Owner takes possession of any part of the Work before final acceptance, this one (1) year correction period shall continue for a period of one (1) year from the date possession is taken.

14.2 **Non-Conformance:** Contractor shall remedy, at Contractor's sole expense, any failure of the Work to conform to the Job Order, or any construction defect occurring during the warranty period. In addition, the Contractor shall remedy, at Contractor's expense, any damage to Owner's real or personal property, when that damage is the result of:

- a. Contractor's failure to conform to requirements in this Contract or the Job Order; or
- b. Any defect of equipment, material, workmanship, or design furnished by the Contractor.

If Contractor, after notice, fails to proceed promptly and remedy the problem within thirty (30) calendar days or within another period of time which has been agreed to in writing, in compliance with the terms of the warranty, Owner may have the defects corrected and the Contractor and its surety shall be liable for all expenses incurred.

14.3 **Restoration:** Contractor shall restore any work damaged in fulfilling the terms and conditions of this Section. Contractor's warranty with respect to work repaired or replaced will run for one (1) year from the date of repair or replacement. Owner shall notify Contractor, in writing, within a reasonable time after the discovery of any failure, defect, or damage. If Contractor fails to remedy any failure, defect, or damage within a reasonable time after receipt of notice, Owner shall have the right to replace, repair, or otherwise remedy the failure, defect or damage at Contractor's expense, and Contractor shall be liable to owner for any damages sustained by Owner as a result of the failure, defect, or damage.

14.4 **Third-Party Warranties:** With respect to all warranties, expressed or implied, from subcontractors, manufacturers, or suppliers for work performed and materials furnished for Job Orders issued under this Contract, Contractor shall:

- a. Obtain all warranties required by the Job Order;
- b. Require all warranties to be executed, in writing, for the benefit of Owner; and
- c. Enforce all warranties for the benefit of Owner;

14.5 **Warranty Expiration:** In the event Contractor's warranty under paragraph 14.1 of this Article has expired, Owner may bring suit to enforce a subcontractor's, manufacturers, or supplier's warranty.

14.6 **Owner Liability:** Unless a defect is caused by the negligence or intentional act or failure to act of Contractor or subcontractor or supplier at any tier, Contractor shall not be liable for the repair of any defects of material or design furnished by Owner or for the repair of any damage which results from any defect in Owner-furnished material or design. Contractor is not responsible for and does not warranty pre-existing work or facilities that may be assigned to Contractor except as stated in the Job Order.

14.7 This warranty shall not limit Owner's rights under this Contract and/or applicable law with respect to latent defects, gross mistakes, breach of contract or fraud.

XV. PAYMENT

15.1 **Compensation:** Costs for equipment, material, and labor shall be in accordance with the Contract. Owner shall pay Contractor for Work performed on Job Orders authorized by Owner in writing,

subject to allowable additions and deductions. Owner shall pay all unpaid and undisputed amounts due Contractor under this Contract within thirty (30) days of receipt of invoice. If payment is later than forty-five (45) days, interest will be set no higher than six percent (6%) per annum. If Work or any portion thereof has not met the satisfactory approval of Owner's Representative, current and future payments shall not be made until both parties agree that the Work or the portion thereof has been completed in a satisfactory manner or the Work is acceptable. Notwithstanding any provision herein to the contrary, no payment of amounts owed hereunder shall be considered past due or not paid when due except in accordance with Section 2251.021 of the Texas Government Code.

15.2 Progress Payments: If required by the Job Order, Owner shall make progress payments monthly as the Work proceeds, or at more frequent intervals as determined by Owner, on estimates of Work completed submitted by Contractor and approved in writing by Owner. Contractor shall use an acceptable invoice form and shall include supporting documents to reflect a written breakdown of the total price showing the amount included therein for each principal category of the Work, in such detail as requested, to provide a basis for determining progress payments. In the estimation of Work completed, Owner will authorize payment for material delivered on the site and preparatory work done if Contractor furnishes satisfactory evidence that it has acquired title to such material and that the material will be used to perform the Work.

15.3 Application for Payment: With each Application for Payment, Contractor must attach/detail the following information:

- (1) Defective Work not remedied.
- (2) Legal claims filed against Contractor or reasonable evidence indicating probable filing of claims;
- (3) Failure of Contractor to make payments properly to any subcontractor or supplier for material or labor;
- (4) A reasonable doubt that the Job Order can be completed for the unpaid Job Order balance; and
- (5) Damage to another contractor.

15.4 Payment Retention: In the processing of progress payments, Owner shall retain five percent (5%) of the estimated amount until final completion and acceptance of all Work performed under the Job Order. Retention applicable to each Job Order shall be released within thirty (30) days after final completion of the Job Order and acceptance of the Work under the Job Order.

15.5 Liquidated Damages: Contractor is expected to complete each Job Order on a timely basis. Liquidated damages may be assessed at Owner's option for Contractor's failure to timely complete each Job Order and/or phase of the scope of work detailed in a Job Order. Owner may withhold as liquidated damages, or require Contractor to pay a "per day" amount, to be set forth in the Job Order, as liquidated damages for any Work not completed by the completion day set forth in the Job Order. These liquidated damages are not a penalty but are compensation to Owner for additional expenses incurred and inconvenience caused by Contractor's failure to allow Owner to receive the premises at the designated time of completion.

15.6 Right of Setoff: In addition to all other rights and remedies that Owner may have, Owner shall have the right to setoff, against any and all amounts due to Contractor by Owner, whether due under this Contract or any other agreement between Owner (including any division of Owner) and Contractor, any sums for which Owner is entitled to under this Contract, as determined by Owner in its sole discretion, including, without limitation, sums due by Contractor to Owner as a result of indemnification obligations, warranty claims, and/or HCDE/Choice Partners Administrative Fee(s), as applicable.

XVI. TERMINATION FOR CONVENIENCE OF OWNER

16.1 Termination: Owner may, with or without cause, terminate performance of the Work under this Contract or any Job Order in whole or, from time to time, in part, if Owner determines that termination is

in Owner's interest. Owner shall effect such termination by delivering to Contractor a Notice of Termination specifying the extent of termination and the effective date.

16.2 After receipt of a Notice of Termination, and except as directed by Owner, Contractor shall immediately proceed with the following obligations, regardless of any delay in determining or adjusting any amounts due under this Article:

- a. Stop work as specified in the notice;
- b. Place no further subcontracts or orders (referred to as subcontracts in this Article) for materials, services or facilities, except as necessary to complete any Work not terminated;
- c. Assign to Owner, as directed by Owner, all right, title, and interest of Contractor under the subcontracts to the extent they relate to the Work terminated, in which case Owner shall have the right to settle or to pay any termination settlement proposal arising out of those terminations, or with approval or ratification to the extent required by Owner, Contractor shall settle all outstanding liabilities and termination settlement proposals arising from the termination of subcontracts, the approval or ratification of which will be final for purposes of this Section;
- d. As directed by Owner, transfer title and deliver to Owner:
 - i. The fabricated or un-fabricated parts, Work in process, completed Work, supplies, and other material produced or acquired for the Work terminated, and
 - ii. The completed or partially completed plans, drawings, information, and other property that, if the Contract and/or Job Order had been completed, would be required to be furnished to Owner;
- e. Complete performance of the Work not terminated;
- f. Take any action that may be necessary, or that Owner may direct, for the protection and preservation of the property related to this Contract and/or the Job Order that is in the possession of Contractor and in which Owner has or may acquire an interest;
- g. Use its best efforts to sell, as directed or authorized by Owner, any property of the types referred to in paragraph 16.2(c) above; provided, however, that Contractor is not required to extend credit to any purchaser and may acquire the property under the conditions prescribed by, and at prices approved by, Owner. The proceeds of any transfer or disposition will be applied to reduce any payments to be made by Owner under the Contract and/or Job Order, credited to the price or cost of the Work, or paid in any other manner directed by Owner.

XVII. DEFAULT

17.1 **Termination of Right to Proceed:** If Owner determines that Contractor is not prosecuting the Work with sufficient diligence to ensure completion within the time specified in the Job Order, or fails to complete the Work within this time, Owner may terminate the Contractor's right to proceed with the Work (or separable part of the Work), upon seven (7) calendar days' written notice to the Contractor. In this event, Owner may take over the Work and complete it by contract or otherwise and may take possession of and use any materials, appliances, and plant on the site necessary for completing the Work.

Contractor's right to proceed shall not be terminated under this Section, if:

Owner shall ascertain the facts and the extent of delay. If, in the judgment of Owner, the findings of fact warrant such action, the time for completing the Work under the Job Order shall be extended.

If, after termination of Contractor's right to proceed, it is determined that Contractor was not in default, or that the delay was excusable, the rights and obligations of the parties will be the same as if the termination had been issued for the convenience of Owner. The rights and remedies of Owner in this Article are in addition to any other rights and remedies provided by law or under this Contract.

17.2 Termination for Default: In the event Contractor fails to carry out or comply with any of the terms and conditions of this Contract or any Job Order, Owner may notify Contractor of such failure or default in writing and demand that the failure or default be remedied within seven (7) calendar days; in the event Contractor fails to remedy such failure or default within seven (7) day period, Owner shall have the right to terminate this Contract and/or any Job Order. Without limiting the foregoing, the following shall constitute a material breach by Contractor, upon the occurrence of which Contractor shall immediately notify Owner: Contractor: (i) ceases its business operations; (ii) makes a general assignment for the benefit of creditors; (iii) is adjudged bankrupt; or (iv) becomes insolvent.

17.3 Effect of Termination: Termination of this Contract or any Job Order under any circumstances whatsoever shall not effect or relieve Contractor from any obligation or liability that may have been incurred or will be incurred, and such termination by Owner shall not limit any other right or remedy available to Owner at law or in equity.

XVIII. CANCELLATION FOR CONFLICT OF INTEREST

18.1 Pursuant to applicable law, Owner may cancel this Contract, without penalty or further obligation to Contractor, if any person significantly involved in initiating, negotiating, securing, drafting or creating this Contract on behalf of the Owner was at any time while this Contract or extension of this Contract is in effect, an employee or agent of any other party to this Contract in any capacity or consultant to any other party of this Contract. Contractor acknowledges that appropriation, allotment, and allocation of funds are beyond the control of Owner. The parties agree that this Contract and any Job Order issued by Owner are commitments of Owner's current

revenue only. Every payment obligation of Owner under this Contract is conditioned upon the availability of funds appropriated or allocated for the payment of such obligation. If funds are not allocated and available for the continuance of this Contract or any Job Order, this Contract or any Job Order may be terminated by Owner at the end of the period for which funds are available.

BUILDING CONSTRUCTION PROJECTS (does not include single family homes or apartments up to and including 4 stories).

Note: Under Executive Order (EO) 13658, an hourly minimum wage of \$10.95 for calendar year 2021 applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2015. If this contract is covered by the EO, the contractor must pay all workers in any classification listed on this wage determination at least \$10.95 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in calendar year 2021. If this contract is covered by the EO and a classification considered necessary for performance of work on the contract does not appear on this wage determination, the contractor must pay workers in that classification at least the wage rate determined through the conformance process set forth in 29 CFR 5.5(a)(1)(ii) (or the EO minimum wage rate, if it is higher than the conformed wage rate). The EO minimum wage rate will be adjusted annually. Please note that this EO applies to the above-mentioned types of contracts entered into by the federal government that are subject to the Davis-Bacon Act itself, but it does not apply to contracts subject only to the Davis-Bacon Related Acts, including those set forth at 29 CFR 5.1(a)(2)-(60). Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including

preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of ""identifiers"" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than ""SU"" or ""UAVG"" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the ""SU"" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a

new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material,

etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

II. TERM OF AGREEMENT

2.1 **Term:** The initial term of this Contract is one (1) years and shall be effective February 24, 2021 (date) through August 31, 2021 (date). Owner may exercise renewal options for up to four additional one-year terms, in Owner’s sole discretion, provided that Contractor is still an eligible vendor under the Choice Partners purchasing cooperative. Job Orders may be issued at any time during the term of this Contract. This Contract will remain in full force and effect during the performance of any Job Order issued by Owner.

2.2 **Completion of Work in Progress:** Owner has the option to extend the term of this Contract, or any renewal period, as necessary for Contractor to complete work on any Job Order approved by Owner prior to the expiration of the Contract.

III. AUTHORIZED CONTRACT SUM

3.1 **Contract Sum:** The maximum aggregate contract expenditures for the initial one (1) year term is \$99,343.96. The cost of each specifically authorized Job Order will be established in a “Job Order” issued by Owner and executed by Owner and Contractor. Established cost amounts shall not be increased except by written change order to a previously issued Job Order executed by Owner and Contractor. As required by Texas Government Code Section 2269.403, the Owner’s Board of Trustees must approve any Job Order that exceeds \$500,000. The Owner’s Board of Trustees may be required to authorize Job Orders for lesser amounts as required by local Board policy.

3.2 **No Minimum Amount of Work:** It is expressly understood that Owner is under no obligation to request any services from Contractor and no minimum amount of work is required under this Contract. All service requests will be made by Owner on an as-needed basis, subject to future agreement on the scope of the work and its cost(s), detailed in a specific Job Order.

IV. SPECIFICATIONS AND DRAWINGS

4.1 **Retention of Drawings:** Contractor shall keep on the Work site a copy of any drawings and/or

specifications for a Job Order and shall at all times give Owner access thereto. Anything mentioned in the specifications and not shown on the drawings or shown on the drawings and not mentioned in the specifications, shall be of like effect as if shown or mentioned in both. In case of differences between drawings and specifications, the drawings shall govern. In case of discrepancy, either in the figures, drawings, or the specifications, the matter shall be promptly submitted to Owner, who shall promptly make a determination in writing regarding such discrepancy. Any adjustment by Contractor without such prior written determination shall be at Contractor's own risk and expense and without any liability to Owner for any adjustment made by Contractor. Owner shall furnish from time to time such detailed drawings and other information as considered necessary, unless otherwise provided.

4.2 **Shop Drawings:** Shop drawings means drawings submitted to Owner by Contractor showing in detail:

- a. the proposed fabrication and assembly of structural elements;
- b. the installation (i.e., form, fit and attachment details) of materials or equipment; and
- c. the construction and detailing of elements of the Work.

Shop drawings include sketches, diagrams, layouts, schematics, descriptive literature, illustrations, schedules, performance and test data, and similar materials furnished by Contractor to explain specific portions of the Work. Owner may duplicate, use, and disclose in any manner and for any purpose shop drawings delivered under the Contract.

4.3 Contractor shall coordinate all shop drawings, and review them for accuracy, completeness, and compliance with Contract and Job Order requirements and shall indicate its approval thereon as evidence of such coordination and review. Owner will indicate its approval or disapproval of the shop drawings in writing and if not approved as submitted shall indicate Owner's reasons, therefore. Any work done before such prior written approval by Owner shall be at Contractor's own risk and without any liability whatsoever to Owner.

4.3 Contractor shall submit to Owner for approval in writing an appropriate number of copies of all shop drawings. Sets of all shop drawings will be retained by Owner and one set will be returned to Contractor.

4.4 "As-built" Drawings and Shop Manuals: Contractor is required to submit two complete sets of "as-built" drawings to Contractor within 30 days after project acceptance. "As builds" shall be submitted on paper as well as electronically. Contractor must also submit three copies of shop manuals at that time if equipment has been installed as part of the Job Order.

4.5 Omissions from the drawings or specifications or the incorrect description of details of work which are manifestly necessary to carry out the intent of the drawings and specifications shall not relieve Contractor from performing such omitted or incorrectly described details of the Work.

4.6 Contractor shall check all of Owner's furnished drawings immediately upon receipt and shall promptly notify Owner of any discrepancies. Figures marked on drawings shall be followed in preference to scale measurements. Large scale drawings shall govern small scale drawings. Contractor shall compare all drawings and verify the figures before laying out the Work and will be responsible for any errors which might have been avoided thereby.

V. USE OF SPECIFICATIONS, DRAWINGS AND NOTES

5.1 All drawings (to include as-built drawings), sketches, designs, design data, specifications, note books, technical and scientific data provided to Contractor or developed by Contractor pursuant to the

Contract and all photographs, negatives, reports, findings, recommendations, data and memoranda of every description relating thereto, as well as all copies of the foregoing relating to the Work or any part thereof, shall be the property of Owner and may be used by Owner without any claim by Contractor for additional compensation, unless such material developed by Contractor does not result in an issued Job Order. In such cases, Contractor will receive reasonable reimbursement for the development of such materials before Owner uses them in any manner whatsoever. If Owner chooses not to use such materials and no Job Order was issued, Contractor shall not be entitled to any compensation by Owner for any expenses incurred by Contractor for the preparation or development of any of said materials, which includes any and all general overhead costs for preparation of the materials.

VI. MATERIAL AND WORKMANSHIP

6.1 All equipment, material, and articles incorporated in the Work covered by this Contract shall be new and of the most suitable grade for the purpose intended, unless otherwise specifically provided in the Job Order. References in the Job Order and/or its specifications to equipment, material, article, or patented process by trade name, make, or catalog number, shall be regarded as establishing a standard of quality and shall not be construed as limiting competition.

6.2 Contractor shall obtain Owner's prior written approval of the machinery and mechanical and other equipment to be incorporated into the Work. When requesting approval, Contractor shall furnish to Owner in writing the name of the manufacturer, the model number, and other information concerning the performance, capacity, nature, and rating of the machinery and mechanical and other equipment. When required by the Contract or by Owner, Contractor shall also obtain Owner's written approval of the material or articles which Contractor contemplates incorporating into the Work. When requesting approval, Job Order Contractor shall provide full information concerning the material or articles. Machinery, equipment, material and articles that do not have the required prior approval by Owner shall be installed or used at the Contractor's risk of subsequent rejection and Owner shall not be liable for any costs incurred by Contractor for said Machinery, equipment, material, articles.

VII. CONTRACTOR'S GENERAL RESPONSIBILITIES

7.1 **In General:** Contractor agrees to provide general and specific job order contracting services on a per-project basis as requested by Owner in accordance with the terms of this Contract. Contractor shall furnish all of the materials and perform all of the Work described in a Job Order. Contractor shall do everything required by this Contract, the Job Order and any other requirements incorporated into this agreement or a specific Job Order by reference.

7.2 **Project Manager:** Contractor shall manage and provide all labor and material necessary and reasonably inferable for the complete performance of the Work on any project and/or Job Order authorized pursuant to this Contract.

7.3 **Standard of Care:** Contractor agrees to use commercially reasonable best efforts, skill, judgment, and abilities to perform the Work detailed in the Job Order in an expeditious and timely manner. Contractor shall at all times provide a sufficient number of qualified, skilled personnel, who shall be supervised by Contractor, to accomplish the Work within the time limits set forth in the Job Order. Contractor shall also be responsible for all damages to persons or property that occur as a result of Contractor's fault or negligence, and shall take proper safety and health precautions to protect the Work, the workers, the public, and the property of others. All Work under the Contract shall be performed in a skillful and workmanlike manner. Contractor and all subcontractors shall maintain all required licenses, certifications, permits, and any other documentation necessary to perform this Contract and all Work detailed in a Job Order. Unless otherwise specified in a Job Order, Contractor shall be responsible for any required testing of materials prior to incorporation into the Work.

7.4 **Compliance with Laws:** Contractor shall comply with all applicable federal, state, and local laws, regulations, codes, ordinances, orders and with those of any other body having jurisdiction over the project detailed in the Job Order. Contractor shall comply with all state and local building code

requirements unless otherwise specifically detailed in the Job Order. Contractor is required to adhere to all applicable local, state, and national design codes and requirements as well as Owner's construction design standards.

7.5 **Existing Conditions:** Contractor shall use commercially reasonable best efforts to verify the accuracy and suitability of any drawings, plans, sketches, instructions, information, requirements, procedures, requests for action, and other data supplied to Contractor by Owner, or any other party, that Contractor uses for the Job Order.

7.6 **Correction of Work:** Contractor shall promptly correct any known or discovered error, omission, or other defect in the Work without any additional cost or expense to Owner.

7.7 **Phasing:** Contractor shall not proceed beyond any previously authorized phase of the Work for a project unless authorized by Owner in writing, except at the Contractor's own financial risk. Applicable phases of the scope of work shall be identified in the Job Order Proposal.

7.8 **Representative:** Contractor shall designate a representative primarily responsible for the Work under this Contract and a specific Job Order. The designated representative shall act on behalf of Contractor with respect to all phases of the Work and shall be available as required for the benefit of any Job Order and Owner. The designated representative shall not be changed without prior written approval of Owner, which approval shall not be unreasonably withheld.

7.9 **Documentation:** Contractor shall fully document its project activities, in drawings, reports or other methods as appropriate to the scope of work and as identified in the Job Order Proposal and/or Job Order. Unless otherwise stated in the Job Order or provided by Owner, Contractor shall bear the cost of providing all plans, specifications and other documents used by Contractor and its consultants. **Owner will reimburse Contractor for the actual, documented costs of construction permits required for the performance of the Work as specified in the Job Order.** Unless otherwise stated in the Job Order, Contractor shall secure and pay for all governmental fees, licenses, and inspections necessary for the proper execution and completion of the Work.

7.10 Contractor shall be responsible for compliance with all safety rules and regulations of the Federal Occupational Safety and Health Act of 1970 (OSHA), all applicable state and local laws, ordinances, and regulations during the performance of the Work. - f. After Contractor's submission of its Job Order Proposal, Owner will review the Job Order Proposal and either proceed to issuance of a Job Order or schedule a time to review the Job Order Proposal with Contractor and negotiate any changes, clarifications or modifications.
- g. Following the review of Contractor's Job Order Proposal, Owner shall issue Job Order in writing, in a form materially consistent with Attachment A hereto, incorporating any changes, clarifications or modifications to Contractor's Job Order Proposal made in the review process, and attaching the final Job Order Proposal as an exhibit.

Upon the Commencement Date specified in the Job Order or Notice to Proceed, Contractor is fully responsible for the scheduling, quality control, safety, and all other aspects of the management of the project detailed in the Job Order. Owner may make periodic inspections of the job site to ensure compliance; however, quality control is ultimately the Contractor's responsibility.
- j. **Quality Assurance/Quality Control Plan:** If requested by the Owner for a particular Job Order, Contractor shall submit, for Owner approval, a Quality Assurance/Quality Control Plan. This plan should address all aspects of quality control including responsibility for surveillance of work, documentation, trend analysis, corrective action and interface with the Owner's inspectors.
- k. **Weekly Reports:** Contractor is required to submit weekly progress reports on each active Job Order electronically or in paper form to Owner at the end of each work week, which shall include a current schedule.
- l. **Schedule:** Time is of the essence in rendering the services hereunder. The Job Order shall include a time schedule for each phase of the Work for the Job Order, and Contractor agrees to perform all obligations and render services in accordance with the schedule(s) established in the Job Order. In emergency or non-standard situations, Owner may require Contractor to complete a Job Order on an expedited basis. All Job Orders are to be completed within the timelines agreed to by Owner and Contractor as detailed in the Job Order. If Contractor falls behind the schedule detailed in the Job Order, Contractor shall take steps necessary to improve its progress, including those that may be reasonably required by Owner. Without additional cost to Owner, Owner may require Contractor to increase the number of shifts, overtime operations, days of work, and/or the amount of construction plant or equipment, and to submit for approval any supplementary schedule or schedules in chart form as Owner deems necessary to demonstrate how the approved rate of progress will be regained.
- m. **Emergency Work:** Contractor will give top priority to any emergency work Owner may have and will allocate all resources necessary to accomplish such work in accordance with Owner's schedule requirements.

9.6 **Time for Response:** Owner shall furnish required information and services and shall render approvals and decisions as expeditiously as necessary for the orderly progress of Contractor's services and of the Work.

X. SITE INVESTIGATION AND CONDITIONS AFFECTING THE WORK

10.1 Contractor's acceptance of a Job Order entered into pursuant to this Contract shall constitute Contractor's acknowledgement that Contractor has taken steps reasonably necessary to ascertain the nature and location of the Work for the specific Job Order, and that Contractor has investigated and satisfied itself as to the general and local conditions which can affect the Work or its cost, including but not limited to:

- a. Conditions bearing upon transportation, disposal, handling, and storage of materials;

Contractor shall take whatever measures he deems necessary to ensure that all employees, suppliers, fabricators, material men, subcontractors, or their assigns, comply with this requirement. All materials used on a Job Order shall be certified as non-Asbestos Containing Building Materials (ACBM). Contractor shall insure compliance with the following acts from Contractor and all of Contractor's subcontractors and assigns:

- a. Asbestos Hazard Emergency Response Act (AHERA—40 CFR 763-99 (7));

10.6 Differing Site Conditions: Contractor shall promptly, and before the conditions are disturbed, give a written notice to Owner of:

- a. Subsurface or latent physical conditions at the site which differ materially from those indicated in the Contract, or
- b. Unknown physical conditions at the site, of an unusual nature, which differ materially from those ordinarily encountered and generally recognized as inherent in work of the character provided for in the Contract.

10.7 Investigation by Owner: Owner shall investigate the site conditions promptly after receiving the notice. If the conditions do materially differ and cause an increase or decrease in Contractor's cost or the time required for performing any part of the Work, an equitable adjustment shall be made and the Job Order modified in writing accordingly.

10.8 Equitable Adjustment: No request by Contractor for an equitable adjustment to the Job Order under this Article shall be allowed unless Contractor has given the written notice required. No request by Contractor for an equitable adjustment to the Job Order for differing site conditions shall be allowed if made after final payment under such Job Order.

XI. INSPECTION OF CONSTRUCTION AND OWNER'S ACCEPTANCE OF WORK

11.1 Contractor Inspection System: Contractor shall maintain an adequate inspection system and perform such inspections as well as ensure that the Work called for conforms to the Job Order. Contractor shall maintain complete inspection records and make them available to Owner. All work is subject to inspection and testing by Owner at all places and at all reasonable times before final acceptance of the Work to ensure strict compliance with the terms of the Contract and the Job Order.

11.2 Owner's Satisfaction: All Work performed under this Contract shall be completed to the satisfaction of Owner's representative assigned to the Job Order. Owner's representative shall decide all questions regarding Contractor's performance under the Contract and Job Order, and such decisions shall be final and conclusive.

11.3 Non-Conformance: Contractor shall, without charge, replace or correct Work found by Owner not to conform to a Job Order's requirements, unless Owner consents, in writing, to accept the Work with an appropriate adjustment in contract price. Contractor shall promptly segregate and remove rejected material from the premises, if required by Owner.

11.4 **Failure to Conform:** If Contractor does not promptly replace or correct rejected Work, Owner may:

- a. By contract or otherwise, replace or correct the Work and charge the cost to Contractor, and/or
- b. Terminate the Contractor for default upon seven (7) days written notice.

11.5 **Liability:** Owner's approval or acceptance of Contractor's Work shall not release Contractor from any liability for any defects in the Work.

11.6 Owner inspections and tests, if any, are for the sole benefit of Owner and do not:

- a. Relieve Contractor of responsibility for providing adequate quality control measures.
- b. Relieve Contractor of responsibility for damage to or loss of the material before acceptance.
- c. Constitute or imply acceptance; or
- d. Affect the continuing rights of Owner after acceptance of the complete work.

11.7 The presence or absence of an inspector does not relieve Contractor from any Contract or Job Order requirement, nor is the inspector authorized to change any term or condition of the Job Order without Owner's written authorization.

11.8 Contractor shall promptly furnish, without additional charge, all facilities, labor, and material reasonably needed for performing such safe and convenient inspections and tests as may be required by Owner. Owner may charge to Contractor any additional cost of inspection or test when Work is not ready at the time specified by Contractor for inspection or test, or when prior rejection makes re-inspection or retest necessary. Owner shall perform all inspections and tests in a manner that will not unnecessarily delay the Work. Special, full size and performance tests shall be performed as described in the Job Order.

11.9 If, before acceptance of the entire Work, Owner decides to examine already-completed Work by removing it or tearing it out, Contractor, on request, shall promptly furnish all necessary facilities, labor, and material for this task. If the Work is found to be defective or nonconforming in any material respect due to the fault of Contractor or its Subcontractors, Contractor shall bear the expenses of the examination and of satisfactory reconstruction. However, if the Work is found to meet requirements, Owner shall make an equitable adjustment for the additional services involved in the examination and reconstruction, including, if completion of the Work was thereby delayed, an extension of the period of time for performance.

11.10 Substantial Completion means the date on which the Work, or an agreed-upon portion of the Work, is sufficiently complete so that Owner can occupy and use the Work or a portion thereof for its intended purposes. Unless otherwise specified in the Job Order, Owner shall accept, as promptly as practicable after completion and inspection, all Work required by the Job Order or that portion of the Work Owner determines can be accepted separately. Acceptance shall be final and conclusive, except for latent defects, fraud, gross mistakes amounting to fraud, or Owner's rights under any warranty or guarantee.

11.11 **Use and Possession Prior to Completion:** Owner shall have the right to take possession of or use any completed or partially completed part of the Work. Before taking possession of or using any work, Owner shall furnish Contractor a list of items of work remaining to be performed or corrected on those portions of the Work that Owner intends to take possession of or use. However, failure of Owner to list any item of work shall not relieve Contractor of responsibility for complying with the terms of this Contract or the Job Order. Owner possession or use shall not be deemed an acceptance of any work under this Contract. While Owner has such possession or use, Contractor shall be relieved of the responsibility for the loss of or damage to the Work resulting from Owner's possession or use. If prior possession or use by Owner delays the progress of the Work or causes additional expense to Contractor,

and such expenses or delays are adequately documented and substantiated by Contractor, an equitable adjustment shall be made in the Job Order price and/or the period of performance, and the Job Order shall be modified in writing accordingly.

11.12 **Close-Out Documentation:** Contractor shall provide the following as part of the close-out documentation:

- a. An electronic file of all documentation specific to every job order project shall be submitted with close-out documents.
- b. All forms below must be included with the final payment documentation of the project, as applicable:

12.1 **Preservation:** Contractor shall preserve and protect all structures, equipment and vegetation (such as trees, shrubs, and grass) on or adjacent to the Job Order site, which is not to be removed and which does not unreasonably interfere with the Work required under the Job Order. Contractor shall **only remove trees when specifically authorized by Owner to do so**, and shall avoid damaging vegetation that will remain in place. If any limbs or branches of trees are broken during performance by the operation of equipment, or by workmen, Contractor shall trim those limbs or branches with a clean cut and paint the cut with a tree pruning compound as directed by Owner.

12.2 **Existing Improvements:** Contractor shall protect from damage all existing improvements and utilities at or near the Job Order site and on adjacent property of third parties, the locations of which are made known to or should be known by Contractor. Contractor shall repair any damage to those facilities, including those that are the property of third parties, resulting from failure to comply with the requirements of this Contract or the Job Order or failure to exercise reasonable care in performing the Work. If Contractor fails or refuses to repair the damage promptly, Owner may have the necessary repair work performed and charge the cost to Contractor.

12.3 **Traffic Control:** Contractor shall be responsible for providing all necessary traffic control, such as street blockages, traffic cones, flagmen, etc., as required for each Job Order. Proposed traffic control methods and costs shall be submitted to Owner for approval in Contractor's Job Order Proposal.

Before completing the Work, Contractor shall remove from the premises any rubbish, tools, scaffolding, equipment, and materials that are not the property of Owner. Upon completing the Work, Contractor shall leave the site in a clean and orderly condition satisfactory to Owner. Contractor shall be responsible and liable for all construction refuse disposal containers and their removal from the site. Disposal of any hazardous materials not addressed and priced in the Job Order will be segregated for disposal by Owner unless Owner requires Contractor to dispose of the materials, in which case, an equitable adjustment in the price will be negotiated and agreed upon. Contractor shall not use Owner's trash containers for any reason.

XIV. WARRANTY OF CONSTRUCTION

14.1 **Warranty:** In addition to any other warranties specified in any Job Orders, Contractor warrants, for the maximum period allowed by law, and except as otherwise specifically provided herein, that Work performed conforms to the Job Order and is free of any defect in equipment, material or design furnished, or workmanship performed by Contractor or any of its subcontractors or suppliers at any tier. The Contractor shall be obligated to repair or replace any defective or non-conforming Work for a period of one (1) year from the date of final acceptance of the Work. If Owner takes possession of any part of the Work before final acceptance, this one (1) year correction period shall continue for a period of one (1) year from the date possession is taken.

14.2 **Non-Conformance:** Contractor shall remedy, at Contractor's sole expense, any failure of the Work to conform to the Job Order, or any construction defect occurring during the warranty period. In addition, the Contractor shall remedy, at Contractor's expense, any damage to Owner's real or personal property, when that damage is the result of:

- a. Contractor's failure to conform to requirements in this Contract or the Job Order; or
- b. Any defect of equipment, material, workmanship, or design furnished by the Contractor.

If Contractor, after notice, fails to proceed promptly and remedy the problem within thirty (30) calendar days or within another period of time which has been agreed to in writing, in compliance with the terms of the warranty, Owner may have the defects corrected and the Contractor and its surety shall be liable for all expenses incurred.

Contractor's warranty with respect to work repaired or replaced will run for one (1) year from the date of repair or replacement. Owner shall notify Contractor, in writing, within a reasonable time after the discovery of any failure, defect, or damage. If Contractor fails to remedy any failure, defect, or damage within a reasonable time after receipt of notice, Owner shall have the right to replace, repair, or otherwise remedy the failure, defect or damage at Contractor's expense, and Contractor shall be liable to owner for any damages sustained by Owner as a result of the failure, defect, or damage.

14.4 **Third-Party Warranties:** With respect to all warranties, expressed or implied, from subcontractors, manufacturers, or suppliers for work performed and materials furnished for Job Orders issued under this Contract, Contractor shall:

- a. Obtain all warranties required by the Job Order;
- b. Require all warranties to be executed, in writing, for the benefit of Owner; and
- c. Enforce all warranties for the benefit of Owner;

14.5 **Warranty Expiration:** In the event Contractor's warranty under paragraph 14.1 of this Article has expired, Owner may bring suit to enforce a subcontractor's, manufacturers, or supplier's warranty.

14.6 **Owner Liability:** Unless a defect is caused by the negligence or intentional act or failure to act of Contractor or subcontractor or supplier at any tier, Contractor shall not be liable for the repair of any defects of material or design furnished by Owner or for the repair of any damage which results from any defect in Owner-furnished material or design. Contractor is not responsible for and does not warranty pre-existing work or facilities that may be assigned to Contractor except as stated in the Job Order.

14.7 This warranty shall not limit Owner's rights under this Contract and/or applicable law with respect to latent defects, gross mistakes, breach of contract or fraud.

XV. PAYMENT

15.1 **Compensation:** Costs for equipment, material, and labor shall be in accordance with the Contract. Owner shall pay Contractor for Work performed on Job Orders authorized by Owner in writing,

subject to allowable additions and deductions. Owner shall pay all unpaid and undisputed amounts due Contractor under this Contract within thirty (30) days of receipt of invoice. If payment is later than forty-five (45) days, interest will be set no higher than six percent (6%) per annum. If Work or any portion thereof has not met the satisfactory approval of Owner's Representative, current and future payments shall not be made until both parties agree that the Work or the portion thereof has been completed in a satisfactory manner or the Work is acceptable. Notwithstanding any provision herein to the contrary, no payment of amounts owed hereunder shall be considered past due or not paid when due except in accordance with Section 2251.021 of the Texas Government Code.

15.2 **Progress Payments:** If required by the Job Order, Owner shall make progress payments monthly as the Work proceeds, or at more frequent intervals as determined by Owner, on estimates of Work completed submitted by Contractor and approved in writing by Owner. Contractor shall use an acceptable invoice form and shall include supporting documents to reflect a written breakdown of the total price showing the amount included therein for each principal category of the Work, in such detail as requested, to provide a basis for determining progress payments. In the estimation of Work completed, Owner will authorize payment for material delivered on the site and preparatory work done if Contractor furnishes satisfactory evidence that it has acquired title to such material and that the material will be used to perform the Work.

15.3 **Application for Payment:** With each Application for Payment, Contractor must attach/detail the following information:

- (1) Defective Work not remedied.
- (2) Legal claims filed against Contractor or reasonable evidence indicating probable filing of claims;
- (3) Failure of Contractor to make payments properly to any subcontractor or supplier for material or labor;
- (4) A reasonable doubt that the Job Order can be completed for the unpaid Job Order balance; and
- (5) Damage to another contractor.

15.4 **Payment Retention:** In the processing of progress payments, Owner shall retain five percent (5%) of the estimated amount until final completion and acceptance of all Work performed under the Job Order. Retention applicable to each Job Order shall be released within thirty (30) days after final completion of the Job Order and acceptance of the Work under the Job Order.

15.5 **Liquidated Damages:** Contractor is expected to complete each Job Order on a timely basis. Liquidated damages may be assessed at Owner's option for Contractor's failure to timely complete each Job Order and/or phase of the scope of work detailed in a Job Order. Owner may withhold as liquidated damages, or require Contractor to pay a "per day" amount, to be set forth in the Job Order, as liquidated damages for any Work not completed by the completion day set forth in the Job Order. These liquidated damages are not a penalty but are compensation to Owner for additional expenses incurred and inconvenience caused by Contractor's failure to allow Owner to receive the premises at the designated time of completion.

15.6 **Right of Setoff:** In addition to all other rights and remedies that Owner may have, Owner shall have the right to setoff, against any and all amounts due to Contractor by Owner, whether due under this Contract or any other agreement between Owner (including any division of Owner) and Contractor, any sums for which Owner is entitled to under this Contract, as determined by Owner in its sole discretion, including, without limitation, sums due by Contractor to Owner as a result of indemnification obligations, warranty claims, and/or HCDE/Choice Partners Administrative Fee(s), as applicable.

XVI. TERMINATION FOR CONVENIENCE OF OWNER

16.1 **Termination:** Owner may, with or without cause, terminate performance of the Work under this Contract or any Job Order in whole or, from time to time, in part, if Owner determines that termination is

in Owner's interest. Owner shall effect such termination by delivering to Contractor a Notice of Termination specifying the extent of termination and the effective date.

16.2 After receipt of a Notice of Termination, and except as directed by Owner, Contractor shall immediately proceed with the following obligations, regardless of any delay in determining or adjusting any amounts due under this Article:

- a. Stop work as specified in the notice;
- b. Place no further subcontracts or orders (referred to as subcontracts in this Article) for materials, services or facilities, except as necessary to complete any Work not terminated;
- c. Assign to Owner, as directed by Owner, all right, title, and interest of Contractor under the subcontracts to the extent they relate to the Work terminated, in which case Owner shall have the right to settle or to pay any termination settlement proposal arising out of those terminations, or with approval or ratification to the extent required by Owner, Contractor shall settle all outstanding liabilities and termination settlement proposals arising from the termination of subcontracts, the approval or ratification of which will be final for purposes of this Section;
- d. As directed by Owner, transfer title and deliver to Owner:
 - i. The fabricated or un-fabricated parts, Work in process, completed Work, supplies, and other material produced or acquired for the Work terminated, and
 - ii. The completed or partially completed plans, drawings, information, and other property that, if the Contract and/or Job Order had been completed, would be required to be furnished to Owner;
- e. Complete performance of the Work not terminated;
- f. Take any action that may be necessary, or that Owner may direct, for the protection and preservation of the property related to this Contract and/or the Job Order that is in the possession of Contractor and in which Owner has or may acquire an interest;
- g. Use its best efforts to sell, as directed or authorized by Owner, any property of the types referred to in paragraph 16.2(c) above; provided, however, that Contractor is not required to extend credit to any purchaser and may acquire the property under the conditions prescribed by, and at prices approved by, Owner. The proceeds of any transfer or disposition will be applied to reduce any payments to be made by Owner under the Contract and/or Job Order, credited to the price or cost of the Work, or paid in any other manner directed by Owner.

XVII. DEFAULT

17.1 **Termination of Right to Proceed:** If Owner determines that Contractor is not prosecuting the Work with sufficient diligence to ensure completion within the time specified in the Job Order, or fails to complete the Work within this time, Owner may terminate the Contractor's right to proceed with the Work (or separable part of the Work), upon seven (7) calendar days' written notice to the Contractor. In this event, Owner may take over the Work and complete it by contract or otherwise and may take possession of and use any materials, appliances, and plant on the site necessary for completing the Work.

Contractor's right to proceed shall not be terminated under this Section, if:

- a. The delay in completing the Work arises from unforeseeable causes beyond the control and without the fault or negligence of Contractor. Examples of such causes include:

- i. acts of God or of the public enemy,
 - ii. acts of Owner in its contractual capacity,
 - iii. acts of another Contractor in the performance of a written Contract with Owner,

- b. Contractor, within seven (7) calendar days from the beginning of any such delay (unless extended by Owner), shall notify Owner in writing of the causes of delay. Owner shall ascertain the facts and the extent of delay. If, in the judgment of Owner, the findings of fact warrant such action, the time for completing the Work under the Job Order shall be extended.

If, after termination of Contractor's right to proceed, it is determined that Contractor was not in default, or that the delay was excusable, the rights and obligations of the parties will be the same as if the termination had been issued for the convenience of Owner. The rights and remedies of Owner in this Article are in addition to any other rights and remedies provided by law or under this Contract.

17.2 Termination for Default: In the event Contractor fails to carry out or comply with any of the terms and conditions of this Contract or any Job Order, Owner may notify Contractor of such failure or default in writing and demand that the failure or default be remedied within seven (7) calendar days; in the event Contractor fails to remedy such failure or default within seven (7) day period, Owner shall have the right to terminate this Contract and/or any Job Order. Without limiting the foregoing, the following shall constitute a material breach by Contractor, upon the occurrence of which Contractor shall immediately notify Owner: Contractor: (i) ceases its business operations; (ii) makes a general assignment for the benefit of creditors; (iii) is adjudged bankrupt; or (iv) becomes insolvent.

17.3 Effect of Termination: Termination of this Contract or any Job Order under any circumstances whatsoever shall not effect or relieve Contractor from any obligation or liability that may have been incurred or will be incurred, and such termination by Owner shall not limit any other right or remedy available to Owner at law or in equity.

XVIII. CANCELLATION FOR CONFLICT OF INTEREST

18.1 Pursuant to applicable law, Owner may cancel this Contract, without penalty or further obligation to Contractor, if any person significantly involved in initiating, negotiating, securing, drafting or creating this Contract on behalf of the Owner was at any time while this Contract or extension of this Contract is in effect, an employee or agent of any other party to this Contract in any capacity or consultant to any other party of this Contract. A cancellation made pursuant to this provision shall be effective when the Contractor receives written notice of the cancellation unless the notice specifies a later time.

23.2 **Confidentiality:** Contractor shall treat any information supplied by Owner or information pertaining to Owner as confidential and shall not disclose any such information to others except as necessary for the performance of this Contract or a Job Order or as authorized by Owner in writing or except when required by law.

23.3 **Successors and Assigns:** Owner and Contractor, respectively, bind themselves, their partners, successors, assigns and legal representatives to the other party to the terms and conditions of this Contract. This Contract is a personal service contract for the services of Contractor, and Contractor's interest in this Contract, duties hereunder and/or fees due hereunder may not be assigned or delegated to a third party without written consent of Owner. The benefits and burdens of this Contract are, however, assignable by Owner.

A written waiver granted by either of the parties of any provision of this Contract shall not be construed as a future waiver of that provision or a waiver of any other provision of the Contract.

23.11 **Force Majeure:** No party shall be liable or responsible to the other for any loss or damage or for any delays or failure to perform under this Contract due to causes beyond its reasonable control, including, but not limited to, acts of God, employee strikes, epidemics, war, riots, flood, fire, sabotage, terrorist acts or any other circumstances of like character.

23.12 **Governing Law and Venue:** This Contract shall be construed, interpreted and applied in accordance with the laws of the State of Texas without regard for choice of law principles. All obligations of the parties created hereunder are enforceable in Houston, Harris County, Texas, which shall be the exclusive venue for any dispute hereunder.

23.13 **Entire Contract:** This Contract, as defined herein, constitutes the sole and only agreement between the parties with respect to the services contracted for and supersedes any prior understandings, written or oral. No modification, alteration or waiver of this Contract or any of its provisions shall be effective unless in writing and signed by both parties. No course of prior dealings, no usage of trade, and no course of performance shall be used to modify, supplement or explain any terms used in this Contract.

23.14 **Financial Interest:** By signature hereon, Contractor certifies that no member of Owner's Board of Trustees has a financial interest, directly or indirectly, in the transaction that is the subject of this Contract.

23.15 **Authority to Act:** If Contractor is a corporation or a limited liability company, Contractor

warrants, represents, and agrees that (1) it is duly organized, validly existing and in good standing under the laws of the state of its incorporation or organization; (2) it is duly authorized and in good standing to conduct business in the State of Texas; (3) it has all necessary power and has received all necessary approvals to execute and deliver this Contract; and (4) the individual executing this Contract on behalf of Contractor has been duly authorized to act for and bind Contractor.

23.16 **Records:** Records of expenses pertaining to additional services, services performed on the basis of a Worker Wage Rate or Monthly Salary Rate, or reimbursable expense, if allowed, shall be kept on the basis of generally accepted accounting principles and in accordance with cost accounting standards promulgated by the Federal Office of Management and Budget Cost Accounting Standards Board and shall be available for audit by Owner or Owner's authorized representative on reasonable notice.

23.18 **Interpretation:** Contractor agrees that the normal rules of construction that require that any ambiguities in the Contract are to be construed against the drafter shall not be employed in the interpretation of this Contract or any Job Order.

23.19 **Modification:** This Contract may only be modified by a written instrument executed by the parties to be incorporated into this Contract.

23.20 **Assignment:** Contractor may not assign this Contract or any of its rights, duties or obligations hereunder without the prior written approval of Owner. Any attempted assignment of this Contract by Contractor shall be null and void. Any Job Order made as a result of this Contract may not be transferred, assigned, subcontracted, mortgaged, pledged, or otherwise disposed of or encumbered in any way by Contractor without the prior written approval of Owner.

23.21 **Immunity:** Nothing in this Contract will be construed to waive, modify, or amend any legal defense available to Owner or any of Owner's past or present trustees, officers, agents, or employees, including, without limitation, governmental immunity from suit as provided by law.

23.22 **Terrorist Certification:** Contractor hereby certifies that it is not a company identified on the Texas Comptroller's list of companies known to have contracts with, or provide supplies or services to, a foreign organization designated as a Foreign Terrorist Organization by the U.S. Secretary of State.

23.23 **Boycott Israel Certification:** If (a) Contractor is not a sole proprietorship; (b) Contractor has ten (10) or more full-time employees; and (c) this Contract has a value of \$100,000 or more, the following certification shall apply; otherwise, this certification is not required. Pursuant to Chapter 2270 of the Texas Government Code, the Contractor hereby certifies and verifies that neither the Contractor, nor any affiliate, subsidiary, or parent company of the Contractor, if any (the "Contractor Companies"), boycotts Israel, and the Contractor agrees that the Contractor and Contractor Companies will not boycott Israel during the term of this Contract. For purposes of this Contract, the term "boycott" shall mean and include refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.

=====
Note: Executive Order (EO) 13706, Establishing Paid Sick Leave
for Federal Contractors applies to all contracts subject to the
Davis-Bacon Act for which the contract is awarded (and any
solicitation was issued) on or after January 1, 2017. If this
contract is covered by the EO, the contractor must provide
employees with 1 hour of paid sick leave for every 30 hours
they work, up to 56 hours of paid sick leave each year.
Employees must be permitted to use paid sick leave for their
own illness, injury or other health-related needs, including

preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of ""identifiers"" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than ""SU"" or ""UAVG"" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the ""SU"" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a

new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material,

etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

ARTICLE 2. DELIVERY OF SERVICE

2.1 Orders. To request Service at a Service Location(s), Customer shall submit a properly completed Sales Order(s) to Comcast. Such Sales Order(s) shall become binding on the Parties upon the earlier of (i) Comcast's notice to Customer that it accepts such Sales Order(s), (ii) Comcast begins providing the Service(s) described in the Sales Order(s) or (iii) Comcast begins installation or construction for delivery of the Service(s). Each Sales Order(s) submitted by Customer may be subject to an engineering review which will determine whether and to what extent the Network must be extended, built or upgraded in order to provide the ordered Service(s). Comcast will provide Customer written notification in the event Service(s) installation at any Service Location(s) will require an additional non-recurring installation fee ("Custom Installation Fee" or "Construction Charges"). Notwithstanding anything to the contrary contained in this Article 2.1, Customer shall have five (5) days from receipt of such notice to reject the Custom Installation Fee and terminate the ordered Services at the affected Service Location(s). For certain Service(s), the Engineering Review will be conducted prior to Sales Order(s) submission. In such case, Customer shall be deemed to have accepted the designated Custom Installation Fee upon submission of the applicable Sales Order.

2.2 Access. In order to deliver Services to Customer, Comcast may require access, right-of-way, conduit, and/or common room space ("Access") within and/or outside each

Service Location(s). Within the Service Location(s), Customer shall be solely responsible for securing and maintaining such Access as Comcast may require to deliver the Service(s). In the event that Customer fails to secure or maintain such Access, Comcast (i) may cancel or terminate Service(s) at such Service Location(s) pursuant to Article 4.3 and (ii) shall be excused from its obligations with respect to the Service(s) at such Service Location(s) (including any obligation to issue service credits) until such time as Customer provides Comcast with the necessary Access. If Comcast is unable to secure or maintain Access outside a particular Service Location(s), which Access is needed to provide Service(s) to such Service Location(s), Customer or Comcast may cancel or terminate Service(s) at such Service Location(s), without further liability beyond the termination date, upon a minimum thirty (30) days' prior written notice to the other Party.

2.3 Hazardous Materials. If the presence of asbestos or other hazardous materials exists or is detected at a Service Location(s) or within the building where the Service Location(s) is located, Comcast may immediately stop providing and/or installing Service(s) until such materials are removed. Customer shall be responsible for any additional expense incurred by Comcast as a result of encountering, or in the avoidance of, hazardous materials.

2.4 Equipment

A. Comcast Equipment. Comcast may, in its sole discretion, remove or change Comcast Equipment. Customer shall not move, rearrange, disconnect, remove, attempt to repair, or otherwise tamper with any Comcast Equipment or permit others to do so, and shall not use the Comcast Equipment for any purpose other than as authorized by the Agreement. Customer shall (i) provide an adequate environmentally controlled space and such electricity as may be required for installation, operation, and maintenance of the Comcast Equipment and (ii) be responsible for damage to, or loss of, Comcast Equipment caused by its acts or omissions, or by fire, theft or other casualty at the Service Location(s), unless caused by the gross negligence or willful misconduct of Comcast. Comcast shall maintain, at its cost, Comcast Equipment during the term of this Agreement; provided, however, that such maintenance shall be at Customer's cost to the extent it is related to causes other than the ordinary and proper use of the Comcast Equipment. Upon termination or expiration of this Agreement and/or any Sales Order(s), Customer shall be responsible for the return of all applicable Comcast Equipment. Until such time as the Comcast Equipment is returned to Comcast, Comcast may continue to invoice Customer for the monthly fee applicable to such Comcast Equipment. If any returned Comcast Equipment has been damaged and/or destroyed other than by Comcast or its agents, normal wear and tear excepted, Comcast may, in its sole discretion, invoice Customer for the manufacturer's list price of such Comcast Equipment or the cost of repair.

B. Customer-Provided Equipment. Customer shall have sole responsibility for providing maintenance, repair, operation and replacement of all Customer-Provided Equipment, inside telephone wiring and other Customer equipment and facilities on the Customer's side of the demarcation point (i.e., the point of interconnection between the Network and Customer-Provided Equipment located at a Service Location(s)). Neither Comcast nor its employees, Affiliates, agents or contractors shall (i) have any obligation to install, operate, or maintain Customer-Provided Equipment or (ii) be liable for any damage, loss, or destruction to Customer-Provided Equipment, unless caused by the gross negligence or willful misconduct of Comcast. Customer-Provided Equipment shall at all times be compatible with the Network. Customer shall be responsible for the payment of service charges for visits by Comcast's employees or agents to a Service Location(s) when the service difficulty or trouble report results from Customer-Provided Equipment.

2.5 Network, Intellectual Property and IP Addresses.

A. The Network is and shall remain the property of Comcast regardless of whether installed within, upon, overhead, above, or underground at or near the Service Location and shall not be considered a fixture or an addition to the land or the Service Location(s) located thereon. Customer agrees that it shall take no action that directly or indirectly impairs Comcast's title to the Network, or any portion thereof, or exposes Comcast to any claim, lien, encumbrance, or legal process, except as otherwise agreed in writing by the parties. Nothing in this Agreement shall preclude Comcast from using the Network for services provided to other Comcast customers. For a period of twelve (12) months following Comcast's discontinuance of Service to the Service Location(s), Comcast retains the right to remove the Network. To the extent Comcast removes such portion of the Network it shall be responsible for returning the Service Location(s) to its prior condition, reasonable wear and tear excepted.

B. Customer acknowledges that use of the Services does not give it any ownership or other rights in any telephone number or Internet/online addresses provided in connection with such Services, including, but not limited to, Internet Protocol addresses, e-mail addresses and web addresses.

C. Title and intellectual property rights to (i) the Services and (ii) any computer software or code provided by Comcast to use the Services, including, but not limited to, associated documentation, and all updates thereto ("Licensed Software") are, in each case, owned by Comcast, its agents, suppliers or affiliates or their licensors or otherwise by the owners of such material. The copying, redistribution, bundling or publication of the Services, in whole or in part, without the express prior written consent of Comcast or other owner of such material, is prohibited.

D. The Agreement provides no right to use any Party's or its Affiliates' trademarks, service marks, or trade names, or to

otherwise refer to the other Party in any marketing, promotional, or advertising materials or activities.

2.6 License Grant. If Customer requires the use of Licensed Software from Comcast in order to use the Services, Customer shall have a nonexclusive, nontransferable, and limited license to use such Licensed Software in object code only and solely to the extent necessary to use the applicable Service during the corresponding Service Term. Customer may not claim title to, or an ownership interest in, any Licensed Software (or any derivations or improvements thereto), and Customer shall execute any documentation reasonably required by Comcast, including, without limitation, end-user license agreements for the Licensed Software. Customer shall not: (i) copy the Licensed Software (or any upgrades thereto or related written materials) except for emergency back-up purposes or as permitted by the express written consent of Comcast; (ii) reverse engineer, decompile, or disassemble the Licensed Software; (iii) sell, lease, license, or sublicense the Licensed Software; or (iv) create, write, or develop any derivative software or any other software program based on the Licensed Software. Customer acknowledges that the use of Service may periodically require updates and/or changes to the Licensed Software resident in the Comcast Equipment or Customer Provided-Equipment. Customer hereby consents to, and shall provide free access for, such updates deemed reasonably necessary by Comcast.

ARTICLE 3. BILLING AND PAYMENT

3.1 Charges; Changes to MRC; Taxes.

A. Customer agrees to pay all charges associated with the Services, including, but not limited to, (i) any fees or payment obligations in connection with the Services imposed by governmental or quasi-governmental bodies in connection with the sale, installation, use, or provision of the Services (e.g., applicable franchise fees, right of way fees and Universal Service Fund charges) regardless of whether Comcast or its Affiliates pay the fees directly or are required or permitted by law to collect them from Customer and (ii) charges incurred as the result of fraudulent or unauthorized use of the Services. Any failure on the part of Customer to be ready to receive Service, or any refusal on the part of Customer to receive Service, shall not relieve Customer of its obligation to pay charges for any Service that is otherwise available for use. For the avoidance of doubt, Comcast shall not be responsible for any purchases made by Customer or its end users while using the Services.

B. With respect to each Sales Order, Comcast may, upon thirty (30) days prior written notice to Customer (or such longer period as may be required by law) modify the monthly recurring charges applicable to (i) Ethernet, Internet and/or Video Services at any time after the expiration of the initial Service Term and (ii) any other services at any time; provided, that, Customer acknowledges and agrees that such notice requirement may be satisfied by including notice of a monthly recurring charge modification(s) in a Customer invoice. Customer shall have thirty (30) days from receipt of any such

notice to cancel the applicable Service without further liability. Should Customer fail to cancel within such timeframe, Customer shall be deemed to have accepted the modified Service pricing.

C. Except to the extent Customer provides a valid tax exemption certificate prior to the delivery of Service, Customer shall be responsible for the payment of any and all applicable local, state, and federal taxes or fees (however designated). Customer shall also be responsible to pay any Service fees, payment obligations and taxes that become applicable retroactively.

3.2 Payment Terms; Disputes

A. Except as otherwise indicated herein or in a PSA, Comcast will invoice Customer in advance on a monthly basis for all monthly recurring charges and fees arising under the Agreement. All other charges will be billed monthly in arrears, including without limitation, certain usage based charges and third party pass through fees. Payment is due upon presentation of an invoice and will be considered timely made to Comcast if received within thirty (30) days after the invoice date. If a Service Commencement Date is not the first day of a billing period, Customer's first monthly invoice shall include any pro-rated charges for the Services, from the Service Commencement Date to the start of the next billing period. In certain cases, Comcast may agree to provide billing services on behalf of third parties, as the agent of the third party based on Customer's agreements with such third parties ("Third Party Fees"). Any such Third-Party Fees shall be payable pursuant to Customer's contract or other arrangement with such third party and/or Comcast. Comcast shall not be responsible for any dispute regarding Third Party Fees. Partial payment of any bill will be applied to the Customer's outstanding charges in amounts and proportions solely determined by Comcast. Except to the extent otherwise prohibited by law, Customer will be assessed a service charge up to the full amount permitted under applicable law for any check or other instrument used to pay for the Services that has been rejected by the bank or other financial institution. Any payment not made when due will be subject to a late charge equal to the lower of (i) 1.5% per month and (ii) the highest rate allowed by law. If Comcast is required to use a collection agency or attorney to collect any amount owed by Customer or any unreturned Comcast Equipment, Customer agrees to pay all reasonable costs of collection or other action. No acceptance of partial payment(s) by Comcast shall constitute a waiver of any rights to collect the full balance owed under the Agreement.

B. If Customer disputes any portion of an invoice, Customer shall pay the undisputed portion of the invoice and submit a written claim, including all substantiating documentation, to Comcast for the disputed amount of the invoice by the invoice due date. The parties shall negotiate in good faith to resolve any billing dispute submitted by Customer pursuant to this Article 3.2(B). Under no circumstances may Customer submit a billing dispute to Comcast later than ninety

(90) days following Customer's receipt of the applicable invoice.

3.3 Credit Approval and Deposits. Initial and ongoing delivery of Services may be subject to credit approval. Customer authorizes Comcast to make inquiries and to receive information about Customer's credit history from others and to enter this information in Customer's records. Comcast, in its sole discretion, may deny the Services based upon an unsatisfactory credit history. Subject to applicable regulations, Comcast may require Customer to make a deposit as a condition to Comcast's provision of the Services, or as a condition to Comcast's continuation of the Services. The deposit will not, unless explicitly required by law, bear interest and shall be held by Comcast as security for payment of Customer's charges. Comcast may apply the deposit to any delinquent Customer charges upon written notice to Customer.

3.4 E-Rate Funding. Comcast makes no representations or warranties with respect to the eligibility or ineligibility of the Services or any Service component for federal e-rate support or for other governmental and quasi-governmental telecommunications/internet discounts or entitlements (collectively, "E-Rate Funding"). Customer expressly understands and agrees that it is responsible for ensuring that Comcast is paid one hundred percent (100%) of all non-recurring charges ("NRC(s)"), monthly recurring Service charges ("MRC(s)") and other amounts required under this Agreement in accordance with the payment intervals specified therein. Unless and until the Customer has received, or has been designated as a recipient of, E-Rate Funding for the Services, Customer may not withhold or offset any such amounts on the basis of its anticipated receipt of E-Rate Funding, except as otherwise set forth below. In the event that the Customer has received, or has been designated as a recipient of, E-Rate Funding for the Services, Customer may choose to either (1) pay Comcast in full for the Services, or (2) receive discounted bills from Comcast. If Customer chooses option (1), the Customer must utilize the applicable customer-initiated reimbursement process relative to such E-Rate Funding. Comcast shall have no obligation to discount or pro-rate its invoices or to take other action to process such E-Rate Funding, except to the extent specifically required by law and regulation, or except as otherwise set forth above or below. Notwithstanding this, Comcast will reasonably assist Customer in the completion of any portions of the FCC Form 472 which, as a matter of law or regulation, are required to be completed by the service provider. If Customer chooses option (2), Comcast shall have no obligations under this Agreement until Customer provides Comcast the copy of the Notification and Acceptance of Form(s) 486 from the Universal Services Administrative Company, Schools and Libraries Division ("SLD"), approving Customer's eligibility for E-Rate Funding. A Customer selecting option (2) is required to pay Comcast the non-discounted portion of all NRC(s), MRC(s), and other amounts required under this Agreement in accordance with the payment interval specified therein. Customer also must

reasonably assist Comcast in completing the Service Provider Invoice Form (FCC Form 474) and obtaining full payment of the discount amount from the Universal Service Administrative Company or other E-Rate fund administrator or administrative entity. If during the term of this Agreement, Customer fails to appropriate funds or if funds are not otherwise made available for continued performance for any fiscal period of the Agreement succeeding the first fiscal period, Customer may elect to (i) continue to receive Services under this Agreement, in which Customer shall remain bound by the terms and conditions set forth hereunder and remain responsible for all NRC(s) and MRC(s), as set forth in the Agreement or applicable Sales Order(s), for the remaining term applicable thereto, irrespective of E-Rate Funding status, or, (ii) terminate this Agreement or Sales Order(s) upon written notice as of the beginning of the fiscal year for which funds are not appropriated or otherwise made available. The effect of termination of the Agreement or Sales Order(s) hereunder will be to discharge both Comcast and the Customer from future performance of the Agreement. However, Comcast shall be reimbursed for any and all unpaid NRC(s), any unpaid past due balance(s), and any additional costs already incurred by Comcast in conjunction with this Agreement. Customer shall notify Comcast in writing within thirty (30) days of fiscal budget denial indicating funds may not be available for the continuation of the Agreement for each succeeding fiscal period beyond the first year. In no event shall Comcast initiate construction of the Network until proof of funding has been received, in whole or in part, based on 100% Customer-furnished funds or partially reimbursed funds by the SLD.

ARTICLE 4. TERM & TERMINATION

4.1 Sales Order Term. Upon the expiration of the Service Term applicable to a Sales Order, each Sales Order shall automatically renew for successive periods of one (1) month each (each, a "Renewal Term"), not to exceed twelve (12) months, unless prior written notice of non-renewal is delivered by either Party to the other at least thirty (30) days before the expiration of the Service Term or the then current Renewal Term. To the extent the initial Service Term or a Renewal Term applicable to a Sales Order extends beyond the expiration date of the term set forth on the Service Agreement Cover Page, such Sales Order shall continue to be governed by the terms and conditions of the Agreement.

4.2 Termination for Convenience. Notwithstanding any other term or provision in this Agreement, Customer shall have the right, in its sole discretion, to terminate any or all Sales Order(s) at any time, upon thirty (30) days prior written notice to Comcast. Comcast may terminate the Agreement upon notice if Customer does not take any Service under a Sales Order for twelve (12) consecutive months or longer.

4.3 Termination for Cause. If either Party breaches any material term of the Agreement and the breach continues unremedied for thirty (30) days after written notice of default, the other Party may terminate for cause any Sales Order(s)

materially affected by the breach. Either Party may terminate a Sales Order immediately upon notice to the other Party if the other Party has become insolvent or involved in liquidation or termination of its business, or adjudicated bankrupt, or been involved in an assignment for the benefit of its creditors.

4.4 Effect of Expiration/Termination of a Sales Order.

Upon the expiration or termination of a Sales Order(s) for any reason (i) Comcast shall disconnect the applicable Service(s), (ii) Comcast may delete all applicable data, files, electronic messages, or other information stored on Comcast's servers or systems and (iii) Comcast may assess and collect from Customer applicable Termination Charges. Termination by either Party of a Sales Order does not waive any other rights or remedies that it may have under this Agreement. The non-defaulting Party shall be entitled to all available legal and equitable remedies for such breach.

Customer is prohibited from using, or permitting the use of, any Service (i) for any purpose in violation of any law, rule, regulation, or policy of any government authority; (ii) in violation of any Use Policy (as defined below); (iii) for any use as to which Customer has not obtained all required government approvals, authorizations, licenses, consents, and permits; or (iv) to interfere unreasonably with the use of Comcast service by others or the operation of the Network. Customer is responsible for the compliance of its users with the provisions of the Agreement. Customer may not sell, resell, sublicense, assign, license, sublicense, share, provide, or otherwise utilize in conjunction with a third party (including, without limitation, in any joint venture or as part of any outsourcing activity) the Services or any component thereof. Customer acknowledges and agrees that Customer's and its users' use of Services shall be subject to Comcast's acceptable use policies ("AUPs") and security policies (together with the AUPs, the "Use Policies") that may limit Customer's and its users' use of the Services. The Use Policies are posted on the Website, and are incorporated into this Agreement by reference. Comcast reserves the right to act immediately and without notice to (i) terminate or suspend the Services and/or to remove from the Services any information transmitted by or to Customer or users, if Comcast determines that such use or information is in violation of this Article 8.1 or the Use Policies and (ii) terminate or suspend the Services in the event of fraudulent use of Customer's Services. Customer acknowledges and agrees that Comcast may, but is not obligated to, detect or report unauthorized or fraudulent use of the Services to Customer.

8.2 Privacy Policy. Comcast's commercial privacy policy (the "Privacy Policy") applies to Comcast's handling of Customer confidential information. The Privacy Policy is available on the Website. Notwithstanding the foregoing or anything to the Contrary contained in the Agreement or the Privacy Policy, Comcast is not responsible for any information provided by Customer to third parties and Customer assumes all privacy and other risks associated with providing personally identifiable information to third parties via the Services.

ARTICLE 9. MISCELLANEOUS TERMS

9.1 Force Majeure. Neither Party nor its Affiliates shall be liable to the other Party for any delay, failure in performance, loss, or damage to the extent caused by force majeure conditions such as acts of God, fire, explosion, power blackout, cable cuts, acts of regulatory or governmental agencies,

unforeseeable third party actions, or other causes beyond the Party's reasonable control, except that Customer's obligation to pay for Services provided under the Agreement shall not be excused. Changes in economic, business or competitive condition shall not be considered force majeure events.

9.2 Assignment or Transfer. Customer shall not assign any right, obligation or duty, in whole or in part, nor of any other interest hereunder, without the prior written consent of Comcast, which shall not be unreasonably withheld. All obligations and duties of either Party hereunder shall be binding on all successors in interest and permitted assigns of such Party.

9.3 Notices. Except as otherwise identified herein, any notice sent pursuant to the Agreement shall be deemed given and effective when sent by facsimile (confirmed by first-class mail), or when delivered by overnight express or other express delivery service, in each case, to the following addresses (or to such other addresses as a Party may designate by written notice to the other Party): (i) with respect to Customer, to the address set forth on any Sales Order; or (ii) with respect to Comcast, to: Vice President of Sales Operations (Comcast Business), One Comcast Center, 1701 JFK Blvd., Philadelphia, PA 19103, with a copy to Cable Law Department, One Comcast Center, 50th Floor, 1701 JFK Blvd., Philadelphia, PA 19103. 9.4 Amendments; Changes to the Agreement. The Agreement may not be amended except by a written agreement executed by the Parties; provided, that, notwithstanding the foregoing, Comcast may change or modify the PSA(s) and any related policies (including the Use Policies and Privacy Policy) from time to time ("Revisions") by posting such Revisions to the Website. The Revisions are effective upon posting to the Website. Customer will receive notice of any Revisions in the next applicable monthly invoice. Customer shall have thirty (30) calendar days from the invoice notice of such Revisions to provide Comcast with written notice that the Revisions adversely affect Customer's use of the Service(s). If, after such notice, Comcast is able to verify such adverse effect but is unable to reasonably mitigate the Revision's impact on such Service(s), then Customer may terminate the impacted Service(s) without further obligation to Comcast beyond the termination date, including Termination Charges, if any. This shall be Customer's sole and exclusive remedy for any Revisions. Terms or conditions contained in any Sales Order, or restrictive endorsements or other statements on any form of payment, shall be void and of no force or effect.

9.5 Tariffs. Notwithstanding anything to the contrary in the Agreement, Comcast may elect or be required to file with regulatory agencies tariffs for certain Services. In such event, the terms set forth in the Agreement may, under applicable law, be superseded by the terms and conditions of the tariffs. Without limiting the generality of the foregoing, in the event of

any inconsistency with respect to rates, the rates and other terms set forth in the applicable Sales Order shall be treated as individual case based arrangements to the maximum extent permitted by law, and Comcast shall take such steps as are required by law to make the rates and other terms enforceable. If Comcast voluntarily or involuntarily cancels or withdraws a tariff under which a Service is provided to Customer, the Service will thereafter be provided pursuant to the Agreement and the terms and conditions contained in the tariff immediately prior to its cancellation or withdrawal. In the event that Comcast is required by a governmental authority to modify a tariff under which Service is provided to Customer in a manner that is material and adverse to either Party, the affected Party may terminate the applicable Sales Order(s) upon a minimum thirty (30) days' prior written notice to the other Party, without further liability.

partnership between the Parties or to impose any liability attributable to such a relationship upon either Party.

9.6 Entire Understanding; Construction; Survival; Headings; No Waiver. The Agreement supersedes all prior agreement between the Parties with respect to its subject matter and constitutes a complete and exclusive statement of the terms of the agreement between the Parties with respect to the subject matter hereof. In the event that any portion of the Agreement is held to be invalid or unenforceable, the Parties shall replace the invalid or unenforceable portion with another provision that, as nearly as possible, reflects the original intention of the Parties, and the remainder of the Agreement shall remain in full force and effect. The rights and obligations of either Party that by their nature would continue beyond the termination or expiration of the Agreement shall survive termination or expiration of the Agreement. The article headings used herein are for reference only and shall not limit or control any term or provision of this Agreement or the interpretation or construction thereof. No failure by either Party to enforce any right(s) hereunder shall constitute a waiver of such right(s). The Agreement may be executed in counterpart copies. Each Party represents and warrants that the persons who executes the Agreement on its behalf are duly authorized to do so.

9.7 Choice of Law; Compliance with Laws. The domestic law of the state in which the Service is provided shall govern the construction, interpretation, and performance of this Agreement, except to the extent superseded by federal law. Each of the Parties agrees to comply with all applicable local, state and federal laws and regulations and ordinances in the performance of its respective obligations under this Agreement.

9.8 No Third Party Beneficiaries; Independent Contractors. This Agreement does not expressly or implicitly provide any third party (including users) with any remedy, claim, liability, reimbursement, cause of action, or other right or privilege. The Parties to this Agreement are independent contractors. Neither Party is an agent, representative, or partner of the other Party. Re: Applicant Service Request
E-rate Funding Year: July 1, 2021-June 30, 2022

1

To Whom It May Concern:

We hereby request Comcast Cable Communications Management, LLC and its applicable operating affiliates and subsidiaries offering services as contracted to one of the following: School, District, Consortium or Healthcare Provider; request for network equipment and infrastructure to be installed or upgraded prior to July 1, 2021 and/or the receipt of our [USAC] Funding Commitment Decision Letter.

With this request, we understand that the terms of our contract shall not be modified or amended. We understand that the service provider will not pre-discount or authorize reimbursements for such services(s) until the following four conditions are met: (1) the Funding Decision Commitment Letter that approves funding is received; (2) the FCC Form 486 is filed; (3) the FCC Form 486 Notification Letter is received; and (4) the customer completes the Comcast REIMBURSEMENT FORM and submits to Erate_Funding@cable.comcast.com

If SPI is preferred, beginning with either the first billing month after the above four conditions are met, or in the case that the first billing month is not feasible, then the second billing month, Comcast will begin providing discounted bills and will reflect a credit for the prior month's prepayment for the E-rate discount amount by the **customer**. Therefore, we agree to be responsible for all applicable payments as invoiced in accordance to the "payment term" as defined within our executed service agreement.

We understand upon service activation, Comcast Cable Communications, LLC and its applicable operating affiliates and subsidiaries shall require the applicant to execute a Customer Acceptance Form. The execution of the [CA] indicates to our regulatory billing department that the customers' service has been installed, accepted and invoicing may begin. Copies of all documents are retained as required by the FCC, USAC and CTF document retention guidelines.
